junior class play

On Friday, November 17, 1961, the junior class presented **LOCK, STOCK, AND LIPSTICK** by John Henderson. The story took place in a school guidance office occupied solely by Mr. Warren (Blyssie Johnson). Not very long after the first day of school the principal (Mary Siebrecht) brought the girls' guidance counselor (Dorothy Keeler) to show his office.

Judy Lange played the part of Mary Lou Brennan, David Olson was Charles Plunkett, and Don Donley was played by Ron Bergman. Charles Brucker was Larry Danley, the hoodlum who was in cahoots with Mary Lou Brennan. Pam Boney played the part of the grouchy old math teacher, Miss Frutcher. Liz Mobergen as Mrs. Meggs and Claudia Albach as Mrs. Donley added greatly to the romance and mystery of the play.

The play was directed by William Carlson, assisted by Cathy Fair and Jehanna Roberts, with the help of the stage crew.

homecoming

Whoever said that Friday the 13th is unlucky was certainly wrong about a particular Friday the 13th in October, 1961. For this was Homecoming—1961 at O.A.H.S.

It was a day of excitement for everyone. There were last minute touches to be added in the schoolhouse and down at the football field and at any time of the day, one could see someone running here and there to help with last minute details.

After the pep rally downtown everyone headed for home in a spirited mood for the game that night.

It was a clear, brisk night and as the band played its pre-game numbers the candidates rode around the football field in five convertibles. After they alighted from the cars, they walked up to the platform on the field in couples. The royal court consisted of Jim Miller and Diane Thevenot; Gary Baerner and Karen Johnson; Danny Snider and Diane Suttler; Charles McDonough and Jane Taylor; Roger Cranston and Renee Henrich; and, of course, the crown bearers Gerald Youngren and Keri Fries.

The tense excitement mounted as everyone waited for the announcement as to who would be crowned King and Queen.

Finally, from the broadcasting booth came the long awaited verdict and Superintendent Ogden placed the crowns on the heads of Jane Taylor and Danny Snyder.

The game was a victory for O.A.H.S. which made for a successful dance after the game at which the royal pair and their court led the Grand March.

It was a thrilling night for all and one that will not soon be forgotten.

Back Row: Jim Miller, Gary Berman, Charles McDonough, Roger Cronston, Barwa Hennich,
Diane Buehler, Karen Johnson, Diane Thevenot

Front Row: Mr. Ogden, Danny Snyder, Jane Taylor,
Kindergarten Attendants: Gerald Youngren, Karl Fries.

QUEEN JANE AND KING DANNY

senior class play

"TAMING THE BRAT"

When Lottie took her job as the Nagel's maid, she thought the chaos caused by their spoiled infant Janice would end as the little darling grew up. But, as Lottie sees, she was wrong—the Nagels never let Janice grow up. At fifteen she is still coddled and pampered like a two-year-old.

Jerry Hughes, a nice boy of sixteen, knows this very well, but he can't help having a terrific crush on Janice, even though she treats him like a dog and makes him wish she'd fall for somebody herself and see how it is. Then she does fall—and hard—for Jess Pomeroy, a handsome football player. To make it complete, Jess takes no interest in her whatever; he has a girl. This causes Janice to have the worst tantrum of her life—and her parents to have a riot. Up till now, they've been able to go out and get her what she wanted, but this tantrum can't be stopped. Jerry is very happy. This will cure the brat. But his joy is short-lived. To his surprise, he finds next day that Jess is playing right along with Janice. He is most discouraged. So is his pal Dave because he and Jerry are to play in a local tennis match tomorrow, and they'll never win with Jerry in such a state. Dave decides something has to be done, and he soon finds out why Jess is so sweet on Janice. It seems that Janice's parents are trying to buy her the man she wants, just as they've bought her everything else since she was born. This discovery is made at a party, and it results in a near riot which causes Janice to go into her worst tantrum ever, and also brings Jess and his real girl to a near break-up. Things are in a pretty sad state by the next morning, but Janice surprises everyone with a sudden change for the better and everything is straightened out beautifully.

future farmers of america

The Future Farmers of America or "FFA" as it is commonly known, is the vocational organization of, by, and for boys studying vocational agriculture in public secondary schools under the Smith-Hughes Act.

There are 62 members in our chapter this year. We have 2 Iowa Farmers, 43 Chapter Farmers, and 19 Green Hands. The Chapter has had a prosperous year and is proud of its accomplishments. Some of its many activities are as follows: 160 attended our annual Forest & Soil Banquet; Ricky Meents and Ron Bergman were our delegates to the State FFA Convention in Council Bluffs; Marshall Fox sang in State FFA Chorus and Blyce Johnson was a member of the State Band. Delegates at the National FFA Convention in Kansas City were Gary Boerner, Tom Merten, Jim Lundell, Dennis Anderson, Dennis Lindskoog.

We sponsored a tractor ride at the Odessa Community Fair, with Zane Johnson and Roger Thayer winners in the Junior and Senior Divisions respectively. Ron Bergman, Ken Roeder, and Larry Berg received a silver award at the Dairy Cattle Congress judging contest in Waterloo. A team consisting of Ben Buehler, Chuck Carstensen, Bob Hanson, and Gary Johnson was the third team in the Crop judging contest at Graettinger. Gary Johnson was high individual in the contest and Jim Ludington placed seventh in seed identification. We had third and fourth place teams at the Sac City Market Hog Show.

At this printing, we have not participated in district FFA contest. We had the following entries: Creed Speaking, Richard Johnson; Public Speaking, Jim Lundell; Parliamentary Procedure, Chuck Carstensen, Bob Hanson, Alton Christiansen, Larry Johnson and Gary Johnson; Program of work, Ron Bergman and Blyce Johnson; Secretary's book prepared by Marshall Fox; Treasurer's book prepared by Dennis Anderson; Scripbook prepared by Jim Lundell.

Several of our members have exhibited livestock at the Odessa Community Fair, Wall Lake Festival, Sac County Fair, Sac City Market Hog Show, Fort Dodge Market Hog Show, Omaha Market Hog Show, and the Iowa State Fair. We have three girls in the chapter gift chain. This year we co-operatively purchased a Purebred Hampshire Boar for our members to use in the improvement of their swine programs. We sold 520 boxes of citrus fruit this year. Our officers for the year are: President, Gary Boerner; Vice-President, Tom Merten; Secretary, Marshall Fox; Treasurer, Dennis Anderson; Reporter, Jim Lundell; Sentinel, Dennis Lindskoog.

The 1961 Trojan football team compiled a record of 5 wins, 2 ties, and 2 losses. Fifty-seven candidates reported for football assignments.

The opening game with Wall Lake was a "nip-and-tuck" battle. With both teams suffering from game "jitters", Odebolt-Arthur finally won the game in the closing minutes.

ODEBOLT-ARTHUR 7 — WALL LAKE 0

Odebolt-Arthur faced Correctionville and left no doubt as to its superiority. Correctionville is at its lowest depths in football.

ODEBOLT-ARTHUR 27 — CORRECTIONVILLE 0

Maple Valley appeared on the scene with a strong running attack. They featured powerful end runs. The Trojans scored early and then offered a stiff defense.

ODEBOLT-ARTHUR 7 — MAPLE VALLEY 0

The Onawa Bulldogs crossed the Trojan's goal line for the first time of the season. The stubborn Trojans managed to score late in the game to escape with a tie.

ODEBOLT-ARTHUR 6 — ONAWA 6

Homecoming game was a bitterly hard-fought contest. Odebolt-Arthur, handicapped due to a rash of injuries, had to settle with a scoreless tie.

ODEBOLT-ARTHUR 0 — MOVILLE 0

The Marcus team, in a rebuilding year, held very little opposition for the Trojans.

ODEBOLT-ARTHUR 35 — MARCUS 0

The first defeat came at the hands of Kingsley. Long passes and powerful running caused the Trojans' downfall.

KINGSLEY 12 — ODEBOLT-ARTHUR 6

The perennial power in the Maple Valley conference, Holstein, overpowered Odebolt-Arthur, giving the Trojans their second defeat of the season.

HOLSTEIN 20 — ODEBOLT-ARTHUR 0

The Trojans rebounded after two defeats, and played sound defense combined with some break-away runs in the final game with their neighbors to the east.

ODEBOLT-ARTHUR 20 — LAKE VIEW-AUBURN 14

The 1961 Trojans turned in some very fine performances during each game although they lacked depth and over-all size. Key injuries disorganized the team several times during the season. Five Trojans received all-conference honors.

Next year Odebolt-Arthur will be looking forward to a fine season. The Trojans should have the size, depth, and ability to put them in contention for the Maple Valley Conference title.

girls' basketball

The Oddell-Arthur Trojanettes completed a somewhat disappointing season by compiling 6 wins in 18 contests. Flu hampered the team during mid-season.

The team can look forward to a better season next year as only one regular, Diane Buehler, graduates. She was a steady performer and will be greatly missed.

This season the team did show a great deal of potential. Many fine performances were shown by individual players.

The returning regulars are Julie Lundblad, Janice Gunderson, Karen Noyd, Jean Lingren and Geri Mauer. Other squad members that will aid the team are as follows: Suzanne Gunderson, Bonnie Given, Jeanette Roberts, Carol Clark, and several Freshmen and Sophomore prospects.

The 1961-62 squad won second place in the Sec. County Tournament and Consolation in the Sectional Tournament.

Odelek-Arthur scored 802 points during the 1961-1962 season. Their opponents scored 1,048 points.

Bob Brewer was the leading scorer for Odelek-Arthur, averaging 12.1 points per game. Gary Boerner was second, averaging 8.9 points per game, and Bob Harboth was third, with an average of 7.7 points per game.

There were nine boys who lettered during the season: two seniors, three juniors, and four sophomores.

Lack of experience handicapped the Trojans during the '61-'62 season. There were only two seniors on the squad, and all the rest of the boys still have one, two, or three years of playing ahead of them.

IOWA STATE CROSS COUNTRY CHAMPIONS

The year 1961 will long be remembered by members of this year's cross country team. On October 30, we journeyed to Des Moines to compete in the State Class B Cross Country Meet. When the race had been completed and the tabulations were in, Odessa-Arthur had been crowned State Champions of Iowa.

Senior Dennis Anderson and Sophomores Larry Johnson and Dennis Dingus were very happy young men because they had carried the Purple and Gold to its first Cross Country Championship.

We certainly will miss Dennis Anderson on next year's team, because he had gained the respect of the state as being one of its better distance runners.

Congratulations are in order for this year's team and for their very excellent accomplishments.

spring track

The Trojans enjoyed one of the most successful seasons in Track this year. Probably the highlight of the season was winning the championship of our local 2nd Annual Trojan Invitational Meet. Odell-Arthur won the meet easily with Holstein a distant second. The Trojan Invitational is growing in popularity and we hope to improve the meet from year to year.

State qualifiers this season were Larry Blaschke, 100 yd. Dash; Rick Meents, Discus; Ron Bergman and Art Johnson, Pole Vault; Two Mile Relay Team, Jim Miller, Lloyd Schramm, Dennis Dingus, Larry Johnson, and the 440 and 880 yd. Relay Teams (Chuck Williams, Larry Blaschke, Dennis Carrier, John Ohden).

Seniors Dennis Anderson, Larry Blaschke, Jim Miller, Lloyd Schramm, Chuck Williams, and John Ohden were all very important members of the squad and will certainly be missed next season.

Best Performances of the Year: Shot Put—Bill Einspahr 41'9", Discus—Rick Meents 125'3", Football Throw—Larry Schwarz 185', High Jump—Bryce Johnson 5'4", Broad Jump—Dennis Carrier 19'9", Pole Vault—Ron Bergman 107' **NEW RECORD**, 100 yd. An innovation in the spring track program this year was the emphasis placed on Girls' Track by the state. On May 12, Odell was host to some four hundred girls representing twenty-four schools and competing in fifteen track and field events, at the District Meet of the State series. Newell-Providence won the meet, with Bottle Creek coming in a close second.

The State meet was held at Plasmerville on May 19.

school chronicle

Every Monday afternoon, seventh period, the girls on the School Chronicle staff busily started typing the school news for the week.

This year, Jane Taylor was in charge of writing the editorials; Claudia Albeck wrote the feature; Suzanne Gundersen, sports; Genevieve Plam typed the lower grade news; Marilyn Berg, junior high news; Diane Therenot, senior high news; and Marilyn Levin, the Arthur news. Miss Bruza, as School Chronicle Advisor, had the job of correcting the mistakes after the news was typed.

The School Chronicle was printed as one page of the Odell Chronicle which comes out every Thursday. After the typing class had had a few lessons on justifying righthand margins, they were thankful they didn't have to produce the paper on the mimeograph.

Although the staff sometimes wondered what they were going to write about, it was a lot of fun and an interesting experience for all of those who participated.

trojan staff

The 1962 TROJAN is the result of the teamwork of many people in the class. That is true of any yearbook, or of any other project of like magnitude. The senior class is just beginning to feel at home in their various assignments and responsibilities, and production is almost upon them when they reach that stage. What they could tell the on-coming class about the job! But it has been worth all the work it entails, and that will be especially true if you, the reader, like the book. Here's hoping that you do.

The co-editor of the 1962 book were Diane Buehler and Kathy Gutberg, who put in a lot of time in the yearbook workroom. The layout people were busy girls—Alice Sewell, Karen Johnson, and Lois Albrecht—for they had to decide what was to go on each page, and how it was to appear on the page. Marshall Fox and Leslie Skundzi shared the job of Business Manager. Topics were Renee Hennrich, Marilyn Levin and Diane Therman. The red electric typewriter lightened their load a bit, but it arrived after most of the typing had been completed. Burtrick-Sole Studio of Iron Lake took the group pictures, with the assistance of Janet Wagner and Alice Densen, who lined up the students for their respective groups. Jan Story and David Stock operated the electronic flash and the school camera to get action shots of various school events. Dorry Snyder and Tom Morkin solicited advertising. Those periods they were excused from school for the purpose were fun, weren't they? Jane Taylor, Peggy Hogue, and Gary Bramer were responsible for the Sales Campaign which produced very satisfactory results—even a TWIST exhibition which revealed some more or less hidden talents. Miss Bramer Bruce was the faculty adviser.

The 1962 TROJAN provides a record of the best class to ever have been produced from Daboh-Arthur. Not everyone may share that opinion, but we know forty-six people who believe it!

acknowledgment

The 1962 Trojan Staff takes this opportunity to acknowledge its indebtedness and to express its thanks to those people without whose help this book would never have taken shape:

The faculty for its cooperation in all matters great and small.

Miss Bruce for the expert advice and the greatly appreciated time and effort she spent.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million (1990-2000).

There is a growing awareness of the need to address the needs of older people in the UK. The Department of Health (2000) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the following principles:

- Older people should be able to live in their own homes for as long as possible.
- Older people should be able to live independently and actively.
- Older people should be able to access the services they need.

The strategy also sets out a number of key objectives for the future of older people's services.

- To improve the quality of care for older people.
- To ensure that older people have access to the services they need.
