COMMUNITY SCHOOL

FOREWORD

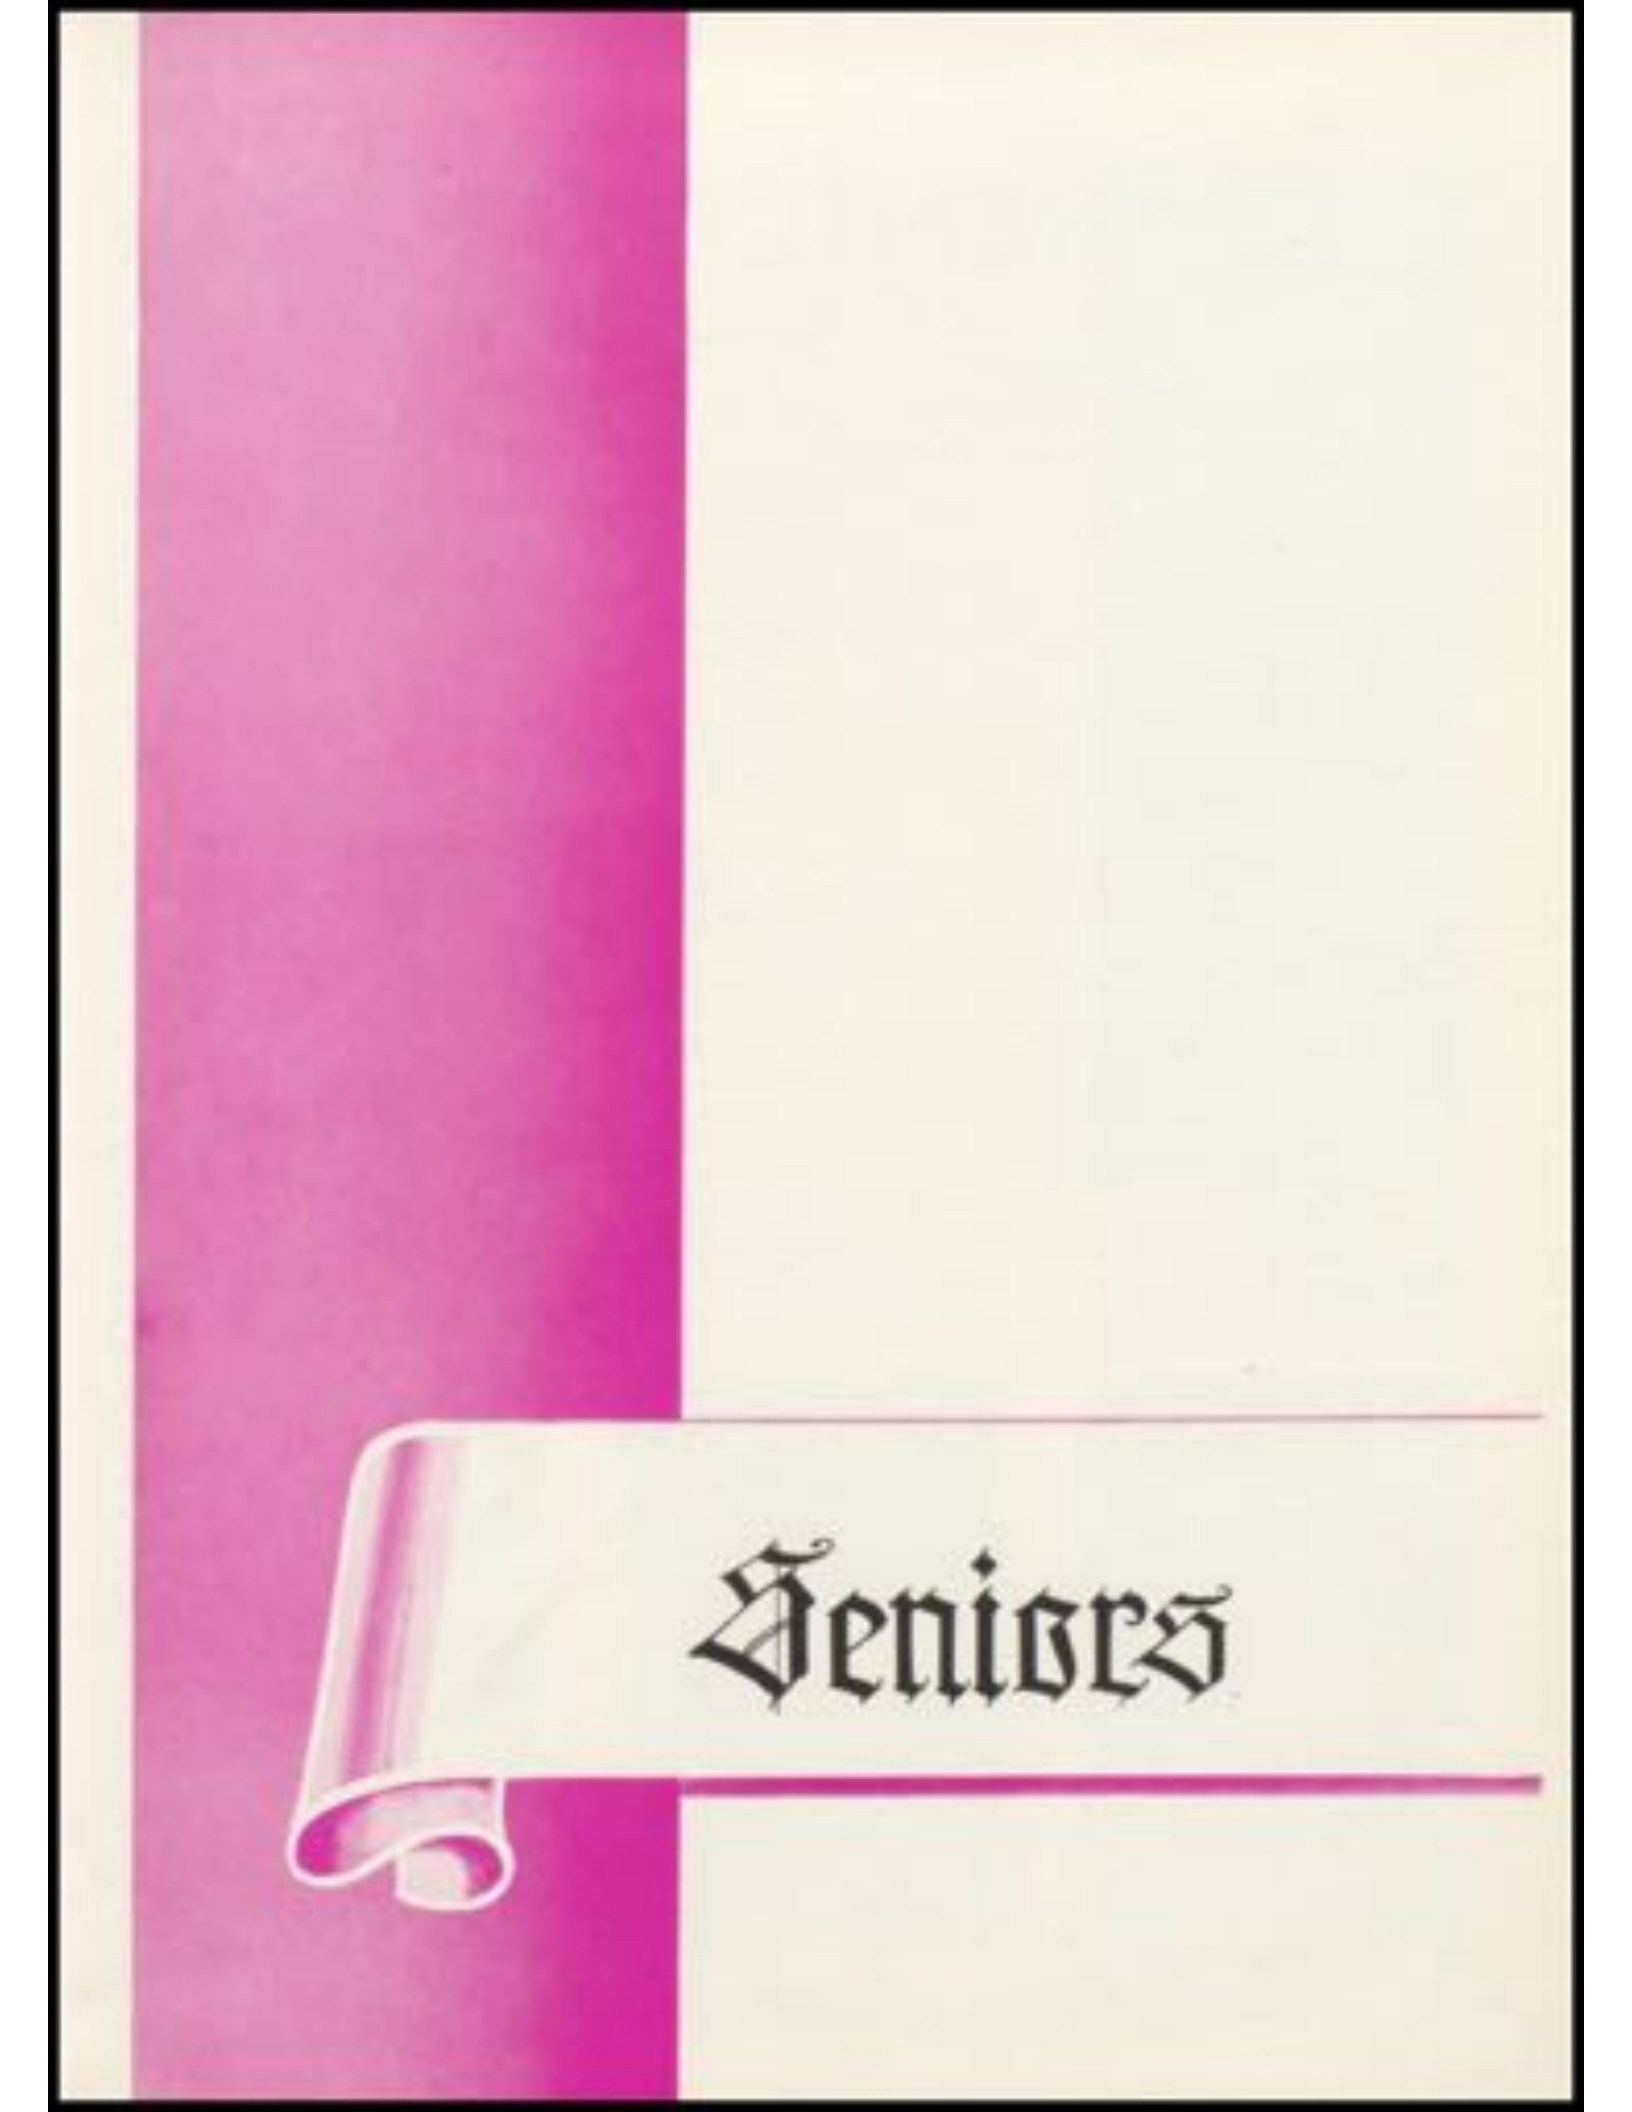

This has been a year unlike any other for the student body of the Odebolt-Arthur Community School. We have adjusted to wading through mud, finding the doorway barred by construction work, and detouring around the building to get in or out. Frequently we have been spared a recitation period because of a pneumatic drill which threatened to come through the floor—but never did. We have learned to live with noises, vibrations, dust covering everything, and such minor inconveniences. All of them, however, have been overshadowed by the pleasure we have had in watching a dream come true.

Every accomplishment was first a dream, an idea, or a goal. The architect must first envision his building before he draws his plans and blueprints. The mason follows a plan in laying his brick and tile to make an acceptable part of the completed structure. As we seniors of 1958 approach our high school graduation, we realize that we, too, are architects, for our lives must have a definite plan if we are to make them worthwhile.

It has been an experience to live through the planning stage of our school reorganization and our greatly enlarged building. As we go forward to build our dreams, our ideals, and our goals, may we profit from the truths so graphically presented, and shape our lives to conform to a master plan.

HOMECOMING

October found the Student Council making ready for Homecoming and the students eager to participate in its activities. At the close of school on October 4 the band set the pace for the royal party and the student body to parade from the school to the business section for a spirited pep meeting.

The crowning ceremonies accompanied by the Odebolt Marching Band started the evening's festivities. Superintendent Ogden opened the sealed envelope containing the names of the fortunate young couple. Dean Johnson and Sandra Higby reigned as King and Queen with their royal princesses—Diane Bengford, Travis Lamons, Marilyn Lange, and Janette Youngren; and the royal princes—Dennis Bengford, Ralph Cowlham, Ronald Hogue and Richard Thayer.

The crowns were carried on satin pollis by kindergarten attendants Susan Watts and Steven Sundell.

The Trojans made the evening more successful by defeating Correctionville 19 to 0.

A dance in the gymnasium was sponsored by the alumni. Following the grand march led by the King and Queen, everyone enjoyed an evening of dancing—a perfect climax to a perfect 1957 Homecoming.

SYNOPSIS

Dad is a terrific efficiency expert, and it's his firm conviction that what works in the factory will work in the home. Despite his high-school-age daughters' interest in boys and dates, Dad rushes ahead with better organization for his large and delightful family. While this provides humor and fast-paced action, there's an important meaning and imperative reason for it all. Dad has a heart condition which he's keeping a secret from the family. That's why he's doing his best to make his family efficient and get them as far along through school as possible. The three older girls don't understand why Dad regards their interest in dates as a waste of time; nor does Dad understand high school girls. When Dad is about to leave for Europe, he becomes aware of how much Anne has grown up. At the same time, Anne realizes the truth about Dad. Their understanding then becomes complete.

BOARD OF EDUCATION

This Board of Education, together with Robert Danenberg who resigned when he moved out of the district in January, 1958, has been charged with the responsibility of an extensive building program. They have traveled many miles to examine buildings and equipment in use elsewhere, and they have spent countless hours deliberating about our local situation. The school district is greatly indebted to them for their unselfish community service.

MRS. DORIS JOHNSON, Secretary to the Board of Education and Secretary to the Superintendent.

ONE-ACT PLAY

"Ladies of the Mop" is a play in rhyme and rhythm. Annie, a faded, fluttery woman has not lost her dream of the stage; Mattie, a sober, unimaginative soul with a toneless voice, dreams of being a concert pianist; Hallie, loud, robust, full of energy, will take dancing; Bessie, dignified and the sole admirer of her own voice, could have been "singin' at the Met." Annie proposes that they entertain themselves while they eat their midnight snack and rest from their scrubbing the stage. This is their opportunity to live their dreams of performing. So Mattie, Janette Youngren, plays a piano number; Bessie, Nancy Currie, sings; Annie, Sandra Higby, gives a melodramatic reading; and Hallie, Bonnie Raasch, does a ballet. Following a disagreement, all four perform simultaneously until the factory whistle breaks their spell and reminds them of their unfinished work. Though they've never been famous nor had the glory they've dreamed of, they're proud to be "Ladies of the Mopping Line."

The School Chronicle Staff wishes to thank Miss Bruce and the Odebolt Chronicle for helping to make the school paper a success.

Last May, the shorthand class chose Peg Sonichsen to be editor of the school paper for the year 1957-58. It was her duty to write the editorials and keep a scrapbook of school activities. LaVon Belstene was responsible for writing a feature each week, Genevieve Raasch, senior high news, Beverly Paulson, junior high news, Diane Bengford and Jolene Kropf, kindergarten through fifth grades, Arlene Nielsen, Arthur news, Alice Godbersen, Boyer news and the hot lunch menu.

Each Monday, stenography class is spent preparing the copy for that week's edition. It has been a valuable experience for the girls, and the staff hopes the School Chronicle readers have enjoyed each issue.

FUTURE FARMERS OF AMERICA

The Osceola Chapter of the Future Farmers of America under the Presidency of Richard Thayer included 37 members in the 1957-58 school year. Other officers were Vice President Dennis Bengford, Secretary Duane Buehler, Treasurer Darrell Buehler, Reporter Bill Stock and Sentinel Darrell Hering.

Activities in the Chapter gift ring included assignment of purchased Durac gifts to Bill Carlson and Floyd Renak, and purchased Landrace and Chester White gifts to Don Hoefling and Bill Ogren. From these assignments the Chapter expects seven gifts in return to be assigned to other members or sold.

Six members including Duane Buehler, Roger Siebrecht, Bill Carlson, Bob Mitchell, Bill Ogren and Kenneth Weisenbach, accompanied by Mr. Miller, attended the National FFA Convention in Kansas City, Missouri on October 15, 16, and 17, 1957. Highlights of the convention included addresses by former President of the United States Harry S. Truman, United States Senator Edward J. Thye of Minnesota, an address Erik Bohemen of Sweden, Assistant Secretary Edward Fox Wilson of the Department of Health, Education and Welfare, and Governor Cecil Underwood of West Virginia, presentation of American Farmer Degree and

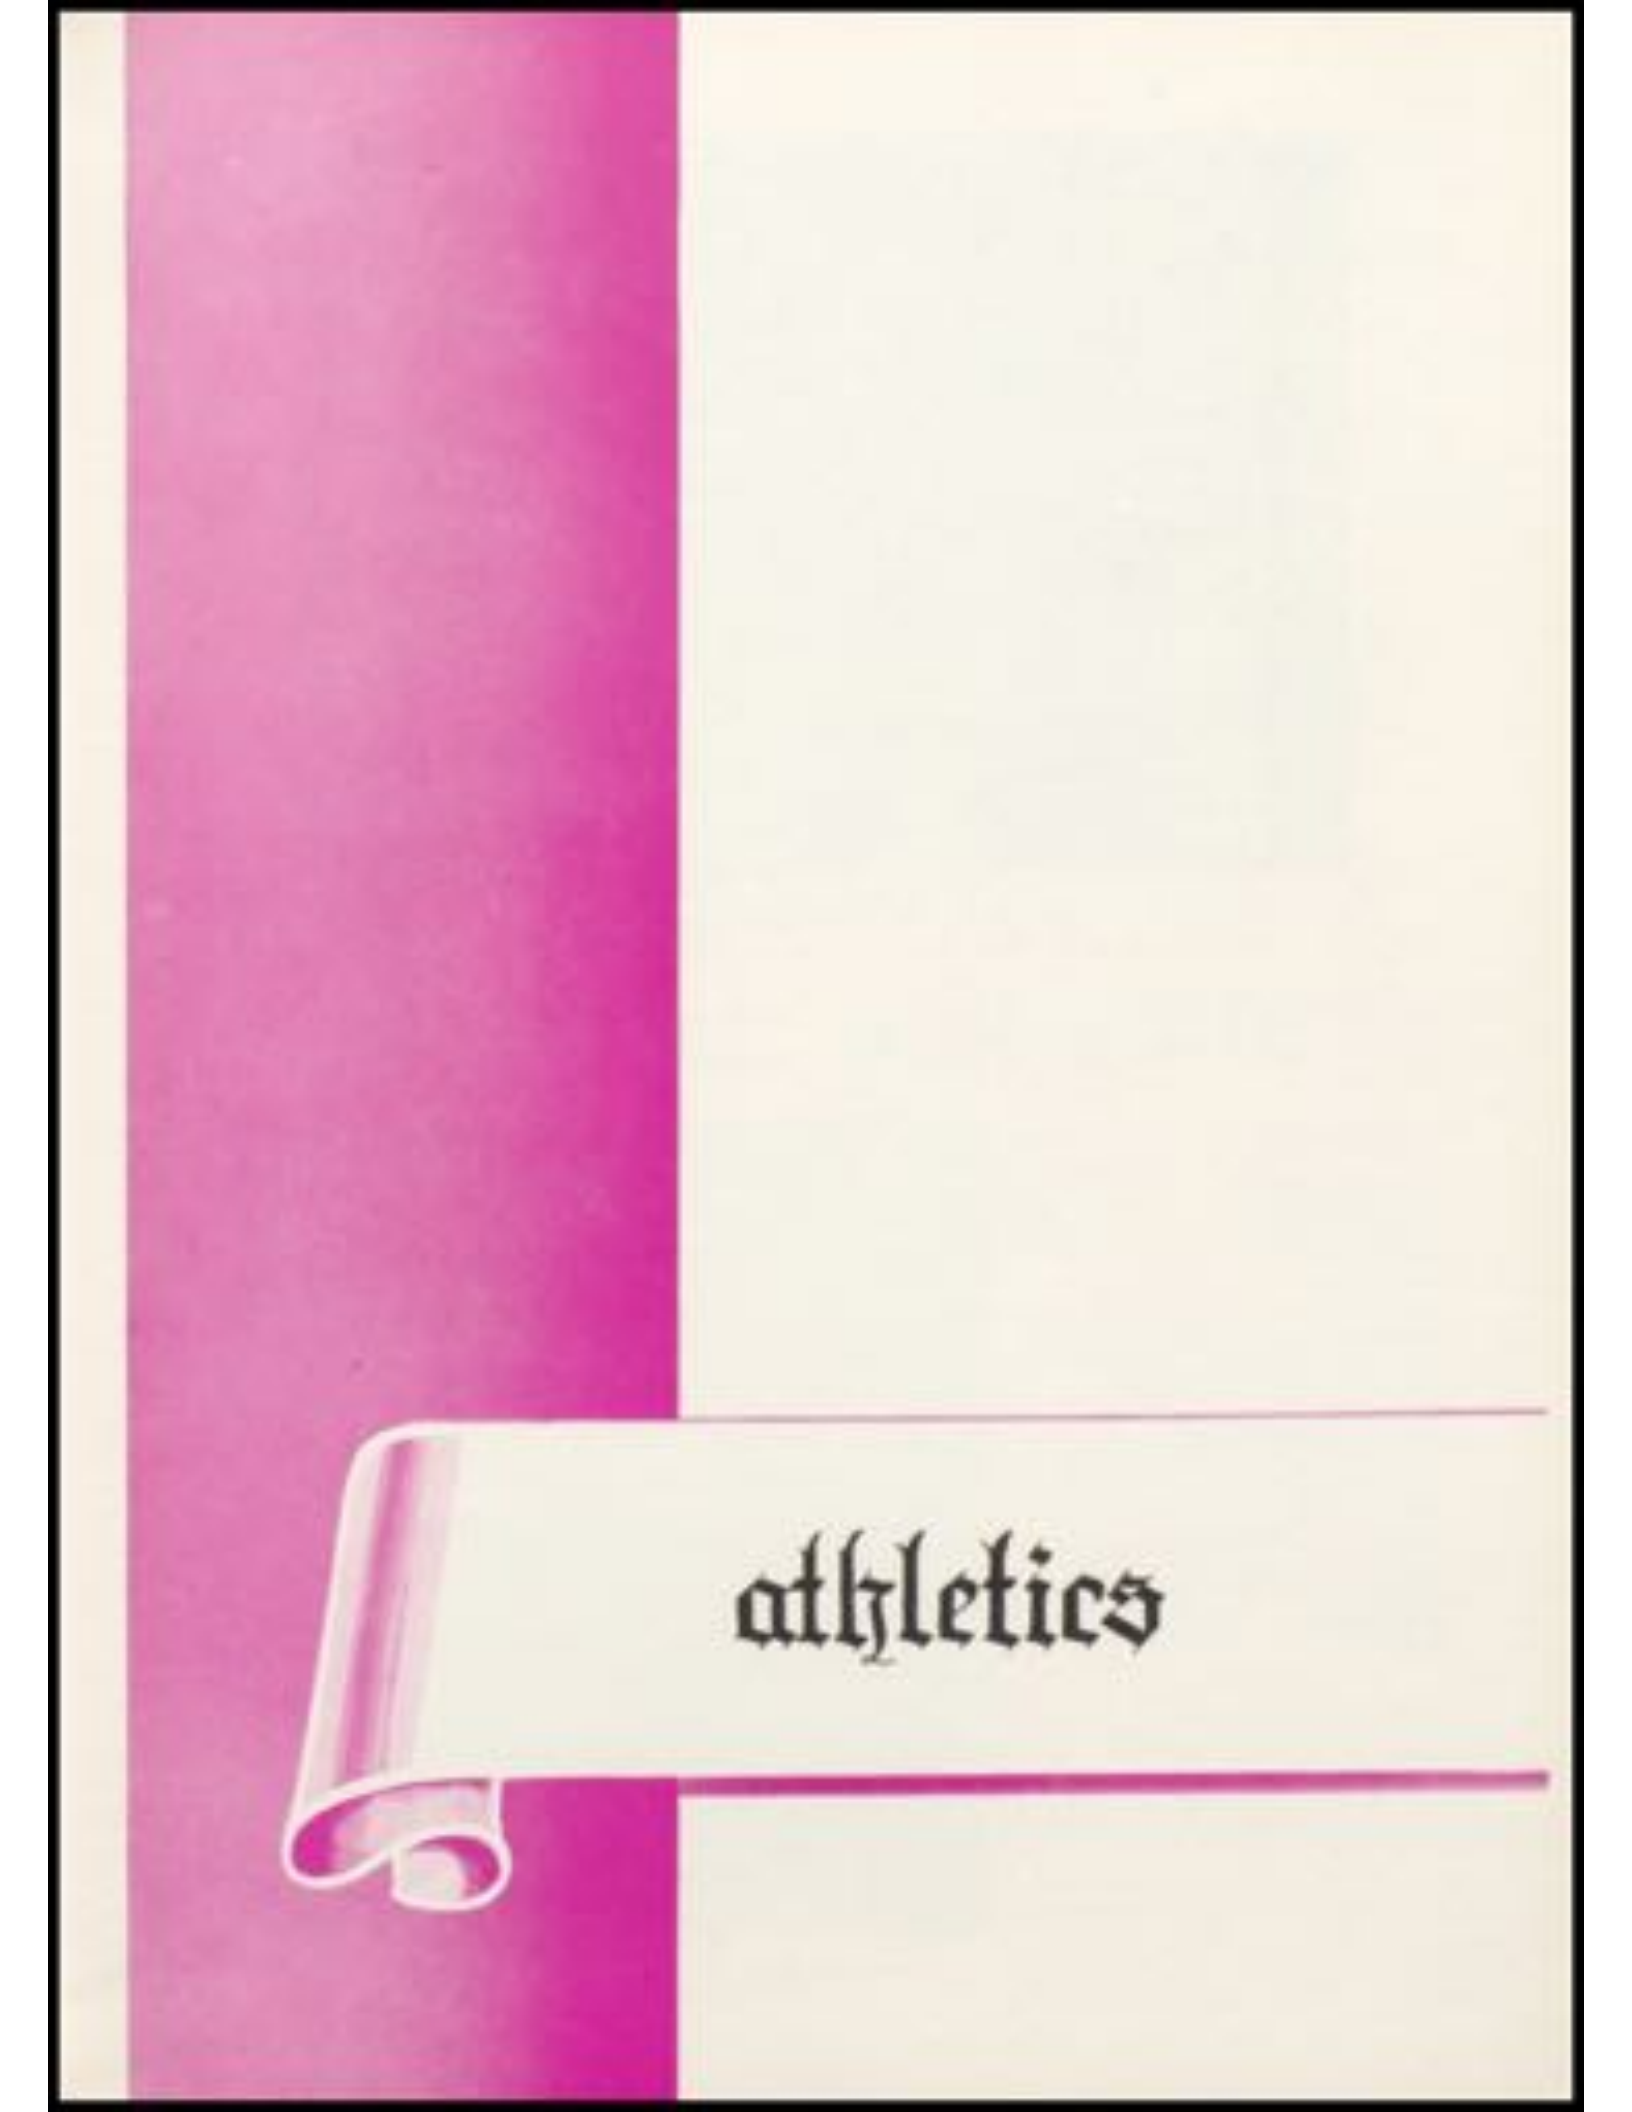

Spot Farmer Awards; music by the National FFA Band and Chorus and the US Air Force WAF Band; a special professional musical program sponsored by the Firestone Rubber Company; and tours of industry of Kansas City.

On April 25 and 26, 1958, delegates Roger Thayer and Roger Siebrecht, guests Roger Carlberg and Steve Cronston, and Mr. Miller attended the State FFA Convention in Sioux City. Highlights included presentation of Iowa Farmer Degree, election of state officers, music by the State FFA Band and Chorus, and addresses by Governor Henschel Lavelle and Mrs. Van Duerksen of the State Board of Education.

Selling Trojan Brand stickers and small books provided a financial gain as well as a learning experience. Total sales is expected to approach \$1,000.

Approximately 60 seed samples were tested for germination for farmers of the community as well as Chapter members.

The stills judging team consisting of Don Hoefling, Roger Buehler, Floyd Renak and Ronald Rieder participated in the annual Sac and Calhoun Counties FFA stills judging contest held southeast of Wolf Lake. Four stills were judged and the team received a red ribbon.

*Maple Valley Conference Games

The 1957 football season was an abbreviated one because of the flu epidemic which swept the state and the local community. The Sac City, Ida Grove, and Hudson games were canceled. Coach Isak's athletes managed to chalk up a 1-5 win-loss record.

On August 24, a disappointing number of only 25 boys reported for practice, realizing that they would have their work cut out for them. Most of their opponents were favorites in their respective conferences, while the Trojans were below par with only four lettermen returning.

The first game was played at Wall Lake in a rain storm. After holding Wall Lake scoreless the first quarter, the boys could not continue to hold off the Comets and eventually dropped the contest, 35 to 0. The Trojans were not able to get their new single wing offense moving which hindered their chances of winning.

One week later the Trojans encountered another opponent and another rain storm at Kingley. Again, both teams were held scoreless the first quarter, but Kingley finally got their offense moving and pounded out a 32 to 0 victory.

At Merville the boys seemed to be throttled by a good Merville team until the last quarter. Finally, a spark was ignited in the Trojan's offensive machine and the locals scored 20 points in the fourth quarter after trailing 40 to 0. Though beaten 46 to 20, the Odell gridders finally crossed the goal line which gave them added enthusiasm.

The next game was played at the new athletic field in Odell on Hawsacawing. The Trojans tasted victory for the first time by shutting out Comestromville, 19 to 0.

The Trojans again appeared on their new home field for their next game; however, a fine Orwa aggregation made it known immediately that they had little intention of allowing Odell to even come close to defeating them. From the first to the last minute our gridders had little opportunity to get into the game. The final score ended in another shutout, 39 to 0.

Traveling to Monite for what proved to be the last game of the season, the Trojans found themselves out-closed again and were on the short end of the score, 41 to 6. The Odell team punched across a touchdown the first quarter.

Although the Trojans were definitely outclassed and outmanned in most games, 21 boys played eight or more quarters which should give some of the younger players a good chance to do better next year. Fourteen boys received their letters. Seven of these will be back next year to try to improve their win-loss record for 1958.

Ron Hogue and Bob Taphorn were elected the most valuable players for the 1957 season.

GIRLS' BASKETBALL—1957-58

Considering the fact that we had so many young, inexperienced girls we had a pretty good season. The win-loss record was not too impressive being 9 and 12. The Trojanettes placed fourth in the county tournament losing to Lake View in the consolation game 40 to 27. Lytton defeated the Trojanettes in the first round of the sectional tournament 55-40.

The Trojanettes had an offensive average of only 45.3 points per game. Defensively their average was 52.2 points per game. Audrey Meeves was high scorer for the season with 577 points. She averaged 28.8 points per game and scored well over half of the team's points during the entire season.

On the varsity squad we had four seniors, two juniors, nine sophomores, and ten freshmen. We didn't have a definite starting line-up as the girls were striving consistently to earn a position.

The freshman and sophomore girls played eight scheduled games and lost only twice. Hulstain was the conqueror both times while the girls won the other six from Newell, Battle Creek twice, Schleswig twice, and Mapleton. Joan Frey was high scorer for the season with 94 points. She averaged 13.8 points per game.

With prospects of a strong freshman and sophomore group of girls moving up next season we are looking forward to a good season. We will have more height on both ends of the court to provide for better rebounding. With the added experience they received this season, the Trojanettes can anticipate a more impressive record next year.

1957-1958 BOYS' BASKETBALL SEASON

After a dismal start losing the first seven of nine ballgames, the boys began to work as a unit and showed steady improvement the rest of the season. They finished with a 8 win and 14 loss record.

Since we lose only one Senior on the squad, and the others gained much experience, the outlook for the future is bright if some of our Sophomores and Freshmen keep progressing as they have been.

The team this year finished third in the Sac County Tournament and third in the Maple Valley Conference.

The team's offensive average was 49.5 and the defensive average was 55.3 points per game.

Our Freshmen and Sophomores squared this year played some outstanding basketball under the direction of Mr. Isaac. With a little extra work on their own and game experience they could be a valuable asset in next year's plan.

TRACK SEASON — 1958

Trojans Win Maple Valley Conference Championship First Time In Eight Years

The Trojans completed one of the most successful track seasons in recent years by winning the Maple Valley Conference Championship. They defeated the overwhelming favorite, Merville, by two points, to take the championship for the first time in eight years.

The season was a great credit to the fellows on the squad. Although we had only twenty-eight boys out for track, they were conscientious workers with a very good attitude. Prospects for next season should be bright with only three seniors, Arlen Luitjens, Richard Thayer, and Darrell Herrig, being lost through graduation.

Our performances in the field events should be considerably improved next season with our power being concentrated in the middle distances.

There were some outstanding individuals and performances throughout the season. The Trojans scored most of their points from the following fellows: Arlen Luitjens in the dashes

and relays; Richard Thayer in the hurdles and relays; Darrell Herrig in the relays; John Bauer in the relays; Richard Lange and Bob Miller in the middle distances; Bob Rex, Bill Stock, and Roger Peters in the middle distances and relays; and Dennis Thevenot in the relays.

Two records were broken this season, the most spectacular one being in the medley relay. Bill Stock, Darrell Herrig, Arlen Luitjens, and Bob Rex ran the medley in a very good time of 3:48.2.

Bill Stock set a record in the football throw with a distance of 187' 2½".

Other outstanding performances of the season were:

Richard Lange—2:08.6 half mile; 54.7 quarter mile. This is the first season Richard has been out for track.

Roger Peters—56.6 quarter mile. Best time ever recorded for a freshman in Odeboit.
Bob Miller—4:57.1 mile

Bob Rex—Anchored the medley relay and mile relay. His best time in the half mile was 2:06.2.

Bill Stock—His first year out for track and did a very good job. He ran the 440 leg of the medley in 54.1 and also ran in the mile relay. He high jumped 5'3" and threw the football to a new school record of 137' 2 1/2".

Arden Lattjens—Ran the 100 yd dash in 10.7. Anchored the 440 and 880 relays and ran a 220 leg on the medley.

880 Relay—Dorrell Hennig, Richard Thayer, Dennis Thayer, Arden Lattjens. Their best time was a respectable 1:38.2 for the 880, and the same four fellows ran the 440 relay in a good time of 47.1.

Richard Thayer—Ran a very good time of 16.2 in the high hurdles and 21.2 in the low hurdles. He also ran on the 880 and 440 relays.

Madry Relay—Bill Stock, Darrell Hennig, Bob Rex, Arlen Lutzjens set a new school record with a very good time of 3:48.2.

Richard Lange—His first year out for track and was tough in the middle distances. He ran the half mile in 2:08.6 and the 440 in 54.7.

Richard Thayer—winning the high hurdles and

Richard Thayer winning the low hurdles at Houston to help the Trojans take the conference title.

ACKNOWLEDGMENT

Producing a yearbook of quality is a big job. It begins, like every worthy project, with the question "Where do we start?" But our yearbook adviser got us on our way. It was with her time, endless patience, and constant guidance that our yearbook took shape. Our special thanks to Miss Bruce.

What would the book be with just letters on its pages! This is where Mr. Kermit Bunrock entered our picture—or shall we say "our pictures." He packed up his lights, action, and cameras; traveled to OAH5; and "shot" our individual and group pictures. His efforts put our layout committee into action.

Our attractive title pages were printed by Mrs. Erwin Krahenbuhl. We are grateful for her work which adds definite distinction to our production.

So often the teachers excused their classes for pictures and special events. The students were willing to help with their snaps and participation in the extra curricular activities which have a big place in our book. Many thanks for their cooperation.

The hard-working staff proved themselves invaluable. At the same time we all learned that cooperation is the key to the success of such a project.

At last we had things organized. Now the Odebolt Chronicle did its part in putting things together from the rough copy to the binding. This was a long awaited grand finale.

Through the combined efforts of all these indispensable people and the generosity of the Odebolt and Arthur business men, we have completed our '58 yearbook. Our sincere thanks to everyone.
