The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses and income. The document provides a detailed list of items that should be tracked, such as inventory levels, supplier payments, and customer orders. It also outlines the procedures for recording these transactions, including the use of specific forms and the assignment of responsibilities to different staff members.

The second part of the document focuses on the analysis of the recorded data. It describes various methods for identifying trends and anomalies in the financial performance. This includes comparing current data with historical trends, analyzing seasonal fluctuations, and identifying areas where costs are higher than expected. The document also discusses the importance of regular reviews and reports to management, providing a clear and concise summary of the financial situation. It includes a sample report format and a list of key performance indicators (KPIs) that should be monitored.

The final part of the document provides a summary of the key findings and recommendations. It highlights the areas where the most significant improvements can be made and offers practical advice on how to implement these changes. This includes suggestions for streamlining processes, reducing waste, and improving customer service. The document concludes with a statement of commitment to ongoing monitoring and improvement, ensuring that the financial performance remains strong and sustainable.

The first part of the document discusses the importance of maintaining accurate records in a business setting. It highlights how proper record-keeping can help in decision-making and provide a clear history of operations. The text emphasizes that records should be organized and easily accessible to all relevant personnel.

It notes that while digital storage offers convenience, it also introduces risks such as data loss and security breaches. The author suggests implementing robust backup systems and security protocols to mitigate these risks.

The third section focuses on the role of technology in streamlining business processes. It describes how automation can reduce manual errors and increase efficiency. However, it also cautions against over-reliance on technology, suggesting that human oversight remains essential for complex tasks.

Foreign Exchange Student

Martine Peeters

Martine with her host family, the Millers

The 1990-1991 school year brought with it a new experience for Martine Peeters — becoming a foreign exchange student in the United States. Martine grew up in Holland and moved to Belgium just two years ago. Her host family Bob, LaDonna, and Staci Miller have introduced Martine into the American way of life. Martine says she enjoys the school and thinks the people here are really nice. I'm sure Martine will enjoy the rest of her stay here in America and will carry memories of Odeboit in her heart forever.

Scholarship, Character, Leadership, and Service are the four criteria used in selecting students for membership in the National Honor Society. Three new members were inducted this year — Jeana Flink, Joey Godbersen, and Amy Neville — giving a membership of 16. Dr. John Hublak, M.D., instrumental in implementing the National Honor Society at OA, was awarded an Honorary Membership. The NHS selected two students each quarter as "Good School Citizens." The chapter earned money through its Computer Match, and the proceeds were donated to a charitable organization. Other activities included helping with the Eighth-Grade Orientation and giving an Appreciation Breakfast for the faculty which was followed by the installation of new officers. The group enjoyed a fun night activity to close out the year's activities.

Mr. Olson, M. Friedrichsen, B. Pierce, M. Hurley

This was the eighth year of activities for the Multi-Occupations Cooperative Education Program (M.O.C.). The co-op program provides an opportunity for seniors to work part-time at a cooperating employer and earn high school credit toward graduation. Each of the students attended regular classes in the morning, then went to their respective training stations the last three periods for the work-experience component. Three students and three businesses participated in this year's program; Mike Friedrichsen, Don Becker Farms, Wall Lake; Matt Hurley, Rex Chevrolet-Geo-GMC, Odebolt; and Brian Pierce, Odebolt Locker. The M.O.C. students attended two, one-day student leadership conferences in Des Moines, sold candy bars at the end of each lunch shift second semester to help defray expenses, and hosted the annual Employer-Appreciation Dinner in the spring.

O-A Yearbook Staff

The 1990-91 Trojan Yearbook staff was kept very busy. Jill Drake, Suzanne Fineran, and Amy Krusenstjerna were the senior editors and were helped by many others: Shive Matheis and Joey Godbersen, darkroom; Ange Seewer, Carolyn Carlson, Jerry Streed, and Ruth Gustafson, junior editors; Carrie Becker, and sophomore editor.

We were also assisted by Kathy Wilka, who takes the Middle School Athletic pictures for us. Karen Oranston and Tracy Allen also helped by taking the Homecoming pictures. We would like to thank them for their help, it was greatly appreciated.

The 1990-1991 year started out with All-State auditions which were held in Storm Lake on October 27. Participating from O-A were: Brian Arbegast, LeAnn Blöyer, Joey Hoefling, and Lori Lindskoog. In January, four students traveled to Decorah to participate in the Dorian Festival Choir. Those students were Brian Arbegast, LeRae Arbegast, DeeDee Bengtford, and Emily Fox. Small group contest was held in debolt on April 20. The vocal department did well, receiving 1st's, 5-11's, and 4-11's. Large group contest was held in Benson on May 4 with the choir receiving a III rating.

The highlight of the year was the music department trip to Minneapolis, Minnesota. Students, chaperones, and directors left on chartered buses on the morning of Friday, May 10. The trip included a competitive performance, a Twins game, and an awards dinner. The choir brought home a Second Place trophy.

The choir performed at three concerts throughout the year: Winter Concert, Swing Show, and Fine Arts Concert. The year ended with the mixed chorus and girls' chorus performing at graduation.

The 1990 Netties' volleyball team completed a successful 24-7-0 season under the direction of second-year varsity head coach Jim Mickelson and assistant Kelly Drough. The 1990 record ranks as the second best record in school history.

The young but experienced team played well early in the season and continued to improve. In the Conference Tournament, the Netties went 8-0 in pool play, defeated Galva-Holstein in the semi's, and then lost a heartbreaker in the finals to state-ranked Maple Valley. An early season conference loss to Ida Grove and the season finale loss to Maple Valley gave OA a 7-2 conference record and a second-place tie with Galva-Holstein in the Maple Valley Conference.

In tournament play, OA disposed of Sac City, and got revenge on Ida Grove, to win the sectional crown for the second consecutive year. In district games, the Netties defeated Dunlap-Dow City-Arion, and 8th ranked Manning. OA lost a tough match to Pomeroy-Palmer in the District final. The Netties finished 2nd in the final state rankings by the IGHSAU.

All-Conference awards were given to four Netties. First Team honors went to Jen Turm and Carolyn Carlson. Second Team honors to Kristin Johnson, and Honorzette Meriton to Rubyli Weise.

Varsity team awards were as follows: Captains - (Servors) Amy Krusenjerna, Naomi Richey, Mollie Mortensen, and LaFae Arbogast; Most Valuable Player - Kristin Johnson; Most Improved Player - Naomi Richey; the "Coach's" Award - Angie Sweden.

J.V. and "C" team awards were: Most Valuable J.V. Player - Toni Germar; Most Improved - Shanda Pride; Most Valuable "C" Team Player - Cheryl Carlson; Most Improved - Holly Ulbrich. A special recognition award was given to Deb Stull as a four-year team scorer/statistician.

Jen Turm, Carolyn Carlson, and Kristin Johnson also received some special awards. The *Omaha World Herald* named Turm to the All Southwest Iowa 2nd Team. The *Herald* also named Johnson and Carlson to its Southwest Iowa Honor Roll.

The high school wrestlers put forth many good efforts throughout their dual season but struggled for wins due to an incomplete varsity squad. Much improvement was observed as the season progressed. Tournament action for varsity and junior varsity members proved to be the highlight of the season. The Trojans finished 5th in conference duals and 7th in the conference tournament race. Brian Pierce finished with a 1st at Sectionals and 3rd at Districts. While John Bruening finished 3rd at Sectionals. The team captains were John Bruening and Brian Pierce. The most outstanding wrestler was Brian Pierce and Rob Bobzein was voted most improved.

Sixteen seventh graders and twelve eighth graders from O-A reported out for football this year. This was the second year for our young gridsters to be involved in a sharing program. Both the seventh and eighth grade squads posted 4-1 seasons. In addition to the regular games, "B" team scrimmages were played at the conclusion of most games. No scores were kept during these scrimmages and the players involved really enjoyed this opportunity to compete against others of similar talents and abilities.

The 7th grade team was an exciting and enthusiastic group of young ladies. The Netties will be a solid team next year as they face stiffer competition. The 8th grade team also completed a very successful middle school career. They came out on top with an undefeated record. These Netties will keep the high school program in years to come one of the best in the area.

The OAMS boys' basketball teams both enjoyed fine seasons. Both teams ended their campaigns with 6-2 records. Their success can be attributed to their willingness to work hard and their positive attitudes. The Trojans ran a basic set offense and usually ran a full-court press defense that helped generate some easy baskets. Many of the games were close right down to the final horn which kept their fans and coach sitting on the edge of their seats. Throughout the whole season, they all enjoyed themselves, learned from each others' mistakes, and had fun each time they went out to play or practice.

M.S. Wrestling

The OMS matmen once again completed a very successful season. Our young grapplers competed in a full schedule which included several multi-team meets. This worked out very well as the coaches were able to match up wrestlers with others of equal talents and body builds. The Trojans encountered foes from Wall Lake, Galva-Holtstein, Aurelia, Carroll, Ida Grove, Maple Valley, Woodbury Central, Alta, and Blair Valley.

The team consisted of fifteen grapplers and eight matmen. Although our squad size was small, the quality was there. The team's strengths were their attitudes and aggressiveness. They started out with a strong showing against Wall Lake and just continued to get better as the season progressed.

Twenty-four boys participated in track this season for OAMS. Through hard work and determination, the Trojans enjoyed many successes. They took first place at the Wall Lake meet and second place at the Ida Grove and Sac City meets. At the Galva-Holstein meet, OAMS finishes third. The Trojans finished sixth at the Conference meet. Justin Flink captured first place in the 100 meter dash with a time of 12.3 seconds and anchored the 4x100 meter relay team that also took first place in a time of 50.88 seconds. Other members of the relay were Clint Profit, Jarrod Sweeden, and Jared Bruening. Another accomplishment was the breaking of the OAMS 1600 meter run record. Andrew Hedden broke the record in a time of 5:28.15 which was nearly nine seconds off the previous mark.

Although the accomplishments of the above individuals have been mentioned, the team could not have had the success it did without the contributions of each and every member.

Yearbook Memories

At the end of the year,
When we've all said good-bye.
Shed all our tears,
Let out all our sighs.
Promising we'll keep in touch,
Never thought school would mean this much.
The school year went by so fast,
Now I wish it would last.
But now that its happened,
Gone by all to soon.
I'm all alone,
In this dark, dreary room.
All those memories to keep in my mind,
Hoping that none of them will ever die.
Thinking of all the time it took,
To put all the memories in this yearbook.
