FOREIGN EXCHANGE STUDENTS

Manu Lang

Manuela Lang has been a foreign exchange student here in Odebolt. She has been hosted by the Bob Clouse family. Manuela is from Bexbach, Germany, an area near the French border. Her father's name is Gunter and her mother's name is Edda. Manu is the "only child" in her family. She is seventeen-years-old.

Manu is an animal lover; she loves dogs and cats. She loves to go out and take her dog for a walk. She loves her host family, and through them Manu has been able to experience life with brothers and sisters. She says that she can understand why it isn't always easy for siblings to get along all of the time.

Manu has found the Odebolt-Arthur School to be very impressive. She is planning to go out for track in the spring. Manu says that she loves living in Odebolt. When the time comes for her to go back, she will miss everything about America that she has come to love. Manu, we will miss you too. It has been great having you here!

Aki Oda

Aki Oda has been a foreign exchange student from Japan. She has been hosted by the Paul Nepper family. Aki is sixteen-years-old and is about 4'11" tall. She says that she is short, even for the Japanese people. Aki has two brothers: Tomofumi and Naofumi. Her father's name is Tadafumi and her mother's name is Nobuko.

Aki has studied English for three years, and someday, she hopes to be famous, possibly as an astronaut. But, if that doesn't work out, she'd like to be a stewardess.

Before coming to Odebolt, Aki stayed with another host family in Las Vegas. In June, she plans to go back to Las Vegas to visit this family for a week. She will then return to Japan.

Aki has really enjoyed her time in America. She would like to thank everyone here, especially her host family, for making her stay in America a pleasant, memorable one. Aki, we have really enjoyed having you here with us. You are a very sweet person with a wonderful personality. We will miss you very much. Good luck in the future.

Scholarship, leadership, service and character are the four criteria used in selecting new members into the National Honor Society. Seven new members were inducted this year — Cheryl Carlson, Joey Hoefling, Paige Lindberg, Lori Lindskoog, Tanya Miles, Maria Raasch, and Brian Reils. Mr. Randy Wiese and Mr. and Mrs. Mike Stock were awarded Honorary Memberships. "Good School Citizens" were selected each quarter. The chapter earned money through its Computer Match, and the profits went to a charitable organization. As a community service project, the National Honor Society participated in the "Adopt a Highway" litter removal program. Other activities included the Eighth-Grade Orientation and the faculty breakfast. At the end of the year, the society walked their two miles, then went out for pizza to close out the year's activities.

It also serves as a Core Class for the vocational ed standards. Students in this year's program: Brian Arbegast — Kevin Carstensen Farm, Odebolt; Neil Dublinske — Super Value, Odebolt; Allen Friedrichsen — Bob Belt/Brent Becker Farms, Wall Lake; Scott Lahr — Rex Chevrolet GMC Geo, Odebolt; and Bill Redenius — Bill Wellendorf Farms, Ida Grove.

An article about O-A's FFA farm safety program was published in the National FFA magazine, *New Horizons*.

M. Hustedt and T. Neville

The activities in which the FFA was involved include: a Farm-Member banquet; plowing 40 acres of soybeans; sending six members to the state convention; hosting the sub-district speaking contest; having a member apply to become a district officer at the N.W. District Convention; taking a senior trip to Missouri; participating in the Sac County and Clay County Fair livestock judging contests; serving pork-burgers at Crazy Days; attending the National FFA Convention; selling fruit, cheese, and sausage as a fund raiser; holding a soup supper before a basketball game; having a Sweetheart Dance during National FFA Week; attending the sub-district and district soil judging contest; building a basketball court as a BOAC project; and donating the events board in the main hallway. The FFA had a great deal of support from the parents and the communities of Oelton and Arthur.

MEDIA LAB

J. Streed, J. Schroeder, T. Schramm, L. Bloyer, W. Redenius, J. Arbegast

The 1991-92 Trojan Triumph staff worked hard each week to generate new ideas for the newspaper. This year we submitted our articles to the Chronicle every two weeks instead of every week. We also produced a senior slide show that was shown at Prom and Awards Day. The class chose "Wildest Dreams" and "It Never Hurts to Hurt Sometime." We again helped sell candy bars to generate money needed for the slide show.

J.E.T.S. TEAM

The 1991-92 JETS team did not get a chance to compete in this year's academic testing in Fort Dodge. Because of the Girls State Basketball Tournament (our girls made it to State!) and a terrible snowstorm we were not able to defend or better our 2nd place ranking in class C.

SPEECH

On January 25, nine individuals traveled to Fort Dodge to compete in the large group, ensemble acting speech contest. Staci Miller, Jenny Streed, Trevor Mandernach, Cori Carroll, and Joey Hoefling performed an ensemble act entitled "One Big Happy Family." Sherri Fineran and Christi Rasmussen performed a duet entitled "Teen Talk", and Beth Hoelscher and Neil Dublinske performed another duet entitled "A Pair of Lunatics." Everyone received a II rating. Congratulations!

On February 22, seven individuals from Odebolt-Arthur traveled to Storm Lake to compete in the individual district speech contest. There were several I ratings and two II ratings. Those receiving I's were: Beth H., Laurie T., Cori C., Tomi G., Joey H., and Libby C. Those receiving II ratings were Tomi G., and Sherri F. All of the contestants who received I ratings traveled to the state speech competition on Saturday, March 21. Congratulations to all of you!

QUIZ BOWL

On Saturday, January 4, Odebolt-Arthur's Quiz Bowl team traveled to Briar Cliff College in Sioux City to compete in the first level of the K'MEG Quiz Bowl. Forty-two teams were trying for the right to advance to the televised rounds of the contest. Only sixteen teams earned that right. Although the O-A team was not among these sixteen, they were still in the running going into the fifth and final round of competition. Eloise Obman, coach, and Jerry Olson, assistant, accompanied the team.

On November 8th and 10th the students of O-A High School performed the musical, Funky Winterbean's Homecoming. This musical revolves around the preparation for homecoming activities at "West Central High School."

The football team hasn't won a game in 21 years, the band director thinks football fields are for band practice, Les can't get a date, Holly wants to be homecoming queen, Suzi wants a hunk, and Bull Bushka (the school bully) is on the loose. Sounds like your normal, everyday high school doesn't it?

The cast included: Cherly Lindgren, Jackie Swanson, Sam Mortensen, Teri Rake, Brad Lundell, Lori Lindskoog, Jenny Streed, Staci Miller, Jenny Schroeder, LeAnn Bloyer, Jeanette Bloyer, Laurie Thayer, Joey Hoefling, Jason Fineran, Todd Lahr, Neil Dublinske, Robyn Wiese, Tanya Miles, Sherri Fineran, Tammi Siebrecht, Andy Mortensen, Carolyn Carlson, Beth Hoelscher, Trevor Mandernach, Tyson Wittrock, Jeff Wulf, Christl Rasmussen, Tomi Germar, Cheryl Carlson, DeeDee Bengford, Marla Raasch, Jeana Flink, Jennifer Arbogast. JORY HEMER

Fifteen young men from Odebolt-Arthur combined their talents for the Trojan track team. The Trojans said goodbye to seniors Brian Arbegast, Joey Godbersen, Tony Mason, and Jory Hemer. Brian completed his fourth year on the squad. Although the boys did not place well during the year they turned in some very good performances. A highlight of the season was placing 6th out of 12 teams at Early. By only losing four seniors the Trojans hope to rebuild and be stronger next season.

Seventeen eighth graders and seventeen seventh graders from Odebolt-Arthur reported for football. The seventh grade squad posted a 2-2-1 season while the eighth graders completed an undefeated 5-0 season. In addition to regular games, B-team scrimmages were played at the conclusion of some games. The score was not kept during these scrimmages, but the players involved enjoyed this opportunity to compete against others of similar talents and skills.

Overall the coaching staff at OAMS felt the sharing program went smoothly and was an enjoyable experience for our youth.

The Trojanettes have completed another successful year at OAMS. There were ten athletes in the 8th grade team and finish with a 4-3 record against some very good opposition. Even though the season started out with a few slow losses, the team was able to come back from this dismal start and play excellent ball by the end of the season.

The 7th grade Trojanettes showed great improvement as the year progressed. The young 'Nettes grew in their skills and knowledge both offensively and defensively. The team ended the season with a record of 1-6. This has been a winning season for both teams in attitude and enthusiasm.

OAMS had two boys' basketball teams to be proud of for the 1991-92 season. The seventh grade team had 17 members which made for good competition in practice. The seventh grade Trojans finished the season with a 3-4 record but showed tremendous improvement from the beginning of the season to the end. The highlight of the season was a big 51-8 victory over Schaller-Crestland on the Wildcats' home court. The eighth graders had 13 participants this season. They finished the season with a 5-2 record. The highlight of the eighth grade Trojans' season was a 75-25 win over Ida Grove. There are a lot of positive things to come for these guys in the future.

An enthusiastic and determined group of young Trojans were the key to a successful grappling season for OAMS. Our Men of the Mat had a very busy season encountering foes from Wall Lake View, Alta, Aurellia, Schaller-Crestland, Carroll Public, Holy Spirit of Carroll, Gilmore City, Galva-Holstein, Ida Grove, and Maple Valley.

The team consisted of nineteen grapplers and nine matmaids. These young people worked very hard throughout the season and showed improvement in every match. Several of our young wrestlers continued on and participated in the Saturday tournaments to test themselves even more.

Twenty-two boys participated in track for OAMS in the 1992 season. Through a lot of hard work the Trojans enjoyed a fine season. They finished second at two meets and third at three others. The Maple Vally meet had some tough competition again this year. Our team finished fifth but had a few notable performances. Clint Proft finished first in the 100 meter dash with a time of 12.85 seconds. The 4 X 100 meter relay team consisting of Seth Proft, Ryan Schroeder, Jarrod Sweeden, and Clint Proft also finished first in a time of 51.07 seconds. Jim Fineran placed second in the shot put with a toss of 40' 4 3/4". Jarrod Sweeden had a jump of 16' 6" in the long jump to capture third place.

Although the accomplishments of these individuals at the conference meet stand out, our team could not have had the success it did without the contributions of each and every member of the team.

Cherish your memories,
but look forward...
Treasure your friendships,
but reach outward...
Learn from the past,
but move onward...
Live each day with hope,
and climb upward.

*There is so much to recall
For another year has passed.
There's no time to say it all.
It's gone by oh, so fast.
But here's a little tribute
to all the memories made,
And all we can do now
Is just hope they don't fade.*

- Sexual harrassment and date rape attained new definitions and became household terms as a result of the JUDGE THOMAS hearings and THE WILLIAM KENNEDY SMITH trial.
- Country music gained popularity as Garth Brooks became a new super star in entertainment.
- Hot new brand names came into the realm of clothing: **Girbaud** and **Z. Cavaricci**.
- Hostage Terry Anderson was the last hostage released after almost seven years of captivity in Beirut.
- The morality of mercy killing was questioned as **Doctor Death** (Jack Kevorkian) published **Final Exit**, a how-to-guide on suicide.
- Jeffrey Dahmar was put on trial for mass murders and cannibalism as the fictitious movie **Silence of the Lambs** received rave reviews.
- With the resignation of Mikhail Gorbachev came the dissolving of the Soviet Union.
- Walmart's Sam Walton, the richest man in America, died.
- AIDS entered the sports world when Magic Johnson went public and ended his athletic career.
- The Rodney King verdict resulted in riots in L.A. and racial tension in other cities.
- Mount Pinotubo exploded to hold off global warming for a few years.
- The Redskins won the Superbowl; the Twins won the World Series.
- Johnny Carson retired after almost thirty years on **The Tonight Show**.
