BUILDING A BETTER WORLD

Today's young people realize the world problems ahead and are attempting to prepare themselves to meet this challenge. Many know it won't be easy, but at least they have hope. As this hope takes shape in the minds of today's youth, one recognizes the dream which some believe may become possible. There is hope for world-wide peace. The hope that all mankind will unite together with love for one another and the hope for a better world.

HOME COMING '71

Homecoming 1971 was launched off with the traditional bonfire and pep rally. Students, faculty, and interested football fans of Odessa joined together to cheer the Trojans on. They all mixed their enthusiasm and spirit to fire up the Trojan team.

All day Friday, between classes you could hear the students shouting cheers, letting off a little of their pep and steam. At the pep rally Friday afternoon the Queen candidates--Anne Hargens, Peg Homer, Marcia McMullen, Donna Thevenot, and Janet Youngren--were introduced along with the king candidates--Don Eder, Fat Flynn, Todd Greenmeyer, LaDon Schmidt, and Mark Wagner. Also introduced were the kindergarten attendants--Kris Thayer and Tom Schramm. The cheerleaders led several cheers and then the band led the candidates,

student body, and faculty downtown where several pep talks were given and the king and queen were crowned. The new crowned queen was Peg Homer, and Fat Flynn was crowned King.

Finally evening arrived and it was time for the highlight of Homecoming. The spectators were kept excited by the close game. Kingsley-Fleming crept away with the victory from the mighty Trojans. The final score was 14-6.

At the dance following the game adults and students joined together to enjoy some of the quiet music and dancing. The Jane Russell Ensemble provided the entertainment. As homecomings go, everyone went home exhausted but inwardly filled with the memories of a wonderful homecoming and the reunion with old friends.

Good old family living!

The second musical in as many years was capably presented by nearly 60 high school students under the direction of Mr. Charles Waterbury, assisted by Madeline Johnson. The dramatic roles were primarily done by the Seniors and the music by the Vocal Music Department.

CONRAD BIRDIE, a rock and roll singer, has been inducted into the army. His manager, ALBERT PETERSON, is about to go broke until his secretary, ROSIE GRANT, conceives an idea to save the company. Birdie is to bid farewell to Kim MacAfee, a typical teen-age girl, with an all-American kin, but she has just been pinned to Hugo, a local boy. The arrival of Birdie in Sweet Apple is a cause for whole-sale rejoicing, and it is decided that the ONE LAST KISS will be given on the Ed Sullivan Show.

Birdie becomes disinterested and goes out for a night on the town, MAE PETERSON, Albert's mother, arrives and causes many problems. But Rosie is still waiting for a band of gold from Albert. Rosie then decides to become the Latin American spitfire that Mae has painted her to be. Kim is united with Hugo, and Rosie with Albert after Conrad is sent off to the Army.

THE JUNIOR CLASS PRESENTS

"HAPPINESS

IS . . . "

Happiness Is . . . A Prom

This year, as usual, the juniors worked many long and hard hours to produce a beautiful Jr.-Sr. Prom. The theme was "Happiness Is . . ." It was held on April 29 in the multi-purpose room.

The long evening started with a banquet at 6:30. The dinner consisted of tomato juice and crackers as an appetizer. The main course was roast turkey, dressing, whipped potatoes and gravy, and corn. Then, of course, there were hot rolls and butter, a relish plate and coffee or milk. For dessert we were served a generous piece of cake made by the junior girls.

The waiters and waitresses for the banquet were:

Rex Melthoff
Mack Friday
John Currie
John Lemm
Steve Bengford
Matt Wagner
Brad Rosemeyer
Mike Schneider
Jerry Youngen
Darrell Godberon

Mary Morkin
Mary Dawn
Jeanine Johnson
Karl Fries
Debbie Zoch
Linda Bernhard
Wendy Reik
Angela Dinges
Debbie Simpson
Fatty Siebrocht

Following the banquet there was a short program. Laurie Lorenzen, the junior class president, gave a "Hello" welcome. Becky Siebrocht, senior class presi-

dent, responded with an "Answering" speech. Todd Peterson then introduced the Junior and Senior class officers and the Junior class sponsors. Then Sue Grotenmeyer presented "Never Forgotten Memories". This consisted of a series of baby pictures of members of the senior class with captions and comments by Todd Peterson. Jo Klitzman read a poem then the Junior members of the Swing Choir sang "Happiness Is . . ."

When the program was over, all the guys hopped in their cars to go get their dates.

The dance started at 9:30. Bob Carlberg was in charge of the tapes and they had a huge selection. Teachers and kids, alike, turned-out for the dance.

At 11:30, again everyone jumped in their cars but this time they headed for Ida Grove for the shows. The shows were "The Starling Cuckoo" and "Mo, Natalie". Since the teachers were running-downs, Mr. and Mrs. Royal Eitz and Mr. and Mrs. Duane Zimmer chaperoned the shows.

The shows were over at about 1:30 but, of course, we lost one hour during the night. At 6:00 most of the kids were back in town for the breakfasts. The seniors held their breakfast at the Spring Lake Country Club and the juniors held theirs at the Methodist Church.

By 7:30 most of the kids were probably home in bed dreaming about the great time they had.

The Junior Class chose the mystery-fantasy "The Ghosts Go West" as their class play.

The basic action of the play centers around an old cabin, inherited by one Doreen Delaney, and the reason for the attempt to purchase the ranch at a portion of its real value by a purported friend of Doreen's.

The solution of the mystery is eventually completed with the help of an old western, Caleb Jones.

The play was an unusual play, offering a type of entertainment not usually produced by Juniors. Unusual staging, sound effects and character acting were featured in the play.

There were no actual "leads" in the play, rather it featured a number of strong character parts all essential to the movement of the play.

There was a full house both nights.

NIINA

This year OAHB was privileged to have Irja Ansilma Järvinen, our foreign exchange student from Finland, as a student in high school and a member of the senior class.

Nina studied American Government, English Literature, American History, Speech, Sociology, German, Typing, and participated in Mixed Chorus and Girls Glee.

Nina stayed with two host families this year, the Don Hammer family of Arthur and the George Landgraf family of Odesholt.

Nina has this to say:

This year has been very important to me. I have learned quite a lot about Americans and about myself,

too. I think Americans are very friendly and nice people. I have found many good friends here and I have to think I have to go and maybe never see them again.

When I think America and Iowa I think yellow corn, friendly people, having a ball in school and people teasing me out of my mind. And I loved it all.

I would like to thank Mr. Kern, Dr. Ibsenhol, School Board, Student Body, YFU Committee and my wonderful family and all other nice people who have helped me so very much.

To my senior class I wish success and happiness . . . but most of all I wish you love.

O-A STUDIES MATH FOR THE FUTURE

Mr. Roger Peterson

Mrs. Shirley Folsom

The Math department has two teachers, Mr. Roger Peterson and Mrs. Shirley Folsom. The courses offered in Math are General Math I and II, Algebra I and II, Geometry, Probability Statistics, and Senior Math. General Math I works with the basic fundamentals of Math with a follow-up course in General Math II. Algebra I covers the basic principles of Algebra such as equations, solving the unknowns, and a study of graphs. Algebra II is a continuation of Algebra I only in a little more com-

plex form. Geometry helps the student to better understand the nature of a mathematical system and to further strengthen his basic algebra skills. Probability Statistics are concerned with scientific methods for collecting, organizing, and presenting data. Senior Math deals with the use of the slide rule, solid geometry, and trigonometry. The course precedes the study of analytical geometry and calculus.

ORGANIZATIONS

FOOTBALL 1971

Coaches Eldo Mueller, Dick Christie, and David Birch.

The 1971-72 Trojan football season was not one of the most successful on the win-loss side of the ledger but the young Odevoit-Arthur gridlers will return a host of veterans for the upcoming campaign in the always strong Maple Valley Conference. Early in the campaign, several key personnel were lost to injuries and younger, less experienced players filled in admirably.

In post-season balloting, the team elected Chuck Thompson and Don Eiler as team captains. The most valuable player award went to Don Eiler.

When it came time to determining the All-Maple Valley Football Team, senior Don Eiler and junior Len Homer and Chuck Thompson were chosen to the elite group. Senior Jon Sundell was named Honorable-Mention.

Don't drop it, guys!

Good punt, Chuck.

The Odeboit-Arthur Trojanettes hustled and worked their way through a "learning season" on the 1971-72 JV scene. Paced by an offensive minded forward court and a ball hawking defense, the JV girls shined in early season enabling several girls to move up to the Varsity squad. As a result, more girls gained important playing experience which is the valuable goal at this level of competition.

Jennifer Bair, Deb Zoch, and Jan Hemer worked the nets for the Trojanettes this past season. At the opposite end of the court were Wendy Reik, Laurie Lorenzen, and Cathy Schroeder. Other prospects adding plenty of experience to this name of teamwork were Joyce Arbegast, Karl Fries, and Mary Morkin.

Despite a 4-8 season, the young Trojans gained a lot of experience and began to play good basketball. This experience will be an asset for varsity ball and the Trojans are looking towards and improved season with a good incoming Junior High personnel for the coming season.

TROJAN BASEBALL SQUAD HAS SUCCESSFUL CAMPAIGN

The Odessa-Arthur 1971 summer baseball team won a total of 7 games while losing 6. In compiling this record the Trojans provided themselves and their fans with plenty of excitement as they advanced to the finals of the IHSAA Sectional baseball Tournament held in Rockwell City.

In official balloting of the team, brothers CHUCK and DAVE THOMPSON were elected as co-captains for the 1971 Trojan's ball club. CHUCK was also elected as the team's Most Valuable Player for his performance in the 1972 season, and was selected as a unanimous choice for All-Conference 1st team catcher. TOM ROSS was selected as the team's Most Improved Player as he came out of a year's absence from the Trojan baseball scene and provided punch to the Trojan attack. DAVE THOMPSON was also picked as the player who most often came up with the Outstanding Defensive Play for the Trojans from his centerfield position. The Most Outstanding 10th award went to CHUCK THOMPSON for the

Granblam homer he hit early in the season against Battle Creek.

O-A MATMEN

"The difficult we'll do immediately, the impossible will take a little longer" was the motto of this year's Champion Trojan Wrestlers as they followed it to the letter to conclude one of the most successful mat seasons in school history. The grapplers started through the 1971-72 dual meet campaign without a loss and successfully defended all titles won the year before in tournament action.

The top individual performance was capped by 155 pound Jon Sundell winning 27 matches, losing two and tying one. Jon won six tournament championships and placed 2nd in the State classic at Des Moines, a first at O-A.

Lee Harnet, 145 pound Junior, also turned in a top season battle with a 26-4 record and four individual tournament championships. Lee was undefeated in dual competition and qualified for the state tournament.

95 pound Tom Schroeder and 113 pound Tom Schwaller boasted an undefeated dual season while Steve Skarin and Rex Melschhoff lost only one dual match.

Coach Miller was extremely proud of his grapplers again this year and is determined to continue the winning tradition in wrestling, "the sport of champions."

The Odobolt-Arthur FFA Chapter started another year on July 1. The officers attended district leadership camp for two days and also made up the program for 1972. Members attended many judging contests and work-outs with good results.

In community service activities this past year the chapter finished its shelter house on the north side of highway. A big project has been selling SMI signs at cost to farmers in the community. Over 300 signs have been sold as of April 1. Another community service is the chapter nursery. Trees are sold and planted by chapter

members for people in the community.

Danel Strommen became the first girl in the Odobolt-Arthur FFA Chapter history to join FFA. She was one of the 50 members in the chapter this year.

Fruit sales totaled the largest ever by going over the 600 box total. We thank the community for their support.

Our chapter was fortunate to get an Iowa Farmer Degree winner this year. He is Dennis Sykes, son of Mr. and Mrs. Donald Sykes. Congratulations to him.

FFA Projects through the year 1971-72.

DRAMATICS

The Drama Department, headed by Mr. Waterbury, was expanded considerably this past year. For the first time in many years the Drama students entered the Large Group State Contests, presenting a Choral Reading and a One Act Play. Both groups received a Division I rating, permitting them to compete in the State Contest, where they received Division II ratings.

Three one act plays were presented to the public. The plays were: "The Dear Departed", a comedy directed by Eady Sontner; "The High Window", a drama directed by Becky Wunschel; and "Genshika", a fantasy directed by Mr. Waterbury.

Twenty-six students participated in the District Individual Speech Contest of which 13 earned a Division I rating making them eligible for the State Contest. At the State Contest, five students earned Division I ratings.

The Odeboelt Rotary Club sponsored the dinner preceding the initiation and have presented each member with the official National Honor Society pin.

Editors Peg Hemer and Jim Lomen spent a week at Ames learning new ideas and more ways of constructing an annual. In September Nancy Horton, Peg Hemer, Kathy Kornisel, Jim Lomen, Mark Wagner, and Advisor Randall Wiss participated in the Inter-Collegiate Workshop in Storm Lake. Later that month Mr. Allen visited us and we picked out the annual cover and end sheets.

Our financial backing was provided for the by students working on the magazine sales. A group of students worked hard on the annual and were especially busy at deadline time. Several new changes and compromises had to be made to assure the 1972 Annual to be a success.

These are some of the behind the scene actions

that the Annual Staff went through in making the annual: drawing layouts, writing copy and rewriting it to fit the space, chasing after coaches for their articles, cropping pictures so they look nice, taking pictures to catch candid actions, and breaking in a first year advisor.

We the editors would like to personally thank the Annual Staff for their cooperation and the fine work that they showed while completing this annual. We would also like to extend a thank you to the faculty for allowing us to come in some of their classes to capture certain moments on film. Finally, we would like to thank our advisor and friend Randall Wiss. We appreciate all the help he has given us.

This past year the Student Council completely organized homecoming, once again for the third consecutive year. Some of their other projects were the sponsoring of a foreign exchange student from Finland, the annual Christmas dance and annual Christmas program for the students. With a regular schedule of meetings every two weeks, the Student Council attempts to close the gap between the school board and the students at these meetings.
