Dedication

We, the Class of 1923, respectfully dedicate this annual to the tax-payers and the patrons of the Odebolt Public School as a token of remembrance of the four years we have spent in the Odebolt High School.

Our object in presenting this volume is to portray our school days as they really were with all their ups and downs.

We hope that you will enjoy the contents, and that you will read them in the same spirit with which they were written, of Friendship, Loyalty and Good-will.

Mr. Dale Welch, our Superintendent
 Teaches English and Latin to Love and Led,
 To dramatics is his hobby, yet
 He's the best teacher that could be had.
 Miss Collier is our Principal
 Who is slender and quite small,
 She makes recitations interesting
 And is fair to one and all.
 Mr. Curtis teaches Mathematics
 In this line he's very wise,
 He's also a very good sport
 As from his looks you may surmise.
 Miss Myers is another of the corps,
 Home Economics is her line,
 She's young and pretty and gay, but she says,
 "Outside of school you may have a good time".
 Mr. Harris is very experienced
 In Agriculture and such,
 He seems to be a good teacher
 Down on upon everything does he teach.
 Miss Dohy is our Physical Trainer
 Exercises many does she teach,
 It's true that she's small but what of that
 Her friendship, all pupils do seek.
 Miss Silder teaches English and Grammar
 In Public Speaking she is grand,
 Full of pep and full of fun
 We all, be bet, at any time would stand.
 Miss Nichol leads us in Music
 She's a possessor of dark hair and eyes
 She's quick, alert and watches you close
 Watch your step, for goodness' sake she does.

Senior History

In the fall of 1919 forty-three students entered the doors of the Odebolt High School as Freshman, to decide their fates and possibilities for the future. We were welcomed by those whom we recognized as our instructors for the first year of joys and sorrows.

Time slowly moved on, in a few days we elected Leslie Freese as President of our class. With his pep and ginger he gave us a good start on our career.

It had been our ambition throout the Freshman year to be the largest class ever graduating from Odebolt High School. To our disappointment only thirty-two returned to share the joys and hardships of the ensuing year. Some decided that other lines of work were more beneficial, some were obliged to quit, and one entered into the ties of matrimony. As Sophomores we enjoyed numerous social affairs, which will be remembered as the happiest days of our lives.

Junior days passed swiftly and in the fall of 1922 we returned to claim the seats by the Seniors of yesterday.

As Seniors we numbered twenty-nine, which meant twenty-nine make good. We chose Clifford Cornish as our president. We decided to start the new year right with a party at Rachel's home. Clifford entertained us in the winter at a splendid party held at the home of Mr. J. S. Fishers and this spring Hilma gave us a fine country party.

We must now leave school with the determination to do our best in the outside world. We will strive in our lives to be worthy of the ideals and standards of our Odebolt High School.

Senior Poem

Listen, my people, and you shall hear
 Of the exploits of our class so dear;
 On the first of September in 1919
 Most of the class are still with us
 Who remember that famous day and year.

The class was a large one, some 40 or 50
 The whole high school agreed they were quite nifty,
 A good bunch of sports that they were proud to hold
 And were always willing to go ahead when they were told.

They all worked in harmony and with speed
 Do you remember how Catharine did read?
 She won second place in our Declam
 And we were quite proud that she was one of our clan.

In 1920, Sophomores were we—
 Our class now numbered some 41.
 Some of our class had dropped out,
 And you should have seen the rest of us pout.

We were the largest class, we were told,
 That ever entered O. H. S., so bold
 And then to have some of our friends leave us cold—
 Made us all feel as tho' we could scold.

In the Sophomore class few tears were shed
 As we from the Freshman class had fled
 And all were glad we had—
 For being in the same class more than one year—
 Is very bad!

As Juniors we gave a banquet grand—
 To the Seniors who then belonged to our band;
 The people of Odebolt all did say
 It was the grandest banquet a class could pay.

Now as Seniors we're leaving today
 To go into the world with a new game to play,
 Perhaps people think we are glad of the fact—
 But what would you do in a case like that?

Schoolmates—we bid you all farewell
 As into the rest of the world we go to dwell
 May God keep all of you in the best of health
 And blest with knowledge that always means wealth.

Senior Will

We, the Senior Class of 1921, of the Odebolt High School, of the city of Odebolt, in the county of Sac, and state of Iowa, being of sound mind, memory and understanding, do make our last will and testament in the manner and form following:—

To Wit:—

To the Juniors, to be used every day. Our vim and vigor or what is left of our Sunkist Raisins and the remainder of our English beauty clay.

To the Sophomores we hereby give without hinderance, let our stay the left half of our noble brains because we believe that they sorely need them. Also if they will call at the respective houses they may have some of our old shoes in case they wish to follow our footsteps.

To the Freshman, we hereby will the Sophomore seats which no doubt they would be more delighted to have than the Senior seats. Also we extend our hearty good-will to them and good luck in their seven years course in High School.

To the Teachers, we extend our hearty good hope that for their industriousness they get a fine position such as teacher at Arthur or Sch'eschwig.

The following prominent or not-so Seniors wish to will certain personal and household possessions to the following underclassmen:—

1. Ether Little hereby wills her red hair to Teddy Crum as she believes he needs something to liven him up.
2. Harold Raftcry hereby wills one-half of his future dates to Myron Bruning, Esq.
3. Rachel McWilliams hereby wills her beautiful blond hair to Inez Coltenbaugh.
4. Clifford Cornish hereby wills his presidents chair and gavel to any Junior with aspirations for hard work.
5. Mae Mandernach hereby wills eight inches of her height to Mr. Paul Fox.
6. Veryl Paul hereby wills his taxi service to Clement Dinges providing Clement brings the Cole to school.
7. Richard Linden hereby wills the mustache he used in the play to Mr. Chas. Guernsey.
8. The Senior class hereby wills to the Junior class 30 west assembly seats for them to play in, also to them goes the classes low grades and their dignity, style and perseverance. Furthermore, we hereby extend our good wishes and good luck to the coming Seniors, Juniors, Sophomores and Freshman and hope that they will carry on with as much energy as possible what we have tried to do.

"The Juniors"

Amid the slender elm trees,
The Odobolt High School stands.
The school—a trifle small in fact,
But vim and pep it does not lack;
And the Junior class of twenty-four,
Adds to its glory even more.

Juniors have come and Juniors have gone
And still they come along,
For we must have Juniors—we say
Just as every dog must have his day,
And so we hear them the best we can,
Until they are Seniors—and real men.

Some of the Juniors of this place
Are shy—timid and patient of face—
They earnestly study and brightly recite
But a reproving teacher gives them spasms of fright.

But others of that famed Junior class,
The approval to receive of some little lass
Constantly bread the strong, iron rules
Which the teachers of this mighty school
Hold o'er our heads
Our turbulent spirits to subdue.

A party was held by the Junior class at the home of Josephine and Louise Schmitz, Friday night, October 27, 1922. We all dressed as kids and carried toys. We were treated to all-day-sockers, upon arriving at Schmitz's. Some of our cats disappeared during the evening and more had to be made.

The Junior class had a party Friday evening, January 19, 1923 at the home of Gladys Carlson. Games and contests were enjoyed. One of the contests was to draw a picture of the person at your right with your left hand. Most of the works of art had to be named. Later in the evening a table was set and an oyster stew was had. The stew was fine only before serving pepper was spilled on the stove and some sneezing was had with the stew. But all who were present had a fine time.

BURDETTE NELSON

Last fall when we started our annual drive we promised the class that sold the most annuals, honorable mention in the Popper—The person who sold the most should have their picture in the Popper.

The Sophomore class should be proud of their member, Burdette Nelson, who sold more annuals than anyone else in High School. Burdette has the right sort of class spirit—she boosts all the activities—and as girls pep leader—we know she can't be equaled.

We, the Seniors, wish to thank Burdette for her interest and support of our annual.

Sophomore Class

The Sophomore class of 1922 held their first party at Mrs. Ada Hanson's, Friday, October 17. The party was well attended, twenty eight being present. Various games were played. Mr. Welsch and wife visited us for a short time. Both of them joined in our games. Refreshments were pumpkin pie with whipped cream, pop corn balls and apples. Everybody had a good time.

Another party was held at Gladys Paul's. We did not have quite so many guests at this party on account of the weather. Mr. Welsch, Mr. Curtis and Mr. Harris managed to plow through the snow drifts to come to our party. Light refreshments were served. Everybody reported a delightful evening.

Sophomores

The woes of a Sophomore are many—
Each day something new comes to light;
We spend all our cash but a penny;
So have to stay home every night.

Our pictures are taken for this thing,
Our pictures are taken for that—
How we dread to hear the 'phone ring,
For fear we'll be called on the mat.

On the stage some have to be actors,
Some have to be journalists wise,
While many there are who are factors
In backing each new enterprise.

But all goes to help in life's battles;
Experience is what we all need,
And that is the cause of this battle;
So, mercy for Sophomores, I plead.

Ode to the Freshmen

Freshmen are human beings but are the babes of High School. Smallest, youngest, first in one sense, last in another, yet not least. Most Freshmen are bashful, green; that is on the outside, but are ripe on the inside. They are bold and have a keen desire to look at the moon and to fondle it. They long to be famous like Tom Mix, Thomas Meighan and Betty Compson. They have a talent for music and love to sing sweet ballads. Freshmen are said to be vain but possess cold hands and a warm heart. They seem to be inexperienced in some lines but very experienced in others, such as fondness and good will. We've heard that their motto is "Get home early!" But really they seem to be very human and do not indulge in anything that might hurt the poor little things. Therefor we must watch over them so they may become beautiful and famous.

—A. H.—

The Freshmen this year are a lively bunch. But I think it is due to our able sponsor, Mr. Curtis.

The first party we had was a Halloween Masquerade party, Oct. 27, 1922 at the home of Francis Kistler. A very good time was reported by all.

The Freshmen had their second party out at Reik's. It was to be a bob-sled party but there was no snow so we went out in cars.

The car that Bill Linden was riding in had all the cats and he, thinking of something else, forgot all about the cats and they were taken back to town. When we noticed that the cats had been taken back, Mr. Curtis, Clarence Cornish and Willard Linden went back to town and got them.

We played games for a while and then the boys were given slips of paper with a part of a verse on it and the girls were given the rest and then we had to go and find our partner.

We then had our cats. Afterwards we had to return to town to get home in time so that we would not be sleepy in school Monday.

JUNIOR HIGH

The importance of the Junior High school receives more emphasis after we observe the progress, benefits, growth and development of like organizations throughout the U. S. The purpose of the Junior High school is to give each child bigger and better opportunities. The benefits of such an organization are numerous, but a few of which are readily noticed are: 1. It makes it possible for each child to have more time for study and recreation thus giving every student an opportunity to accomplish more. 2. It provides for a flexible curriculum, giving each child special work along a certain line and helping him to prepare and decide on a future vocation.

As a result of these benefits many Junior High schools have been organized in November, 1922 with the above-mentioned purposes and benefits in mind. In any state and Junior High school the sixth grade is included. We hope some day to find the sixth grade represented in this section.

JUNIOR HIGH ORCHESTRA

"The Pied Piper of Hamelin"—operetta given by the Junior High school, March 29, is the story of a selfish Mayor who is ruler over the modest little village of Hamelin. He is so selfish that he becomes indifferent to a plague of rats which the villagers have failed to abolish. The Pied Piper promises to rid the town of the plague for a thousand guilders and the Mayor, in a reckless mood, says he'll pay fifty-thousand. After the Piper fulfills his promise the Mayor refuses to pay even a thousand guilders, and the Piper proceeds to "Pipe in another fashion." He lures all the children to a distant mountain, leaving the village desolate. The story closed with the little lame boy, who has been left behind, dreaming of children who have been brought back by the Piper, dancing about him.

COACH WELSH

COACH HARRIS

Much of the credit for the successful season in football must be given to Coach Harris.

Mr. Harris had charge of the first team. He was experienced in that line of athletics and did his best to play clean. They were never discouraged even if they started them in the game. Although many of the boys were inexperienced the coach made creditable players out of them in a very short time.

Well supervised Athletics teach you many things you will use when your school days are over and you are out in the big game of "LIFE." The good sportsmanship, the clean living, and the right thinking which your coaches teach you will profit you many times over during life.

Mr. Welsh coached our second team, of which we were all very proud. They will now be ready to step into the vacancies next year made by the first team graduates.

FOOTBALL SQUAD

At the beginning of the school year the Athletic Association decided they would try to pay their own way through the year. To help do this the school board let the entire school have a work day. Each one was supposed to get a job for that day and bring in the amount which they earned. The money which the High School pupils earned was given to the Athletic Association, and the money that grade pupils earned was used to buy play ground equipment. Through the kindness of the faculty and their interest in Athletics the faculty gave a play which was indeed a great success. Half of the proceeds were given to the Athletic Association and the other half was given to the teachers for the Annual. The entire school was very enthusiastic about athletics which was clearly seen when from the number of boys who volunteered for football, there were more than enough for two teams. Although many of the boys were inexperienced, they were full of pep and ready to do their part. The second team played four games and were beaten once. It is very good to have a second team because then many of the smaller fellows will have a chance to get some training before they step into the places vacated by those on the team who graduate.

The attendance at the games showed that it was more than the school who were interested in the team. The High School showed an unusual amount of pep at the games, due partly to the efficient pep leader, Mr. Curtis.

The Athletic Association issued rewards in forms of letters and mementoes to those who participated in Athletics.

CANTANA VS CHEBOLT.

The opposing team was much lighter than our boys but they were a bunch of hard fighters and did not give up. End runs, forward passes and line smashes were used with great success by our boys. Even though the opponents knew they were defeated they fought to hold our boys back until the whistle blew.

FOOT BALL GAMES

MAYLETON VS CHEBOLT.

This was the first game of the season and indeed a hard fought and fast one. End runs was the chief means used for gaining yards by the opponents. Our boys fought hard to the end and took the loss of the game as good sportmen should. They got up a good fight and were not discouraged because they had the first game. The loss of the game was due chiefly to the end runs.

THE GUYE VS WICKBOLE SECOND TEAM

The Guye brought down a horse which greatly was weighed on boys but even though our boys were small they put up a very hard fight until the finish.

Owing to the hard fighting and quick thinking of our boys they were able to tie the opponents.

CLAN OF "O"

The organization known as the Clan of "O" has been organized this year. Anyone having earned a letter in any branch of athletics is entitled to become a member. There are only a few girls this year who are members, for only those who received monograms from basket ball last year were eligible. At the end of this year there will be many new members as those who participated in Physical Training will be admitted to the organization.

A letter is awarded to those who have played one-third of the playing time.

A Monogram is awarded to those who have played one-twelfth of the playing time.

A Numeral is given for continuation of service throughout the season.

Present members of the Organization are:

Leslie Freen	President
Louis Reis	Treasurer
Gladys Carlson	Secretary
James Level	Des Ellis
Pierce Gunderson	Lonny Hostetter
Paul Gunderson	Clifford Cornish
Roscoe Hedberg	Edward Meyers
Clement Dinges	Jess Purdy
Verl Paul	Floyd Kallmar

CROSS COUNTRY MEN

O. H. S. CROSS COUNTRY MEET

In the fall of 1922, shortly after school opened, Mr. Curtis took the boys who were not playing football out for Cross Country. The distance to be run was three miles. Even though most of the boys were light there were many and tireless runners who in the future may make some champion runners step lively to keep ahead of them. After about four weeks practice, a race was held. This race proved to be very fast and exciting. This is a new form of Athletics and we hope that in the future more of the boys will be interested in it and promote its welfare in the school. The results of the final race were as follows:—

Place	Name	Time
1 st	Eugene Fox	19:58
2 nd	John Reis	20:26
3 rd	Paul Fox	20:28
4 th	Rufus Fuch	22:47
5 th	Oliver Ellis	22:48
6 th	Edward Korneisel	22:58
7 th	Kenneth Engstrom	23:57
8 th	Stephen Caine	23:58
9 th	Howard Tenquist	27:27

WRESTLING 1923

During the winter while there was no other form of athletics to engage in, it was decided to have wrestling. Quite an interest was shown and the training was begun under the coaching of Mr. Harris. The team was preparing to go to Ames to the Tournament but were unable to carry out their plans. It was then decided to have meets with other towns. Meets were arranged with Ida Grove and Holstein but were called off later. We think these towns feared defeat. However, the boys have worked hard and deserve credit for their eagerness to promote this form of athletics in our school. Those who have been wrestling most or all of the time are:

Pierce Gunderson
 Clement Dinges
 Paul Gunderson
 Dee Ellis
 Louis Reis

Wesley Hammerstrom
 Veryl Paul
 Floyd Kallmar
 Rufus Fuchs

SAC COUNTY HIGH SCHOOL MEET

The first Sac County High School meet was held at Sac City in May, 1922. There were four schools which participated in this event, namely, Lake View, Wall Lake, Early and Odebolt. Odebolt's men had never before taken part in a track meet and had had very little training. There were nine men entered in the meet and all placed except one. Odebolt won the meet with a total score of forty two points and received the banners which we are very proud to have in our school. Lake View won second place with a score of thirty one points. The nine men entered for Odebolt were Clement Dinges, Paul Barclay, Roscoe Hedberg, Emmet Boehler, Louis Reis, Jimmy Level, Pieren Gunderson, Dee Ellis and Harold Rafferty.

We will have the County track meet in Odebolt this year and we sincerely hope this new form of athletics will be well received so that in future years Odebolt will be able to hold her own in this as well as in any other form of athletics.

THE POPPER

BASEBALL TEAM 1921

Last spring the boys were all very enthusiastic about baseball and a large number responded when the call for players was issued. Mr. Ambler had charge of the team and put in a lot of hard work with the players. The boys were never worried about their games but firmly believed that if they played hard they would win. A very good team was picked from the many boys who volunteered. Although Odebolt did not make such a grand showing in the County Tournament they defeated the winners of the Tournament in a hard fought game. The lineup was as follows:

Paul Barclay	Pitcher
Kennet Boehler	Catcher
Leslie Presse	First Base
Leo Schmitz	Second Base
Roscoe Hedberg	Third Base
Jimmy Level	Short Stop
Clement Dinges	Left Field
Pierce Gunderson	Center Field
Lloyd Richardson	Right Field
Lloyd Kallmar	Right Field sub.
Wallace Down	Catcher sub.
Charles Down	Third Base sub.

GIRLS ATHLETICS

PHYSICAL TRAINING

Physical Training is a new feature for the girls of the Odobolt Public School.

There are several classes consisting of Volley Ball, Tennis, Gymnastics, Folk Dancing and Games. More than fifty girls participate in this voluntary work, which proves they take a lively interest in their own athletics.

The Physical Training classes, including our Instructor, Miss Inlay, took hiking this winter, and in the spring gave a physical demonstration. A May Day Fete, in which every one taking Physical Training work will have a part is also part of the spring program. Another big feature of the spring will be track, and girls will participate in this as well as boys. The winner of the events will receive an honor of some kind, for her efforts shown.

The Physical Training classes meet twice a week from four until four forty o'clock. Gymnastics practiced one night and folk dances and games the other night.

It may also be added that there is supervised Physical Training from the third grade through the Junior High.

TENNIS

Tennis was among the girls' athletics, introduced this year by Miss Inlay. A tennis club of ten girls, many of whom were just learning and some were experienced players, played at different times during each week in the fall. They played off a tournament in which Marie Kornelisel proved to be the champion.

The result of the entire tournament is as follows:

Gladys Carlson	} Helen	} Helen	} Burdette	} Marie
Helen Krusenstjerna				
Mae Mandornach	} Marie	} Rachel	} Marie

CHAMPION

VOLLEY BALL.

A great deal of interest was created among the girls in Volley Ball this year. No doubt it was because of the enthusiasm shown by Miss Inley.

Every Monday and Wednesday night at four o'clock Miss Inley met the Freshmen and Sophomore girls. On Tuesdays and Thursdays at the same time she met the Juniors and Seniors. This made two nights a week for all of us and we were able to accomplish a great deal.

The classes were organized, each one having a captain. The Captains were:

Seniors	Hilma Olson
Juniors	Louise Boudier
Sopho	Olga Paul
Fresh	Ellen Pearson

The most interesting event was the Tournament played on the Tennis Court. Each class met every other class in a set of three games. Then the two winning classes met for the Championship. These two classes were the Freshmen and Sophomores. The Sophomores being the winners and will receive a silver trophy. This trophy will belong to this class permanently if they win the Tournament for three years consecutively, otherwise it will be given to the winning class each year. No doubt the Sopho will try hard to keep this, which will create much enthusiasm among the classes in Volley Ball.

Results of the Tournament:

Seniors	16	22	38
Juniors	5	52	42
Freshmen	27	41	
Sophomores	49	48	
Juniors	21	19	
Sophomores	26	22	
Seniors	8	19	
Freshmen	26	12	
Seniors	19	19	
Sophomores 1	19	20	
Juniors	15	12	25
Freshmen	17	27	12

Nearly all the Senior girls participated in it. Probably because they are now realizing the "joy" of school-life and especially Athletics and are getting as much enjoyment as possible—although we didn't get a Gym we have worked hard.

SONGS AND YELLS

Pep Leader	Mr. Curtis
Girls	Burdette Nelson
Boys	Alvin Kresenstjerna

Oh, who has the pep, Oh, who has the pep,
 Oh, who has the pep, the people say?
 Why we have the pep, yes we have the pep,
 Odebolt, I--O--Way.

Oh who's going to win, oh who's going to win,
 Oh who's going to win the game today?
 Why we're going to win, yes we're going to win,
 Odebolt, I--O--Way!

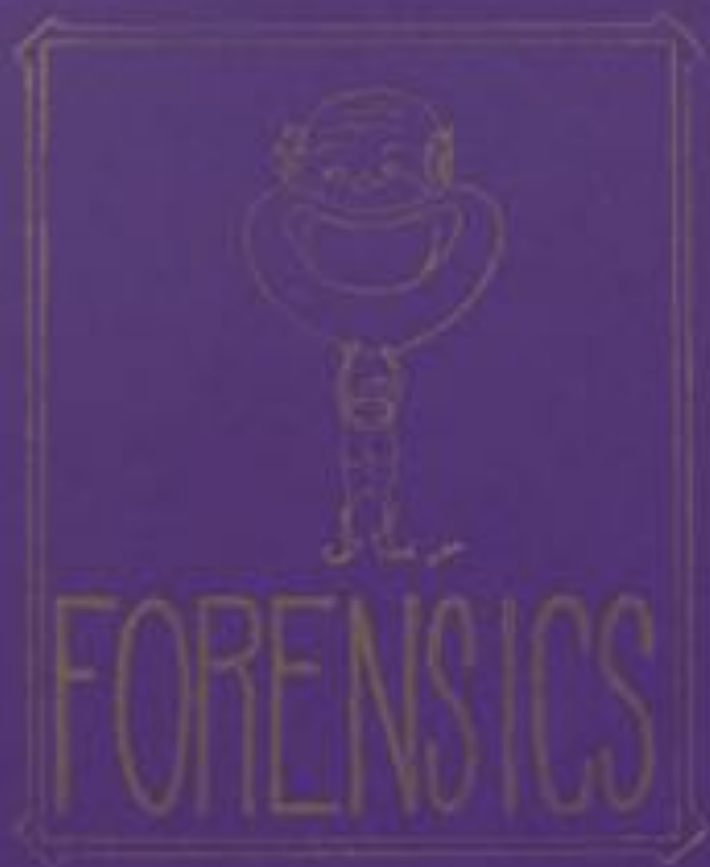

Rip saw, rip saw, rip saw, hang!
 We belong to the Odebolt gang.
 Are we in it?
 Well I should smile!
 We've been in it for a long, long while!

Take off your coat and collar,
 Go to work and root and holler,
 The way we'll beat old-----will be fine;
 And when the game is over,
 We'll be sweet in clover,
 That's the old gold and purple way.

Cheer boys cheer, Odebolt's got the ball
 My oh my won't-----take a fall
 For when we hit that line, there'll be no line at all.
 There'll be a hot time in the Old town tonight.
 Rah! Rah! Rah!

The Mule stood around with his foot on the ground
 The Mule stood around with his foot on the ground
 The Mule stood around with his foot on the ground
 Hee Haw-----

We ramble, we ramble, we ramble down the line,
 Make a touchdown every time.
 Yes we ramble, we ramble, the way we'll beat
 old-----will be fine. Rah! Rah!

The Senior class carried away all the high honors. Jessie Rice won first over all and first in dramatic with the selection "Christmas Substitute." Laura Coltenbaugh giving "A Plea for Cuba" received first in oratorical and Dorothy Down giving "At Home to His Friends" won first in humorous.

The sub-county contest was held at Lake View on February 16. The four towns participating were Lake View, Wall Lake, Auburn and Odebolt. Our representatives had been working hard and they did their best, but Lake View succeeded in winning two first places, dramatic and oratorical, and Auburn was given first in humorous.

A sectional contest was held at Ida Grove March 2. Ida Grove, Anthon and Odebolt were the towns participating. Ida Grove received two first places and Odebolt, represented by Dorothy Down, won first in humorous.

On March 16 a Sub-District Contest was held at Danbury. Mr. Welsch, Rachel and Mae accompanied Dorothy there. Even though Odebolt received no first, we know did her best and we are proud of her.

The party reported a "wonderful" time.

The question for debate was:—Resolved that the state should by proper and suitable legislation, hard currency all the primary roads and provide for a bond issue therefore.

Mr. Welch should be complimented upon the debating team which Odobott had had this year and which he has coached. Because of the splendid material and the good training, they have been able to win every debate. The members of the team were chosen from the argumentation class by a vote of the class.

The first debate of the season was held with the Ida Grove High School team, in the Presbyterian church, February 1. Odobott was represented by the Affirmative team comprising: Rachel McWilliams, Bessie Paul and Dorothy Down. The decision was 2-0 in favor of Odobott.

When one listened to the strong argument presented by the Odobott Affirmative team, supported with numberless references and authorities, one wondered what our Negative team could get up but we soon learned.

The Negative team, James Level, Doc Mills and Leyle Prosser, debated with the Magness team at the M. E. Church, February 21, and they too, won a unanimous decision.

On March 1, the Negative team debated with the Rockwell City team at Rockwell City and again they were victorious. The Odobott Affirmative team debated with See City at Odobott, the same evening. Here also the decision was 2-0 in our favor. These victories gave Odobott the championship of four counties, Sac, Ida, Callahan and Monona.

"WHOSE LITTLE BRIDE ARE YOU?"

A three act play presented by the High School Faculty December 14 and 15, for the benefit of the Athletic and Annual Funds, proved to be a great success and was attributed one of the best home talent plays ever given in Odebolt.

Dr. Bellows, a gay old widower with a lovely daughter courts an early love by mail and a marriage is planned. However, when Mrs. Tobin, the widow and her son George arrive, she is so changed from the friend of his youth, he would like to cancel the agreement and go back to the younger widow, Mrs. Eckron who has a daughter, Dolly. The first love determines to hold him to his bargain.

A young man, Algernon Clawhammer, Nephew of a college friend of the doctor's, comes to the Bellows home to win his daughter, and is mistaken for a butler who has been engaged. The real butler, Augustus May, is mistaken for the nephew and falls in love with the Maid, thinking her to be the daughter of the house. The real suitor falls in love with the daughter, suspecting her to be the maid. All ends as most plays do--"and they lived happily ever after."

ALUMNI

THE ALUMNI ASSOCIATION

The Alumni Association of graduates of the Oshkosh High School was organized in 1905. Except for the year 1920, when inadequate quarters for meeting purposes made a meeting impossible, they have held their annual business meeting and banquet.

In the world activities we find graduates of Oshkosh High School taking their share of prominent places. They were among the best during the world war and showed the true patriotism of our Oshkosh Alumni.

To the Class of 1922:

Just as the saying "You never miss the water till the well runs dry," may be applied to our high school days. The days we spend in high school, though perhaps not realized then, are days of golden opportunity. The traditions and standards of our high school are among the highest and are those which we can never forget. These prove to us the worth of anything, and as time proceeds we shall appreciate more and more the worth of our Alma Mater. Let us always strive to uphold the standards of the Oshkosh High School.

Sincerely yours,

Robert J. Van Meter, '21.

To the Senior Class of '22—

It is, indeed, a pleasure to have the privilege of writing a few words for the "Popper."

As I think back over our high school days and remember how I wished for Commencement and as I hear about your hopes, a truth comes to me which I wish to pass on to you. The tendency not to appreciate ones opportunities is common to all people, and it is probable that you, as well as others, have not taken advantage of all those that have been offered you. Let your realization of this fact help you as you go on in life to be awake to the opportunities that may be given you.

Yours sincerely,

Isaac M. Koster '23.

Dear Students of O. H. S.—

Three years ago I left Oshkosh High School, never again to enter its halls and classrooms as a student. I say this with a feeling of sadness for O. H. S. is dear to me but the times come to all when our High School must be left behind. So we cannot leave it behind, for there is not a day in our lives when we do not think of our high school days with all of their joys and sorrows.

I give you all my hope that when you reach that wonderful Commencement day that you will feel that your work in O. H. S. has prepared you to fight the battles of life bravely.

Sincerely,

Mary H. Stanzel '20

To the Class of '22—

Greetings to the class of 1922 from a class which can not appreciate the strength of the bonds of friendship forged during four years of happy recollections in high school. May you always be true to the ideals for which our O. H. S. has loyally stood. May your commencement be truly the beginning of a richer, fuller life made possible by these qualities inculcated during your high school days.

Sincerely yours,

James L. Bruce '18.

"THE DRESS REHEARSAL"

The Glee Club girls of O. H. S. presented an operetta in the Princess on March 22, 1923, entitled, "The Dress Rehearsal". The main characters were:

Dora Hoff	Amy Fibbs or Cinderella
Ferna Waggoner	Rose Jennings or Fairy God Mother
Eunice Glad	Miss Jones
Josephine Schmitz	French Governess
Louise Schmitz	Sophorsiba Spivins
Myrtle Paul	Sarah Ann
Burdette Nelson	Martha Higgins
Helen Krusenstjerna	The Spiteful Sister
Veima Muskey	Clara Wilkin the Prince
Alvina Schramm	Prudence Pinchback

At the beginning of the play Miss Jones has promised the girls that they may give a Shakespeare charade sometime in the future. They don't like Shakespeare so they have worked up Cinderella, without consulting Miss Jones first as she is very much opposed to anything except Shakespeare's works.

Miss Jones has hired a much talented lady, Mrs. Jarvey to take charge of her pupils in learning a charade.

Mrs. Jarvey appears and all the girls are eager to find out if she will let them put on Cinderella. When they are left alone with her, they explain everything and are allowed to do so, since they have all learned their parts.

Miss Fibbs as Cinderella just rehearsing her part in the play when Prudence Pinchback comes in. She believes that Prudence is abused and sympathizes with her. Just as the play is going at its best Prudence Pinchback arrives with a policeman, to take away the poor child. Then everything comes to light that they were rehearsing and she promises to bring her niece and some of her friends along to the school.

There was a fairly good crowd and about \$39.00 was taken in. After the show the girls were treated at Briggles by Miss Nisbet our instructor.

Teaquist: "Say, I ain't no gos-

Jim: "I suppose you bore them to death?"

Wine, woman and song are the ruination of young men. Our fellows have reformed. They've given up song. We have no Glee Club.

THIRD PSALM--REVISED EDITION

Mr. Welsh is my teacher. I shall not pass,
 He maketh me to give a speech before the whole class,
 He exposeth my ignorance in public,
 He restoreth my sorrow. He causeth me to study all night for my
 grade's sake.
 Yea though I study until midnight I shall not gain knowledge, for
 his questions sorely trouble me.
 He prepareth a test for me in the presence of my fellows.
 He giveth me a low grade, my sorrow runneth over.
 Surley distress and sadness shall follow me all the days of my life
 and I shall dwell in O. H. S. forever.

Jessie: "Gee, I wish I was taking Gymn."
 Hilma: "No I'd rather take Moss."

Won't somebody give me some advice,
 How to be naughty and yet be nice?
 Hopefully-- Anna D.

Miss Nisbet: "Will the boy in the empty seat please turn around."
 Josephine: "Har, Har, Dee told me he was going to give you his picture."
 Louise: "A-hum, Well it will stand on the ice-box."
 Miss Eyres: "How many seasons are there?"
 Oliver: "Three, baseball, football and track."
 Miss Cutler: "Let us keep quiet so that everyone can talk."
 Senior: "Where are you after first period?"
 Bright Freshie: "In the second period."
 Miss Inlay assures her history class that she will bother them with
 no dates this year.

Miss Snider: "Spell Caesar."
 Clement: "The verb or the noun?"
 Mae: "Do you like indoor sports?"
 Hilma: "Yes if they don't stay late."

A man--When he is born his mother gets the attention, at his marriage
 his bride gets the attention and at his funeral his widow
 gets it. Poor Fellow! When does he get it?

Laura: "What shall we put after Helen's picture?"
 Clifford: "Sweet 16 and never been kissed."
 Verney: "Well I know you can't say that about Helen."

Lewis:-
Do you want to be my
Fella D'n Dee?

Dum: "What tense do I use when I say I am very beautiful?"

Bell: "Remote past."

In economics reading about the starvation of so many peasants in Russia.

Catharine: "Are those birds or people?"

Gee: "That girl is like a snow bank."

Gally: "How come?"

Gosh: "Looks cold and is cold but melts easily."

Darn: "You don't say?"

Chuck: "How did your dad know you had the car?"

Dinges: "I ran over him."

June: "This will be a six weeks examination."

Bug: "I can't that long."

Louis: "When I graduate I will step into a position of \$2,000. per."

Stub: "Per what?"

Louis: "Perhaps."

Mr. Welsch introducing Postmaster Larson who was going to address the assembly: "I don't know whether he can tell you more about the game of postoffice than you already know."

Rachel: "Will we wear our medals on our dresses?"

Mr. Welsch: "Well, I'd think that would be the best place to wear them."

"I ought to get a kick out of this," quoth the farmer boy as he jabbed the mule with a pitchfork.

Mr. Welsh: "If a big boy hit a little boy and then stood and laughed at him, what adjectives would describe him?"

Rachel: "Haughty."

George: "No, naughty."

Mr. Harris hastily giving announcement to football men in assembly: "I want all the men out tonight with suits on if possible. If not be sure to wear your shoes."

Leb to Miss Cutler: "Say (pardon me for calling you say) but this is what I was going to say."

Little words of warning
 Little Scoldings now,
 Make the mighty Seniors
 Sit up and wonder how.

"My time has come," said the boy as he unwrapped the package from Sears Roebuck containing a new watch.

Mr. Harris in discussing varieties of apples, "Verney, did you ever see a Maiden Blush?"

Miss Snider: "In what case is book?"

John: "In the book case."

"That's the man I'm laying for," said the hen as she saw the farmer cross the road.

"Did you hear about the hold up?"

"No."

"Two clothes pins held up a shirt."

A smile.

It's full of worth and goodness too, with many a kindness blent,
 It's worth a million dollars and doesn't cost a cent.

After Christmas vacation.

Clement: "Gee, I'm glad to get back to school."

Louis: "How come?"

Clement: "I need the rest."

Gladys: "Reid is dead."

Louise: "Ruth and Jacob."

Miss Eyres calling Chronicle Office: "This is the public school house talking."

Kate shopping in Co-operative: "Give me a dozen butter please."

Miss Eyres: "Where do we get sulphur?"

Fred H. "At the drug store."

Miss Cutler: "I'd like to see the Seniors for about 5 minutes after school it won't take any of your time."

Jim noticing crabby expression of assembly teacher, "Cloud up and rain back there."

Dorothy to Rachel: "Rachel that is just the sweetest picture of you. It looks like a little dolly you see at the ten cent store."

Rachel: "Rather Cheap eh?"

Kate to Mr. Harris in Agriculture: "It isn't good for so many of us girls to sit together. We whisper too much." ? ?

Clement: "Yes, let me sit between them."

In passing to new Normal Training Room, Clement announced, "What's this a bedroom?"

Miss Eyres: "What would happen if you got too close to the sun?"

Russell: "I would sunburn."

Mr. Curtis: "Eunice why were you late to class?"

Eunice: "Because the bell rang before I got here."

Mr. Welsh: "Mr. Fayville will cost us about \$50.00."

Rachel Mc.: "My, what a dear man."

Poor: "Can you write shorthand?"

Simp: "Yes, but it takes longer."

The Popper may be funny,

The school gets all the fame,

No one receives any money,

And the staff gets all the blame.

Gladys: "But where will I get the money to pay for that?"

Mr. Harris: "Are you going to the movies this week?"

Gladys: "Yes, but I'm not going to pay my own way."

(She might do as the fellow who was offered a cigar and said he didn't smoke but would like to have the nickel.)

Miss Eyres: "What is mercury?"

Freshie: "Mercury is something that cuddles up in a little ball."

HASH

In a small town often called a **Berg**, lived a little girl who was quite **Pardy**. One of the boys, named **Paul**, liked her and was very **Glad** when he was allowed to accompany her anywhere, of course a number of other **Hix** liked her also.

Everyone loved this **Little girl**, even the animals. She was not afraid of any beast because she loved them so. Among the animals she loved best was her **Guernsey cow**. The cow was always gentle unless annoyed by a **Fox** that lived close by. One night when she was milking the cow under the old **Linden tree** it began to **Snow**. This was too bad because our **Little girl** was without wraps and was afraid she would **Freeze**. She began to cry, and hearing her cry the cow felt badly for her and **Ballard**. **Paul** heard the cow and hastened to see what the matter was. He took her home and she was so glad that she fixed some **Rice**, with buttered **Crumbs** which were **Freyed brown**.

You may not believe this story but it is all on the **Level** and written **Down** in black and white.

In economics we were discussing whether various goods were consumer's goods or could be made capital. Cake was the goods under discussion. **Laura C.**: "Use the crumbs to bait a mouse trap."

Miss Snider: "Where do strawberries grow."

Harrison R.: "In the ground."

Mr. Harris in exams: "That is the third time you've looked at Rachel's paper."

Esther: "Yes sir, she doesn't write very plainly."

Mr. Curtis: "Verney, why don't you ever have your lessons?"

Verney: "Well I had so many lessons to get last night that by the time I decided which one to do first I had a headache and had to go to bed."

Miss Tuttle: "What was the date of the landing of the pilgrims?"

Hilma: "Well I have so many dates I can't quite recall it."

Joe: "Oh, I don't like skinny people one bit."

Dee: "Neither do— well—a—sometimes." (We wonder what made Dee change his mind)

Mr. Ambler: "Why is it that cars run better at night?"

Ruth S.: "Because the atmospheric pressure is different."

(Ting-a-ling-a-ling) (Firebell)

Respected member of faculty: "Damn that firebell."

Rachel: "They say people with opposite characteristics should make the happiest marriages."

Harold R.: "Yes, that's why I'm looking for a girl with money."

We worked by day and toiled
by night,
We gave up play and all de-
light,
Dry books we read, Debate
to learn,
And forged ahead, success to
earn,
We plodded on with faith
and pluck,
And when we won they call-
ed it luck.

Of my old Ford everybody makes fun,
They say she was born in 1901,
Maybe she was, but this I'll bet,
She's good for many a long mile yet,
The windshield's gone and the radiator leaks,
The belt slips and the horse power squeaks,
She shakes the screws and the nuts all loose,
But I get 40 miles on a gallon of juice.
When I can't get gas, I burn kerosene,
And 'ave driven home on Paris Green.
She has a rattle in front and a grind in rear,
And a Chinese puzzle for a steering gear,
Her coils are dead and her sparks won't fire,
And her piston rings are bailing wire,
But in spite of all she pulls me through,
And that's all any car can do.
With high priced cars they give you the tools,
And some extra parts and a book of rules,
But some wire stretchers and a pair of shears,
Are all I've carried in fifteen years.
And if I live to see the day,
When she falls to pieces like the one horse shay,
And if Hank Ford still stays in the game,
I'll buy me another of the self same name.
Life is one trouble after another.
Love is two darned fools after each other.

I used to be a Freshman,
I wasn't very green;
I grew to be a Sophomore,
I was smart as any seen;
I then become a Junior,
I learned to pass the bunk;
I am now a brilliant Senior,
I hope I do not flunk.
Now I lay me down to rest,
When I should study for a test.
If I should die before I wake,
Then I won't have no test to take.

After sympathetically considering the hardships endured by the underclassmen due to their ignorance, we the Seniors do, with the kindest intentions compose the following laws derived from our own experience, and upon which we expect all underclassmen to meditate profoundly.

1. Don't come to class on time. It might annoy the teacher.
2. Freshmen—Don't park your kiddie cars in the lower halls.
3. Pass notes instead of whispering—It causes less disturbance.
4. Bob your hair if you wish to move in the best circles.
5. Talk out loud in the Physics Lab, so Mr. Curtis will know you are busy.
6. Don't yell at the football games. It annoys the players.
7. Don't enter Debate or Declamatory, you might lose.
8. Don't cry little Freshmen, don't cry—you'll be Seniors by 'em by.
9. Don't let the Seniors kid you.
10. Don't carry compacts to school.

Norman: "Oh, I can't see nothing anyhow."

Proverbs:

Early to bed and early to school, makes a bright pupil out of

A lie in time saves nine.

It is never too late to cram.

Forgive and you shall be forgotten.

Oh where, Oh where has my little
ring gone?
Oh where, Oh where can it be?

Whatever troubles A-
dams had,
Seems could make him
wax

By saying when he told
a joke,
I've found that on be-
fore.

There's Nothing in it
Oh! You walk like nothing

And you talk like nothing

Nothing seems to be
your aim

And you look like nothing

And you act like nothing

Nothing and you are the
same

Oh! You can't learn
nothing

Cause you don't know
nothing

I forgot more than you
ever know

And the only way I can
figure you out

Is nothing from nothing
leaves you.
