The Multi-Occupations Cooperative Education Program is a State-Approved Vocational Education Program which provides an opportunity for seniors to earn credit toward graduation while receiving practical, on-the-job training. In addition to having an academic schedule, the students spend part of the school day at a training station. Students work approximately ten to fifteen hours per week at the job site. They each receive one credit per semester for the Related Class and one credit for the on-the-job training. Students in the program include Dena Bettin, Ida County Courier; Jim Hansen, Meyer Farms; Jean Hemer, John Marrow C.P.A.; Scott Mandernach, Odebolt Coop Elevator; Ted Rake, Sac County Conservation Board; Shane Reinhart, Miller Printing and Publishing; Bridget Schuldt, Veit's Floral; Mindy Thies, Village Shoe Shoppe; and Shawn Thies, Peery Grain Company. The students also attend two M.O.C. conferences in Des Moines. An Employer-Employee Breakfast is held at the beginning of the school year to acquaint students and employers with the year's activities. A candy sales campaign is conducted in February and March to help earn money for M.O.C. activities. The final group activity is the Employer-Appreciation Dinner in the spring.

The 1987-88 Odebolt-Arthur Trojan Triumph was staffed by the media lab class. The editors, chosen by the class, were Tammy Hustedt and Greg Macz. The newspaper production was incorporated into the academic part of the course. The students studied various media techniques and then attempted to integrate them into their newspaper articles. Each student was able to publish his/her articles throughout the year.

The 1987-88 Trojan senior editors were Carla Carlson, Tammy Hustedt, Sandy Lamak and Stacey Profit. The junior editors were Kelly Cranston, Brenda Lippincott, and Kari Snyder. Dave Mattes helped with photography and darkroom processing. The staff was kept busy throughout the year taking pictures, developing film, printing negatives, rolling film, designing layouts, writing copy, cropping pictures, and using the word processor. All of this took a great deal of organization and patience on the part of the editors.

The Student Council took charge of the high school during the 1987-88 school year. As usual, Homecoming was organized and carried out successfully. The Chamber of Commerce supplied the prize money for the week. With Homecoming behind us, we looked forward to Christmas. We celebrated with a dance deejayed by the sophomores. Our next order of business was to earn some money. We decided to put up posters for Connections. The projects of the 1987-88 Student Council were accomplished with pride and determination.

The 1987 Odebolt-Arthur girls softball team had a very successful season. Due to smaller numbers, only the varsity games were played, but the squad still finished with a respectable 4-16 record. Jean Harden was voted most valuable player by her teammates. Stacey Profit was chosen most improved player in grades 11-12, while Kelly Cranston received the award for grades 9-10. The Coach's award was presented to Stacey Schnuckel, and the Miss Hustle award was given to Toni Reis. In spite of the 4-16 record, the team reached the Regional Tournament by winning runner-up honors in the Sectional Tournament. The team did not advance any further after suffering a loss to Manson.

The 1987 Trojanette Volleyball Team was led through their 37-38 season by seniors Stacey Schuckel, Carla Carlson, Laurie Wardrip, Patti Thayer, Tyleen Mollhoff, Stacey Profit, Karla Lamsink, and Maiko Kishi. The team finished fourth in the Maple Valley Conference and made it to the semi-finals in both the Odobolt-Arthur and Ida Grove Tournaments. To round out the year, Coach Schroeder and Mickelson presented individuals with special awards. Carla Carlson was recognized as the team captain, and Stacey Profit was awarded the Coach's Award. Tyleen Mollhoff and Stacey Schuckel were elected Most Improved and Most Valuable Player respectively by their teammates.

The Trojans finished their season with a 7-2 record. They also finished third in the Maple Valley Conference. Much of the success of the team was due to strong senior leadership which consisted of Rob Wisse, Derick Cranston, Jamie Godbersen, Chad Mohr, Travis Green, Dean Quirk, Tery Johannsen, Greg Mace, and Todd Bengford.

This year the Trojans set three team records and one individual record. The season passing average per game was set during the 1987 year with 116 yards. The leading passer was Rusty Wilke who also broke the individual passing yards by throwing 1041 yards in the season. This also set the record for the total passing yards in one season. Defensively, the Trojans shut down Sac City's rushing game by allowing them zero yards. The Trojans hope to continue their power streak next year with their nine returning letter winners.

The high school wrestlers profited from many learning experiences in 1987-88. The Trojans were unable to field a full varsity line-up due to bunching of wrestlers at certain weights.

The Trojans finished 6th in the Maple Valley Conference. The dual records were: conference 2-6-0 and overall 5-10-0. The all-conference team members included James Pierce - 2nd team (98#); Jarret Schriber - 3rd team (105#); Scott Pick - (Hwt.). James and Scott were also district qualifiers, and James went on to become a state qualifier. The team captains were James Pierce, Dean Quirk, and Shawn Thies. The most outstanding wrestler was James Pierce, and Brian Pierce was the most improved.

The O-A Trojanettes completed a successful season with a 9-10 record. Many games were settled by a few points which provided much excitement for the local fans. The Trojanettes also finished with a 5 and 3 conference record to place third in the conference behind 1st place Champs Galva-Holstein. Special honors were earned by: Carla Carlson, 1st Team All-Conf. guard; Jean Hemer, 2nd Team forward; Tammy Hustedt and Stacey Schnuckel, Hon. Men. guard and forward respectively.

BOYS BASKETBALL

The Odehull-Arthur Trojans completed a very successful basketball season with a 17-4 overall record. This marked the most wins by an O-A team since the 1962-1963 season. The team also set marks in best offensive average in a season, 76.3 ppg; best overall field goal percentage - 46%; best two point field goal percentage - 44%; best three-point goals made, attempted, and percentage - 140-203-39%; and most steals in a season, 253.

O-A finished in the upper division of a very tough but balanced Maple Valley Conference. The Trojans were 4-4 behind undefeated conference champ West Moussa, 7-1 Galva-Holstein, 4-3 Maple Valley, and tied with Kingsley-Pearson at 4-4. O-A bowed out in the first round of the district tournament to a good Lewis-Kirkman-Marcella team. The strength of the conference was evident this year with those teams, WM, G-H, and K-P, making it to the substitute finals.

No Trojans were named to the all-conference first team for the 1987-88 season. Senior Ted Bako received second team honors while Rob Wynn was Honorable Mention. Other team awards went to Rusty Wilke - MVP, John Larson - Most Improved Player, and to Brian Bushley - Coach's Award.

BOYS' TRACK

The 1988 Boys' track team had an extremely successful season. State qualifiers were the 4 x 100 team of Rob Wisse, Dave Mattes, Steve Mattes, and Glenn Barker. Dave Mattes also qualified in the 100 yard dash, and Jason Turin in the 100 high hurdles. Coach Chuck Foy felt that the whole team worked very hard for their success.

The 1988 golf season was full of changes and challenges. Mr. Larry Leinbaugh, who took over in his first year as golf coach at Odelsolt-Arthur, was met with a team large in numbers but small in experience. The girls' team, which had been inactive for the past four years, finished seventh in the conference and fourth in sectionals. Eleven girls participated, and three letterwinners will return next year. The boys' team, having sixteen members, finished fifth in the conference and seventh in sectionals. Four letterwinners will return next year to join the girls to build a strong nucleus with the experience they gained this year.

Twenty-five young Trojans gained experience and had fun playing middle school football this year. In addition one young man contributed his talents and efforts as manager. This year's team tallied a 3-2 record. The young gridsters notched up victories over Galva-Holstein (12-6), Sac City (8-0), and Lake View-Auburn (12-0). The Trojans fell to Ida Grove (30-0) and to Wall Lake (32-6).

In addition to the regular games the second team competed in scrimmages with all five of our opponents this year. These scrimmages were played at the completion of the regular game. This gave our young players an excellent opportunity to compete with other players of equal talent.

The seventh and eighth grade boys found it difficult to game against the top 1987 1988 team. The seventh grade managed a 1-2 record while the eighth grade did not win more at all.

The boys' teams about had just started basketball through the year, providing some exciting moments for local basketball fans. The coaching staff hopes these young men will continue to work to improve their basketball.

Twenty-one students contributed their efforts to make the Middle School Wrestling Season a success. Our young grapplers were busy this season encountering foes from Ida Grove, Galva-Holstein, Carroll, Maple Valley, Schaller, Alta, Crestland, and Aurelia.

The team consisted of twelve grapplers, eight matmaids and three managers. This year we were able to schedule some multiple teams meets which enabled the coaches to better match up our young wrestlers and give them all a greater chance to succeed. This year's squad was smaller than previous years, but the enthusiasm and determination of this group was high.
