Dedication

MISS ROSMER BRUCE

We, the Senior Class, dedicate this yearbook to Miss Rosmer Bruce, our teacher and yearbook adviser. Miss Bruce has guided yearbook staffs in publishing annuals since 1947-1948, two years after she began teaching at Odebolt-Arthur. This is the twenty-second yearbook she has supervised here.

We are grateful, and we have been lucky, to have a teacher and adviser who cares enough to give so much of her time to helping us.

Senior Class Trip

CHICAGO

MAY 21-23

On Wednesday, May 21, at 8:00 p.m., the seniors left for Chicago on two Greyhound buses. We arrived at O'Hare Field at 6:00 a.m. Thursday where we ate breakfast and watched people until 8:00 a.m.

At that hour our day really began. Since it was too foggy to go to the Prudential Tower, we went immediately to the Museum of Natural History and from there on a tour of the Marina City Apartments. We then proceeded to the Greyhound terminal to change drivers and to eat lunch.

After lunch, our drivers took us on the Outer Drive, and the boys persuaded them to take us past the "Playboy Club."

Our next stop was the Museum of Science and Industry. This took most of the afternoon. After the museum, we took the Inner Drive through the slums and skid row. After a short stop in Chinatown, we ate dinner at the George Diamond Steak House.

In the evening, we took a somewhat chilly boat ride on Lake Michigan and then through Chicago on the river.

We left Chicago at 10:30 p.m. or thereabouts, and we arrived home at 8:30 a.m. Friday, just in time for Commencement.

 Mrs. Hemphill

For the first time in the history of OAHHS, the student council was able to sponsor a foreign exchange program. Plans are being made now to continue the program for the coming school year.

On October 13 and 14, four council members and Mrs. Hemphill attended the state meeting at Ames.

Activities sponsored by the student council this year were: Homecoming festivities, Christmas Dance, tee-shirt sale, Fun night, assembly on the Olympic Games, exchange assembly with Crestland, slacks day, and possibly a Gary Johnson concert.

The student council meets once a month as a body, and executive meetings are held weekly.

The purpose of the student council is to discuss current problems and to seek possible solutions.

Bienvenido Crisostomo

This year, O-A H S was privileged to have Bienvenido Crisostomo, our foreign exchange student from the Phillipines, as a member of our school system.

Ben was a junior this year. Besides taking Chemistry, Sociology, American History, Drivers' Education, American Literature, and Algebra II, he was a member of the fall track team and an active member of the Student Council.

In his free time, Ben was often found sipping cokes at our local drug store.

If you're wondering how Ben likes our cold weather this year, you don't have to ask him--he wore his coat year round, inside as well as outside!

Ben's host family in Odebolt was Mr. and Mrs. Carl Linster.

BACK ROW: Mr. Waterbury, Paul Kous, Ken Einspahr, John Landgraf. SECOND ROW: Peg Mehrhoff, Sandra Allen, Margaret Siebrecht, Carol Olson. FRONT ROW: Donna Thevenot, Verletta Kelsheimer, Diane Wolterman, Sandra Determann, Susan Watts.

Future Farmers of America

President	Chuck Lindberg	Treasurer	Kermit Ziegmann
Vice-president	Tom Down	Reporter	Larry Schulte
Secretary	Mike Williams	Sentinel	John Schroeder

This year's membership includes 10 greenhands, 51 chapter farmers, 12 honorary members, 4 associate members, 3 Iowa Farmers, and 3 American Farmers.

Our members have 100% ownership of, or are in partnership in, productive projects. Productive projects completed include: 16 members--127 market litters; 1 member--3 breeding litters; 14 members--448 feeder pigs; 14 members--91 beef feeders; 5 members--14 beef cows; 1 member--1 dairy cow; 3 members--32 market lambs; 8 members--88 breeding ewes; 1 member--2 mares; 1 member, 75 broilers; 4 members--76 acres of corn; 4 members, 126 acres of soybeans; 1 member, 6 acres of popcorn; and 5 members--Farm Experience Work. Average investment per member--\$710.71; average labor income per member--\$828.90.

The FFA chapter has conducted services for the community in these ways: conducted seed germination tests for farmers; parked cars at home football games; made cemetery flower cans for Memorial Day; distributed trash cans around town; donated \$25 to the Sac City Market Hog Show; encouraged members to cut corn corners at intersections; contacted area farmers on corn harvest safety; set up a display downtown on corn harvest safety. Services to ourselves include: a loan fund to finance productive projects; a \$100 scholarship to a Senior Voc-Ag student; expenses allowed on conventions and judging contests; chapter equipment made available for members' use.

The chapter distributed 100 official FFA calendars to members and businessmen in the community.

Fifteen per cent of our members exhibit livestock at the Odebolt Community Fair, the Sac County Fair, the Ida County Fair, and the Iowa State Fair.

Our main source of income was the sale of 640 boxes of citrus fruit and the operation of 40 acres of cropland. Net worth as of January 31, 1969, was \$7,911.19. Total receipts were \$7,872.70 and total disbursements, \$6,389.46.

Bob Ziegmann and Gary Schroeder were the chapter's delegates to the National FFA Convention at Kansas City. Mike Williams was our exchange student who went to the Laramie FFA chapter in Wyoming. The Honorary Chapter Farmer degree was given to Duane Wahlstrom at the annual parent-son banquet which was attended by 220 members, faculty, school board members, and guests.

Contest results were: State--6 golds and 1 silver; District--6 golds, 2 silvers; Sub-district--4 golds. Judging results were: State Dairy Judging Contest--silver; Sac City Market Hog Show--5th place; Iowa State Fair--16th place; Ida County Fair--7th place; Graettinger Crop Judging--5th place; Sioux City Invitational--blue rating.

The Odebolt FFA chapter has had a rewarding and prosperous year. Let us not be satisfied with our accomplishments but conquer the challenges to come.

Stage Band

Odebolt-Arthur should be very proud of its stage band this year for its tremendous achievements earned them recognition all over the state.

On December 14, the stage band did two numbers with "Doc" at the "Doc" Severenssen Concert: "Doc's Holiday," a number written especially for him, and "Sunday Morning."

The stage band entered its first competition at the Stage Band Festival in Cedar Falls on January 11. The name, "Odebolt," was on everybody's lips at the Carroll Jazz Festival, held on January 25, for Odebolt's stage band took first place! The judges loved them as their comments show: "Best band I've heard all year!" "Great band! You guys are coming on."

But the Odebolt Stage Band wasn't through yet. They entered the Jefferson Jazz Festival, held on February 8, and walked home with a 3rd! Said the judges: "A great band--You really feel what you're doing--this swings--great concept--Congratulations!" "Good tempo--walked right down the street." "Good--enjoyed it." Yeah! Lay back you little mothers--tell how it is!"

On March 14, the stage band played between games at the 1969 Girls' State Basketball Tournament in Des Moines. It was the general opinion that they were the best band there.

BACK ROW: Mr. Nechts, Clay Bergren, Dennis Eg, Sandra Allen, Corissa Bergren, Mike Petenos, Doug Currie, Jim Leman, Ann Hahlak. Concert Band

The Concert Band started the year with its BIG concert of the year - the one with "Doc" Severinsen on December 14. They did a great job, the result of hours of practices, and everybody was exceedingly proud of them.

After such a big event, everything after the "Doc" concert seemed anti-climactic. However, the "Flops" concert in February, a take-off on TV's "Laugh-In," was highly successful, much to the band's surprise and gratification.

On May 3, the Odebolt-Arthur Concert Band competes in large-groups contest at Gowrie. They will wind up a most enjoyable year with a Senior Recognition concert and an appearance and concert at Commencement on May 23.

"Dino"

presented by the Senior Class
Friday and Saturday, May 16 and 17

The Senior Class chose "Dino," a three-act drama by Reginald Rose, adapted for production by Kristin Sergel, as their Senior class play. "Dino" was first presented on the Broadway Stage and later on CBS television.

"Dino" is a modern play, centering about the attempts of an interested psycho-therapist to rehabilitate a delinquent boy, Dino. Dino had been sent to reform school at age 12 and has just now returned home to unwanting and unloving parents. Bitter, confused, and defiant, Dino resists all efforts to help him. The drama centers on the slow understanding Dino accepts from other young people, especially the girl, Shirley, who is the first to ever show him any affection.

That Dino is not all bad and wants to rise above his past and present, is evident in his changing actions and especially in his decision to turn down an offer to help a younger brother in a hold-up. Rather, Dino arranges for his brother to also receive help from the rehabilitation center.

A dramatic production was a rather new venture for the class, but all gave an excellent performance and portrayed the characters skillfully on both nights.

"DOWN TO EARTH"

Friday and Saturday

November 22, 23

When two angels find themselves earth-bound with a mischievous "almost angel", their only hope of returning to Paradise is to take two souls with them.

They choose Herman Howell, a retired sailor, and Augusta Applegate, a wealthy widow, to go with them. Herman is ready to go, but Augusta hates to leave all her money behind--money that is very nearly in the clutches of money-hungry relatives.

Pilone, the "almost angel," in his mischief-making, finds that he has the power to make people fall in love--with a kiss, and the match-making is fast and furious.

However, Pilone goofa when he makes Augusta and Herman fall in love, for now they have a stronger grip on life and his angel friends have no souls to take back to Heaven with them.

Diana, Augusta's much-jilted maid, suddenly qualifies as an Angel and Pilone, who has fallen in love with her, becomes a full-fledged angel just to be near her. As the curtain closes, four happy Angels are concentrating on their ascent back to Heaven.

Summer Baseball—1968

The Trojans played fine ball this summer and turned in an 11--3 record for conference play and 11--5 season record. They also tied for first place in the conference. Most of the pitching was done by Clayton Bergren and Tom Down; both turned in fine performances. Team batting average was .312 one of the best that can be remembered for an O-A team.

'68 Footballers Have Good Season

The Trojan Gridders had a very successful season in their big wins over two tough Mid-West Conference foes, Carroll and Sac City, and the ever-important homecoming win against arch-rival Ida Grove. The Maple Valley Conference teams proved to be too much for the O-A gridgers, and wins were scarce; however, good football was played throughout the entire season.

Chuch Friday and Chuck Sundell were elected co-captains for the 1968 grid year. Friday was also elected most valuable player by his teammates and was selected as an All-Conference tackle. Chuck Sundell received an honorable mention in the Maple Valley Conference.

Homecoming, October 11, 1968

A blazing bonfire and a rousing pep rally on Thursday evening, October 10, started a perfect homecoming on its way.

Main street was decked with signs, streamers, and decorated windows as the student body followed the football boys downtown Friday afternoon for another pep rally and the crowning of the King and Queen by Mr. Ogden.

The weekend was climaxed Friday evening by a truly exciting Homecoming game with Ida Grove; Ida Grove fell to the O-A gridgers with a final score of 21--6. Who could ask for anything more?

The Alumni Association sponsored a dance following the game. It brought the weekend to a very pleasant and successful conclusion.

Girls' Basketball

The Trojanettes finished regular play in the 1968-69 season with an 8--8 record, but lost a tough game to Paton-Churdan in the Sectionals to finish the season with an 8--9 record.

The three seniors will be missed from the squad. They are Michelle Flynn, who averaged 24 points a ball game, scored a total of 408 points, and also made Honorable Mention All-Conference; Ann Hemer, who made Second Team All-Conference and averaged 7.3 rebounds per game; and Pam Carnine, who was a starter part of the time and played good ball the entire season.

Although the three seniors will be missed, the squad again was young and a much improved season can again be forecast. Starters who will be returning are: Diane Schultz, 5'8" forward, who averaged 17 points a game; Kathie Fertig, 5'9" forward, who averaged 20.3 points a game; Peg Mehrhoff, a scrappy 5'7" guard; and Margaret Siebrecht, a 5'7" post guard. Barb Noll, a reserve forward, should be ready for a starting job, also.

In addition, much help is expected from the varsity reserves and also from the freshman-sophomore team which ended its season with a 6--1 record.

Boys' Basketball

The 1968-1969 Trojans had a disheartening season, winning only one of seventeen games. This was a season when the players were unable to put together four quarters of basketball. However, they did have spurts of good basketball to go with some very erratic play resulting from lack of experience and confidence.

Experience, ability to play together, confidence, and determination should help the team in the next couple of years. With a few fine juniors, a good group of sophomores, and a better-than-average group of freshmen returning, the 1969-1970 season looks promising. The nucleus of the 1968-1969 squad will be returning with no definite standouts. Our feet were starting to find roots; now, we are ready to grow.

Four seniors will be lost through graduation, including the team's leading scorer and rebounder for the last two years in Clayton Bergren. The other seniors are Chuck Friday, Dan Griffin, and Randy Babcock.

The freshmen-sophomores completed a fine season by winning six of eight games and should be a big help to the 1969-1970 varsity squad.

Wrestling

The Trojan grapplers finished No. 2 in the tough Maple Valley Conference race this season. The matmen turned in an excellent 5--2 conference record with an 8--4 season total.

Highlights of the season included the first Sectional Wrestling Meet at Odobolt-Arthur and the first annual Maple Valley Conference Wrestling Tournament.

In post-season balloting, Juniors Pat Reis, Alan Schmidt, and Joe Hamer were elected Tri-Captains. Hamer and Reis were also placed on the first team All Maple Valley Conference selection. Alan Schmidt, Dennis Franken, Gary Wulf, and Greg Simpson were Honorable Mentions. Freshman Greg Simpson was voted most improved wrestler of the season.

The Trojan Junior Varsity continued its winning reputation by posting a perfect 7--0 conference record with an 11--1 season tally. In two seasons, the J.V.'s have accumulated an exceptional 23 wins against 2 losses and 1 tie record.

Boys' Spring Track

The 1969 Trojan squad consisted of 2 seniors, 13 juniors, 11 sophomores, and 11 freshmen. The season provided many satisfying moments. The young Trojans pulled together to recapture the Trojan Invitational championship title.

Juniors Steve Sundell, Merle Finnekamp, and Alan Schmidt placed first in District competition to earn the right to compete in the State Meet in the 2-mile run, 1-mile run, and discus, respectively.

Steve Sundell established a new school record by running the two-mile run in the State Meet, placing fifth in a very good time of 10:09.9. Clayton Bergren, a senior and a fine high hurdler and high jumper, will be missed next year. A large group of returning juniors and many fine young competitors should produce an excellent squad in 1970 with many school records within their reach.

ACKNOWLEDGMENT

The annual staff wishes to extend its grateful appreciation to many people for their help in the publication of this yearbook.

First, a special thanks to Miss Bruce, our adviser. She did all of our proof-reading, typing, and mailing; and without her guidance and counsel, it would be an impossibility to produce any annual at all. Thanks, also, to Vic Eaton, American Yearbook representative, for some much-needed advice.

Buntrock-Sallie studios of Storm Lake and Penny's studio of Odebolt and Ida Grove took the pictures for us. Ken Einspahr and Patty Hansen must also be thanked, as staff photographers, for their help on picture-taking days and for their contributions of pictures. We are also very grateful to the teachers for their cooperation on picture days. I, personally, would like to thank the entire staff for its diligent work on the annual. Many, many hours were spent doing layouts, soliciting funds, researching, typing, and handling sales. We never realized before just how much work does go into yearbook preparation, but we enjoyed every minute of it.

Our biggest thanks goes to you--the subscriber, the sponsor, and the supporter. Your faith in us is our greatest reward, and we hope we have lived up to your expectations of us. Thank you again.
