"School isn't what it was when I was a boy," says Grandfather, when we mention having heard and seen Eisenhower speak on TV at school. "Things weren't like that in my day," comments Aunt Abigail, when we bring home the reports of our I Q tests. Dad and mother join the chorus when we tell them that we go to All-State Band in Des Moines next week, and to a basketball clinic in Sioux City the week after that. In fact, we have heard so often that "times have changed" that we sat down and pondered the subject. And we arrived at the conclusion, that, indeed, times have changed. School isn't what it was fifty, forty, thirty years ago. But then, what is? We no longer travel by horse and buggy; we don't communicate by smoke signals; we don't read by candlelight, nor cook in open fireplaces. We live in an age whose keynote is progress, and our schools must progress to keep pace with the changing order. We need progressive schools to prepare us to live in the world of tomorrow.

Last October, the people living in the area already being served by the Odebolt Independent School District, voted to form a new district to be known as the Odebolt Community School. That area comprises approximately one hundred eighteen square miles, and includes the towns of Odebolt and Boyer. In January, a new school board was elected, representing both the town and the rural areas. The new organization becomes effective on July 1, 1955.

We of the Class of 1955 are happy to have had our school life marked by an event of such importance. We are proud to be in a position to dedicate our volume of the TROJAN to the ODEBOLT COMMUNITY SCHOOL, and, in so doing, to salute the spirit of Progress which it represents. Our school has accomplished much in the past; prospects are bright for its accomplishing even more in the future.

William Halbois
I'd rather be a farmer than President.

Dale Gardner
Work fascinates me. I could sit and look at it for hours.

Douglas Herrig
A real nice guy, a real good friend, one on whom you may depend.

LaDon Hoefling
A football man; a basketball man; and last but not least, a ladies' man.

Gary Hogue
Heaven sent him down; Heaven knows why.

James Gunderson
We thank the school for the chance we had to make the acquaintance of such a lad.

Patricia Hurreman
She can start her voice and then go away and leave it talking.

Robert Hummel
I'm an angel??

Janith Gunderson
Dainty, modest, fair is she, a charming maid we all agree.

Jerry Iversen
Early to bed and early to rise -- and you miss a lot of interesting things that don't go on in the day time.

Donna Johnson
Good and kind, her graces show her. We are lucky just to know her.

Marlin Gunderson
Future Manager of Iowa Hog Sales.

Kenneth Johnson
Gangway you other

Helen Lanning
She has a pleasant way and
is nice and friendly.

Edrie Leeds
Bright, snappy, full of fun.

Harold Miller
The best way to make a
friend is to be one.

Ronald McGonigle
It's fun to study . . . I bet.

Charles Mandernach
His pleasing personality is
known to all his friends.

Lorraine Neville
Calm and sweet, just grand
to meet.

Shirley Schomer
Her heart is like the moon,
There's always a man in it.

Arlene Schwaller
Quiet? We wonder.

Darlene Paul
A mischievous kid, this gal,
but yet everyone thinks
she's swell.

Lynn Souken
A girl worth knowing.

Janet Taphorn
Nobody's enemy, but
everybody's friend.

Russell Paulsen
As a student he does shine;
as a friend he is fine.

William Wallace
I favor a 3-day weekend.

Colleen Weifenbach
She's always jolly and carries
a smile.

Sharon Roberts
Can't help loving that man
of mine.

Joseph Wiegert
I will either find a way or
make one.

Miriam Youngren
Nurse Miriam, who will
cure them or lose them.

Robert Scanlan
You couldn't call him
bashful.

1955 CLASS HISTORY

Everyone's education has to have its beginning, and we, the class of 1955, were no exception. One bright beautiful day in September of 1942, a group of proud mothers dragged their little darlings up the north steps of the Grade School Building and into Miss Kelch's kindergarten room. There were twenty-five of us in all; namely, Gary Buehler, Jeanine Buehler, Kay Burtner, Janice Crain, Ronald Flogstad, Judith Gundersen, Dennis Huff, Robert Hummel, Jerry Iversen, Caroline Klackhohe, Mary Krohn, Marvin Longnecker, Charles Mandernach, Lavonne McAlhen, Margaret Meals, Craig Morr, Donald Muir, Robert Scanlan, Shirley Schorner, James Turner, William Wallace, Mavis Wangler, Colleen Weifenbach, Fatsy Horstman, and Charlotte Erickson. We will always remember the church services we held every morning in the little red church, and the wonderful times we had playing in the playhouse. We drove Miss Kelch almost insane by eating her graham crackers, when she locked us in the closet.

But we were headed for longer hours and harder studies, so we crossed the hall to Mrs. Lundblad's first grade. At last we could go to school all day and didn't have to take an afternoon nap. In the process of moving, we lost Marvin Longnecker, Robert Scanlan, William Wallace, Margaret Meals, and Janice Crain. We gained Lois Albrecht, Helen Loomer, Ronald McGoogle, and Edward Huff.

The next year we moved on to Miss Swanson in the second grade. Added to our number were Phil Maltusen and Warner Quirk, but we lost Edward Huff, Lavonne McAlhen, and Gary Buehler. The highlight of the year was the grocery store we built and each one took his turn being storekeeper.

In our short trip across the hall to Miss Barber's third grade, we lost Lois Albrecht, Donald Muir, Craig Morr, and Caroline Klackhohe. To make up for our loss Roger Oxendale, Jerry Purcell, Lois Boerner, and Colleen Weifenbach joined our number, making a total of eighteen. There were some of us who could read better than the others, so they proudly sat in the first reading group while the rest of us sat in the second.

When roll was called in Miss Carlson's fourth grade, we found Roger Oxendale and Jerry Purcell missing. However, we added to our roll, Barbara Currie, Darlene Paul, Dean Johnson, and Pat Sorenson, giving us a total of twenty. The most important event during the year came when we all gathered in the hall to sing Christmas Carols.

After fourth grade we jumped high enough to enter Miss Jensen's fifth grade room, on second floor. We lost Mavis Wangler and Warner Quirk but gained LaDoe Hoefling and Sharon Roberts on the way up. At first we got rather tired after climbing the three long flights of stairs. We always looked forward to the day when the teacher's boy friend came to visit school. Each of us had our turn at teasing poor teacher about him.

In sixth grade, Miss Benning seemed to quiet our teasing mascot. We lost Dean Johnson but gained several new faces. Among them were Jim Gundersen, Marlin Gundersen, Gary Hogue, Russell Paulson, Roger

Kim, Jolene Lange, and Miriam Youngren, making our number stand at twenty-six.

The following year we joined the eighth and sixth grade in the Junior High Study Hall. Everything was so different -- extra curricular activities, class parties, more teachers, fewer subjects, study hall, and those unmentionable citizenship marks. It was no wonder we received so many citizenship marks because some of us were pretty good at throwing erasers and chalk. In the process of moving, we lost Jolene Lange but we gained Kenneth Johnson, Harold Miller, and Lynne Sorenson.

The eighth grade was pretty much the same as seventh grade except the new faces that were added to our number. They were Emily Bergman, Patricia Feed, Shirley Hast, Jerry Hepp, Carol Johnson, and Lorraine Neville. During the last year we lost Sharon Roberts and Patricia Feed.

The next thing we knew we were freshmen. We were still in Junior High but we could take part in high school activities, such as, chess groups, dramatics, F. F. A., and athletics. From the country schools, the parochial school, and schools from other towns, we added to our roll call Paul Miller, Teresa Viet, Janet Taphorn, Arlene Schwaller, Edna Leeds, Helen Lausink, Marilyn Landgraf, Philip Coburn, Joseph Wingers, Bill Wallace, Loren Thies, Robert Scanlan, Robert Martiens, Larry Lindstrom, William Kasperen, Douglas Herrig, Darnell Brown, Dale Gardner, and Bill Halboth. We lost Jerry Hepp and Shirley Hast, but we still had a grand total of fifty-three, one of the largest classes we have ever had.

The next year we took a big jump to the new building to continue our high school career as sophomores. Our sophomore year gave us more privileges, our own lockers, and home rooms, but we had more new teachers and harder studies. The only thing we didn't like was being looked down on by the juniors and seniors. We gained Sharon Roberts. In the transfer we lost Carol Johnson and Robert Martiens, and we gained Tom Brown, Robert Lappegard, and Jim Moller. During the year we lost Robert Lappegard and Jim Moller.

Our junior year is remembered by two outstanding events: the Junior Class Play, and the Junior-Senior Banquet. Also during the year we sold at basketball and football games and selected our class rings. We lost Teresa Viet, Pat Sorensen, and Ronald Flogstad and gained Robert Martiens. The second semester we lost Paul Miller and Larry Lindstrom.

Finally we made the last jump in our high school career. We are seniors!! It was a long grind but we made it with a grand total of forty-five. Since last year we have lost Loren Thies and Darnell Brown. Those who have traveled all thirteen years together are Jeanine Buehler, Kay Burtner, Judith Gundersen, Robert Hummel, Jerry Iversen, Charles Mandernach, Shirley Schorner, Fatsy Horstman, and Charlotte Erickson.

As we, the seniors, leave Odleboft High, never to come back again as students, we take with us many fond memories of our school days. We only hope that as we go our separate ways, our town and school will have some reason to be proud of us.

Kay Burtner and Jeanine Buehler

JUNIOR CLASS

Open your eyes! Take a good Look!

One more year and we'll be out of this book! As seniors we will strive to make that the best year of all.

The first semester Dick Hanson filled the office of president with Bob Girvan in the vice-president position. Rollyn Stehr wrote the minutes and handled the finances.

The second semester Bob Girvan moved up to president with Diana Vaughn as vice-president and Jim Nuetzman taking over as secretary-treasurer. Our class sponsors were Mrs. Olson and Mr. Tuttle.

Our class went all out to put on the hilarious play, "The Arrival of Kitty." Representatives of our class also played key roles in the very successful football, basketball, and track teams under our new coach. Many in our class were also active in speech work. We also have many talented musicians, some of whom traveled to the All-State Festival and received "I" ratings at the state contest. We were rewarded for our hard work of selling at games by a very successful Junior-Senior Banquet.

As we rise to the top level of our high school education, we hope to fulfill the responsibilities expected of us as leaders in high school. We will appreciate everyone's support during our senior year.

With thirty-nine members, the Sophomore class began its first year in the high school building in September, 1954.

The sophomores have been well represented in all extra-curricular activities. Some of the number went out for football, basketball, and track in the athletic department. More than half the class played in band and sang in chorus and glee clubs. Five sophomores were selected for All-State Chorus. Many were in small vocal and instrumental groups and played and sang solos. Others participated in declam work. This year was the first year for this class to sell food at basketball games and over the noon hour. That venture has been highly successful, as was the one class party held to date, a masquerade party.

The sophomores are an alert, alive group, which will make their mark in OHS history. Move out of the way, upperclassmen, and make way for the Seniors of '57!

The freshman class began the year with forty-one pupils, but by the middle of the second semester numbered only thirty-seven strong.

The highlight of the first semester was a skating party at the Ida Grove skating rink. Each person was entitled to invite guests.

The freshman girls co-operated with the senior homemaking class to have a Christmas tea for the mothers and faculty members. The class of 1958 is well represented in the extra curricular activities with 11 in band, 12 in Girls' Basketball, 17 in Girls' Glee Club, 17 in Mixed Chorus, and 6 in Boys' Basketball.

The freshmen look forward to being an even more vital part of the high school student body when they move over to the other building next fall.

SENIOR SHOP

This is a two-semester course for senior boys only. There are nine boys in the class, Ronnie has enlisted some help to work on his boat. Some of the other projects made were gun cabinets, book racks, TV chairs, small tables, and coffee tables.

SPEECH

This course is elective and is given for only one semester. The chief purpose of a course in speech is to teach how to express ideas clearly. Phil Melhuson is doing a good job here, judging from the interested expressions of several people in the class.

CHEMISTRY

Chemistry is a full year course offered to both boys and girls, although only boys appear in this picture. They are working with acids and bases. It appears that Gary is diluting something under the watchful eye of Dale.

BOOKKEEPING

The bookkeeping class numbers thirty-three, about half of them boys. They have so much work to do that even a photographer didn't distract them.

English Literature acquaints the pupil with the rich heritage which is his, in the works of famous authors, and it gives him, as well, a foundation for study of his own language. The girls here are engaged in some group project, but the boys apparently have nothing to do with it.

Vocational Agriculture is a nation-wide, federally planned program of instruction in agriculture for farm youth in high school. Through its classes, the students learn better ways of managing farms and better methods of agriculture in general. F. F. A. is a world wide organization, planned to promote successful country life, and is a very important part of vocational agriculture.

Government is required, and is given for one semester to seniors. The study of Government is designed to make every graduate an enlightened, well-informed citizen. Mr. Tuttle must have told another of his jokes, for he has quite a sense of humor.

Vocational Homemaking classes endeavor to help the students become better citizens of the community through the teaching of homemaking and management. Edris Leeds, Helen Lassink, Charlotte Erickson, Sharrn Roberts, Emily Bergman, Arlene Schwalliet, and Judith Gundersen are practicing their sewing skills.

Just two weeks before school started, the Odeboit Trojan football squad started their practice under Coach Richard Tande, a graduate of Buena Vista.

After a month of training the Trojans went into their first game against Wall Lake. It showed that the '54 team was good on offense as well as defense. The Trojans really didn't make any spectacular play on rushing or passing, but the Tuttle bunch came out on the long end of the score as they did in five other games.

The Kingsley game was one in which the Trojans had to really show their stuff. At the end of the half, Odeboit was trailing by a touchdown. In the opening play of the second half, Hoefling ran 30 yards for a touchdown putting Odeboit in the lead for the first time. The Trojans led up to the end of the game, but in the last play, Kingbey made a touchdown, which tied the score. This made our record one win and one tie.

The Moville game was characterized by short runs by Nuetsman, Paul Bengford, and Hoefling; good blocking; and throwing Moville back for some losses, so again the Trojans won.

Conventusville and Marcus were next on the list, and these two games turned out to be a rest for the Trojans. They gave an opportunity for the second and third teams to show their ability.

The following week was Homecoming. Emily Bergman, as queen, and Bob Martiens, as king, ruled over the festivities of the evening. Odebolt played Manilla that night. Out to avenge their 33-12 loss in '55, the Trojans were fired up and they still had an undefeated record at the end of the game. Odebolt 13- Manilla 0.

Sac City was next on the schedule. This was one of the most talked about games in the community. Could Odebolt beat the Sac Indians? The Trojans, outplaying Sac in the first half, held them scoreless. The courageous Trojans suffered defeat when Bill Karpenen, hurt in second quarter, and LaDon

Hoefling, hurt in third quarter, were taken off the field. This took the spirit out of the boys and so the Indians proved too much for the Trojans, who fell in defeat but not disgracefully. They played hard football all the way and the Indians knew they had played a football game.

The next two games turned out to be a contrast to the first games of the season. Odebolt bowed to Ma Grove 28-0 and then to Holstein 26-0. The season's record was 5 wins, 3 losses, and one tie.

Many thanks should be given to the ardent supporters of the Trojans, who gave them the will to win. Thanks are also due to Coach Baum for a fine scouting job. Finally congratulations are in order for Dick Tuttle, who coached the Odebolt Trojans through a fine season.

Marvin Gunderson and Dale Gardner stop Kingsley on this play. Kingsley tied up the score in the last three seconds.

One might think Paul Bengtson is stopped on this play, but he drives on to make the first touchdown in the Manila game.

Quarterback LaDon Hoefling made a touchdown on this play when Marcus kicked off.

Faul gained a few yards around end with the aid of Marlin during the Wall Lake game.

If you can't run through them, jump over them. This is just what Faul is doing in the Menville game.

Menville tried a plunge through the center, but was stopped dead on this play.

BOYS' BASKETBALL

WON 19 LOST 4

We are proud of the fine record our basketball boys have made during this 1954 - 1955 season. The team will lose a number of seniors next year, including 4 out of the first 6 regulars. The team had some very tough games this year and likewise some thrillers. More than once they won games by only 1 or 2 points.

During their 23 games this season the Trojans hit 37.8% of their field goal attempts and 54.5% of their free-throw attempts. This made an average of 61.5 points per game, while their opponents averaged only 48.6 points per game. One noteworthy accomplishment was that the Trojans managed to avenge their numerous defeats by Early last year. They were behind by a considerable margin when the first half ended, but during the second half they showed excellent teamwork and won the game.

This year the team won the county tournament and the county conference; they placed third in the Maple Valley Conference. The Trojans won the Sectional tournament by 1 point when they defeated Ida Grove. They were runners-up in the District Tournament.

Bill Halboth averaged 16.7 points per game. He was followed by Bob Girvan, 10.9 points; Charles Mandernach, 10.5 points; Othel Johnson, 7.8 points; LaDon Hoefling, 7.7 points; and Bob Martiens, 3.4 points per game.

The team will be hurt by the loss of this year's seniors, but if they show the fine spirit which they had this year, prospects for next year look even better than this year's splendid record.

Back row: (left to right) Mr. Baum, Lynne Sorksen, Dianne Berglund, Josephine Gunderson, Kay Koder, Bonnie Kaanch, Iate Leonard, Marilyn Lange, Judy Wallace, Karen Geyer, Jean Thies, LaDonna Miller, Patsy Scanlan, Sharon Roberts, and Miss Hunter. GIRLS' BASKETBALL

WON 17 — LOST 4

The Trojanettes completed another fine basketball season this year, climaxing it by winning the Sac County Tournament for the fourth year in a row. They defeated Nemaha 54-37, Auburn 44-38, and Schaller 62-59, to take the county crown. During the Sectional Tournament the girls had a little bad luck when many of them were sick. They defeated Vail 63-36 and Auburn 49-35, but in the final round Schleswig defeated Odebolt 44-43.

During the season the Trojanettes scored 1148 points for an offensive average of 54.6 points per game. The guard court did a very fine job this year. They held their opponents down to 47.4 points per game. The Trojanettes made 33.1% of their field goals and 56.5% of their free throws.

This year three seniors have ended their highschool basketball careers. They are Shirley Schomer, Charlotte Erickson, and Junith Gunderson. All three have performed very well during the season.

Freida Miller was top scorer for the Trojanettes this season with a total of 408 points. She was followed by Jean Hanson with 388 points, Junith Gunderson with 273 points, and Judy Ogden with 79 points. Freida did a good job at the free throw line by making 65.2% of her free throws.

Prospects for next season look good. There will be four regulars back on the team along with some very good reserves. If the girls keep up the fine spirit they had this year, Odebolt can look forward to an excellent team again next year.

WRESTLING

The boys saw action on Wednesday, March 2, when they staged several matches between the basketball games played to raise money for the Ground Observer Corps. (The faculty men won their game with the business men and farmers.)

Paul Bengford is trying to get a hold on Russell Paulson.

From all indications, Jerry Bengford is getting the bottom end of this match, with Don Taylor on top.

Larry Waldemar has Kenneth Johnson in an uncomfortable position.

TRACK — 1955

The Trojans have had some very tough competition in track this year. Odebolt's team was in Class A, while all of the other schools in the Maple Valley Conference were in Class B.

To start the season the track boys went to a dual meet at Sac City on April 5. Sac City earned 90 points, while Odebolt earned 67 1/2. On April 7 the Trojans entered the Holstein Relays, and received 2 points. On April 15 they participated in the Pocahontas Relays; on April 16, the Tomahawk Relays at Cherokee; on April 22, the Sac Relays; and on April 29, the Spencer Relays where they earned 2 points.

At this writing the Trojans have several meets ahead of them: The Maple Valley Meet, May 3; The Carroll Relays, May 6; The Storm Lake Quadrangular, May 10; The District Meet at Holstein, May 13; and the State Meet, May 21. Their accomplishments in those meets will be recorded in the school calendar on page 72.

Although the Trojans have scored few points at the track meets, their individual records have been very good. Paul Bengford has run the 100 yard dash in 10.5 seconds and the 220 yard dash in 23 seconds. Paul also has been pole vaulting at 9 feet, 9 inches. Jim Nuetzman has been running the 180 yard low hurdles in 22.7 seconds and has been broad jumping 19 feet, 5 inches. LaDon Hoefling has been running the 180 yard low hurdles in 23.5 seconds and has been pole vaulting at 9 feet, 9 inches. Dale Gardner has been throwing the discus for 110 feet and the shot put 37 feet. Othel Johnson has been throwing the discus 105 feet. LaDon Hoefling, Rollyn Stehr, Jim Nuetzman, and Paul Bengford have run the 440 yard relay in 47.5 seconds.

The track team is constantly improving and with twice as many freshmen and sophomores as there were juniors and seniors, next year's team promises to show improvement.

Majorettes

Back row: Junith Gunderson, Kay McFarland, Emily Bergman. Front row: Freida Miller, Darlene Paul, Carol Herrig.

The performance of the marching band at every home football game started our music season last fall. The marching band, capably led by Darlene Paul, carried out a different theme at each game. The baton twirlers were Junith Gunderson, Emily Bergman, Freida Miller, and Carol Herrig. Flag-slinger was Kay McFarland. A trophy was presented to the school for the band's performance in the Popcorn Day parade at Ida Grove. The band was scheduled to perform at Morningside's Band Day, but rain cancelled those plans.

Tryouts for all-state band and orchestra were held at Spencer and the following band members made the trip to Des Moines for the annual All-State Music Festival: Charles Madermach, Jeanine Buchler, Miriam Youngren, and Marilyn Landgraf.

The concert season opened with the instituting of the challenge system. Everyone desiring to become a member of the band had to tryout for a position in the band. The activities have been varied during the season; the senior band, consisting of 52 members, gave its annual Christmas and spring concerts; the pep band and ensembles entertained everyone at the basketball games; and a dance band was organized this year.

Pep band members participated in the County Band at Sac City in February, which was a part of the annual County Music Festival. The "Battle of the Bands", a joint program presented by the bands of two schools, was held with Denton this year.

The band greatly appreciated the help and advice given by the Band Boosters organization throughout the year.

STATE MUSIC CONTEST

FOR SOLOS AND SMALL GROUPS

April 1 and 2, 1955

This clipping, taken from the Sioux City Journal, tells the story of the state music contest which was held in Odebolt this year. Since this was a state contest, the ratings given are very significant.

I, given to 5 to 15 per cent of the contestants, indicates a superior musical performance.

II, given to 15 to 40 per cent, shows a good performance, but one lacking the finish of that of I ratings.

III, given to 10 to 30 per cent of the contestants, is the mark of an average performance.

IV, given to 5 to 25 per cent, shows poor preparation.

The complete list of Odebolt's ratings follows:

Odebolt Set to Host Horde of Musicians

Odebolt, Ia.—Special: Odebolt will resound with music Friday and Saturday after 800 pupils descend on the town to participate in the state music contest for class C schools.

Thirty-three schools will be represented by 700 different entries in vocal and instrumental music for small groups and solos and examinations for student conductors.

The contest begins at 8 p. m. Friday with sessions held in the high school, Presbyterian, Methodist and Mission churches. Saturday sessions will start at 9 a. m. and continue throughout the day and evening with the last event scheduled for 8:15 p. m.

St. Martin school, the Odebolt Lutheran and Trinity Lutheran churches will be additional sites for events staged Saturday.

Judges named for the contest are Paul Beckheim of Cornell College, Mount Vernon, piano solo; Eunice Boardman of Grinnell, Christ Mikolaj of Charles City and Mr. Beckheim for vocal music; Clair Faust of Garden Grove, Donald Fidler of Iowa Falls, Henri Kalesowski of Charles City and L. E. Wintermeyer of Iowa City, instrumental music.

Schools sending contestants to the meet are: Akron, Albert City, Alta, Anthon, Aurelia, Charter Oak, George, Hawarden, Holstein, Ida Grove, Kingsley, Lake View, Laurens, LeRoyville, Manilla, Manson, Mapleton, Milford, Odebolt, Orange City, Paulina, Pocatowas, Pomeroy, Racineville City, Sioux Center.

The following schools, in addition to those listed, will enter pupils in the examination for student conductors: Lake City, Lytton, Jefferson, Missouri Valley, Storm Lake, Onawa, Southern and Rock Rapids.

This is the first year that classes A, B, C and D contests for solo and small ensemble groups will be held separately, thus alleviating severely crowded conditions in the contest centers.

Sixty citizens have volunteered services as timekeepers, registration clerks and for other duties that are required to efficiently operate a contest of this size. Local clubs and various church organizations are making preparations to feed the horde of visitors.

WNAX FORUM

"Should Our Schools Be Operated on a Twelve-Month Basis?" That is the topic discussed by the panel members on the WNAX Forum this year. The program was recorded on January 13 and rebroadcast on March 7 at 7 p.m. by the WNAX Radio Station in Sioux City.

Members of the panel were Ellen Dresselbuis, Charles Mandernach, and Gary Hogue. Each presented his views of a plan for school twelve months a year. Ellen gave some financial advantages of the plan, while Charles and Gary told about the problems of enrollment, vacations, athletics, and public savings under such a system.

After the speeches, the audience directed questions about the topic to the panel members.

On April 18, at 4:30 p.m., the same group, together with the panel members from Yankton, South Dakota, appeared on a television program from the studios of K V T V in Sioux City. Also appearing on the program was a young student from Finland, Johan Mannil, studying in the U. S. on a Fulbright scholarship. An interesting discussion on the problems of youth in Finland and the United States took place.

Art Smith of WNAX takes a question from Karen Zimmerman.

JUNIOR CLASS PLAY "THE ARRIVAL OF KITTY" A FARCE BY NORMAN L. SWARTOUT

On December 20 the three-act farce, "The Arrival of Kitty," was given in the high school gymnasium by the Junior Class.

The scene of the play is the peaceful and quiet hotel, the Halcyon House-- quiet that is, until the Winklers arrive. The Halcyon House is in the capable hands of Ting, the bellboy, played by Ted Schomer, and Sam the colored porter, played by Jim Nuetzman. William Winkler, whose schemes to marry off his niece against her will first upset the Halcyon's tranquillity, was outstandingly portrayed by Rollyn Stehr. Jane, the niece with a mind of her own, was Marlene Seyder. Ellen Dresselhuus played the third Winkler, Aunt Jane, the woman with the money who was looking for a husband. Marlene Lundell, the French maid, always arrived in time to rescue Aunt Jane from a fainting spell. Bob Baxter, who was the young man William Winkler tried to keep his niece from marrying and who masqueraded hilariously as Kitty, was portrayed by Bob Girvan. Carol Herrig was cast as the title character, Kitty Benders, whom she portrayed realistically. Benjamin Moore (Ted Bengford to us) creates a merry mixup when he arrives by proposing to three different people ("people" is the word--one of them was Bob masquerading as a woman) before he finally marries Aunt Jane Winkler.

The members of the Junior Play Cast had a great time producing a hilarious play and wish to thank Mr. Shaw for the time he spent and the patience he displayed while teaching them some of the rudiments of acting.

ONE-ACT PLAY

The one-act play chosen for the speech contest was "Trifles" by Susan Glaspell. The play reveals a tragic story. A man has been murdered and his wife is under arrest. Two officers and a neighboring farmer come to the house to search for evidence. Two women friends divine the whole story, by means of "trifles," of a woman driven to desperation by cruelty and neglect. The play was staged without any properties.

SENIOR CLASS PLAY

"Pride and Prejudice"

A Romantic Comedy by Jane Austin

Presented by the

Senior Class of O. H. S.

May 9, 1955

High School Auditorium 8 p. m.

CAST OF CHARACTERS

Mr. Bennet, an easy going man Phil Meltnzer
 Mrs. Bennet, his flighty wife Patsy Hornsman
 Jane, their gentle daughter Darlene Paul
 Elizabeth, their independent daughter Marilyn Lundquist
 Mary, their bookish daughter Jeanine Baehler
 Catherine, their betrothal daughter Emily Bergman
 Lydia, their flirtatious daughter Shirley Schotner
 Mr. Collins, a pompous young clergyman Bob Hummel
 Mr. Bingley, a friendly young man Charles Mandersack
 Miss Bingley, his haughty sister Sharon Roberts
 Mr. Darcy, a proud young man Jim Gundersen
 Lady Catherine de Bourgh, his overbearing aunt, Judith Gundersen
 Lady Lucas, a neighbor Lynne Senken
 Charlotte, her daughter Donna Johnson
 Mr. Wickham, a young officer Gary Hogue
 Hill, a maid Miriam Youngren

The play concentrates on Mrs. Bennet's determination to get her five daughters married during a period when a woman's one possible career is matrimony. To be a wife was success. Anything else was failure. Jane and her Mr. Bingley, and Lydia with her Mr. Wickham, are quite content with things as they are, but not Elizabeth! She actually refuses to marry Mr. Collins, whom she openly disdains, and Mr. Darcy whom she secretly adores. The duel between pride and prejudice makes a lively evening's entertainment.

HOME COMING 1954

HOMECOMING 1954

On Thursday, October 14, nearly everyone in high school went outside in their free periods to decorate the huge Homecoming sign in front of the High School Building.

Homecoming really started off with a bang with a parade and pep rally downtown on Friday at 3:00. There were many pep talks and yells to spur the Trojans on to a victorious game with the Manilla Hawks. Of course, Homecoming wouldn't be complete without a Homecoming Queen. This year a Homecoming King was added. Five senior boys and five senior girls were selected by the student body and one of each was revealed as King and Queen Homecoming night. The queen candidates were Emily Bergman, Marilyn Landgraf, Miriam Youngren, Darlene Paul, and Jeanine Buehler. The king candidates were Bob Marteins, Charles Mandernach, Roger Kies, LaDon Hoefling, and Paul Bengford. Kindergarten attendants were Rosemary Dinges (flower girl), Rodney Einspahr, and John Mason (crown bearers).

Preceding the crowning, which took place before the Odebolt - Manilla game, the queen candidates and kindergarten attendants encircled the field on a float, decorated by the Senior Class, and were escorted to the crowning platform by the king candidates. Emily was escorted by Roger, Marilyn by Charles, Miriam by LaDon, Darlene by Paul, and Jeanine by Bob.

Superintendent Ogden stepped onto the platform and opened a sealed envelope, containing the names of the king and queen. He then crowned Emily Bergman as queen and Bob Marteins as king. The king and queen and their attendants reigned over the remaining Homecoming activities.

Following the game the Alumni had a meeting and lunch in the study hall. The annual staff sponsored a dance in the gym which ended another delightful Homecoming for OHS.

FUTURE FARMERS OF AMERICA

Several different phases of Agriculture were studied and carried on in the Vocational Agriculture classes and F.F.A. during the year to make the studying and experiences of the members varied and interesting.

During June of 1954, Jim Neutzman, Larry Neville, Jim Howard, Dick Hanson, Bill Kaspersen, Rollyn Stehr, and Ted Meents, accompanied by Mr. Lynn, took a camping trip to Spirit Lake for three days to do a little fishing.

July 1 our new instructor, Mr. Miller, moved to town. With his help we managed to have a successful pop and watermelon stand at the Community Fair on August 2-3. On the last day of the fair, we entered the F.F.A. float in the parade and received two ratings in the farm youth division.

Larry Neville, Jim Howard, and Ronnie Hogue, along with Mr. Miller, went to the Spencer Fair for a day.

On September 16, Harold Miller and Mr. Miller went to the Soil Judging School held at Ida Grove. On September 25, Harold Miller, Nolan Schnuckel, and Jim Howard, accompanied by Mr. Miller, went to the Soil Judging Contest at Sac City where about 90 teams participated. Gold, silver, and bronze awards were given and the team received a silver award.

October 4 was the big day at the town hall when the F.F.A. sponsored a pancake day. The Fidelity flour company of Denison furnished the food. It added about \$50 to our treasury.

The National F.F.A. Convention was held at Kansas City on October 11-14. Russell West, Lloyd Roeder, Nolan Schnuckel, and Larry Neville accompanied Mr. Miller to the convention.

In November the F.F.A. presented Marlene Snyder with a Chapter Sweetheart Jacket.

Marlin Gunderson and Bill Kaspersen were chosen co-captains of the basketball team with LaDon Bernhardt acting as coach. The team lost by one point to the Wheeler Booster 4-H team.

For a week in December, the F.F.A. sold rat poison to the farmers in the area to help build up the treasury.

There are 20 members in this Chapter and they have meetings the first and third Monday of every month. There are five freshmen, six juniors, and six seniors in the Chapter.

The 1954-1955 officers were Bill Halboth, president; LaDon Bernhardt, vice president; Jim Neutzman, secretary; Bill Kaspersen, treasurer; and Dick Hanson, reporter.

Back Row: (left to right) Paul Bengford, Larry Geyer, Dick Hanson, Jim Neutzman, Bill Halboth, Bill Kaspersen, Harold Miller, Lloyd Roeder, Larry Kaspersen. Front Row: LaDon Bernhardt, Bob Scanlan, Dennis Bengford, Ronald Hogue, Russell West, Jim Howard, Patrick Scanlan, Robert Taphorn, Marlin Gunderson, Nolan Schnuckel, Mr. Miller.

SCHOOL CHRONICLE

Every Monday afternoon the stenography class edited the School Chronicle, which is printed the following Thursday in the Odebolt Chronicle.

Donna wrote the features while Shirley interviewed and reported on special persons of the week. Marilyn chose the senior high news as her duty and Edrie took care of the junior high news. Every Monday noon Lois and Colleen made a trip to the grade school building to pick up their news. The hot lunch menus and occasional interviews were written by Lorraine Neville. Junith wrote the editorials and kept a scrapbook of each week's news. The group worked under the direction of Miss Bruce.

The staff has strived to keep everyone up-to-date on all school activities. It wishes to thank the Odebolt Chronicle for their co-operation in establishing this link between the school and the community.

Standing: Miss Bruce, Marilyn Landgraf, Lois Boerner, Colleen Weisenbach. Seated: Edrie Leeds, Junith Gundersen, Lorraine Neville, Donna Johnson, Shirley Schmetz.

STUDENT COUNCIL

Back row: (left to right) Donna Johnson, Clifford Schroeder, Othel Johnson, Jon Naetzman, Douglas Herrig, Mr. Ferguson. Front row: Deanna Vaughne, Judy Ogden, Charles Mandornach, Norma Strick, Bob Martiens.

This year, for the first time, Odebolt High School has a student council. A constitution was written and enough students signed the petition to put the council in force. The constitution provides for officers and delegates and gives powers and duties to the council.

An election committee was set up and on March 1, 1955, the election was held. Since each class was allowed to nominate a person for each office, three candidates were up for each office. Each class also elected two delegates to the council.

The Student Council will be an important part of school life from now on. It gives students the opportunity to handle jobs and activities which would otherwise fall on the teachers. A point which will help all students, not just officers and delegates, is that each student will have a voice through the council in helping to bring about changes which will improve school activities and policies.

As our Student Council was just formed this year, it has had little opportunity to carry on many activities, but in the coming years it is sure to be an important part of high school life.

TROJAN STAFF

In the spring of 1954 the class of '55 met to elect the personnel of the 1955 Trojan Staff. They were James Gooderson, editor-in-chief, Miriam Youngren, assistant editor, and Gary Hogue, business manager. These three with the help of Miss Bruce and Mr. Ferguson, selected the other members of the staff.

Roger Kies and Charles Mandernach were chosen to solicit advertisements in Odebolt and near-by communities. Their aim was to exceed the amount last year's staff had raised, and, by much effort and much expenditure of time, they reached their goal.

Marilyn Landgraf, Barbara Carrier, and Phil Mitten were in charge of the layout of the Trojan. Theirs was a hard and an important job, for they were responsible for the placing of all pictures and copy.

Robert Hummel and Kay Buettnor were responsible for informing the teachers when the pictures would be taken and for getting the students assembled.

Judith Gooderson and Lois Boerner were chosen to prepare all the copy. Endless typing could never be more appreciated than on this job.

Jeanine Boehler, Fatsy Hurtman, and Darlene Paul were in charge of the sales carnival. Their duty was to sell subscriptions and to organize the concessions at the carnival, and they did an outstanding job. In that connection, we wish to thank the Green Bay Lumber Company and its Manager, Bob Rockdäschel, for helping us set up our food concession.

Emily Bergman, Bob Mariens, and Sharon Roberts used their art ability in drawing the pictures in our book and thereby gave it a distinctive touch.

We of the annual staff do not wish to take full credit for the 1955 Trojan. Without the guidance and advice of Miss Bruce, our sponsor, our staff would have been lost. Many thanks go to Miss Bruce for all her sacrifices and the time she devoted to our cause.

We are also indebted to Mr. Hedstrom of the American Yearbook Company. His suggestions and knowledge of publishing were of much value to us.

A record of high school events could not be complete without pictures. Again this year we are fortunate that Loren Baber of the Skylight Studios has contributed his time and effort in taking our pictures. We deeply appreciate his work on our behalf.

Where will we get the money, was a big question at the first of the year. But the Odebolt businessmen and those in surrounding communities solved our problem. Their generosity in advertising and contributing has even exceeded that of former years, and has made it possible for us to produce again a quality yearbook.

Last, but not least, we would like to thank the faculty of the Odebolt School. Their cooperation during staff meetings and picture taking was of much help to the staff.

Now, another year has passed. Another class will leave OHS to face the realities of life. We have done our best to put in our book many of the lasting memories of our golden days as seniors. We believe we have accomplished our goal by editing a book worthy of the class of 1955.

The 1955 Trojan Staff
