Homecoming week was full of activities, which involved the entire student body. The student council set up a special dress code for each day. Gum and candy started the week, followed by hat day, reverse-role day, and purple and gold day.

Super Class Night was Thursday evening. The bonfire followed with Steve Cranston giving the pep talk.

Friday's activities began with the class skills in the gym, followed by a parade downtown. After the crowning of the king and queen, the winner of the window decorations was announced and Howard Hustedt gave the pep talk.

The week of activities ended with the football game with Ida Grove followed by the Homecoming dance by Red Tagg Disco.

The 1982 Volleyball 'Nettes once again provided a winning season for Odoholt-Arthur High. With the best record as of this year, (13-6-2), the Trojanettes have worked consistently to the point where they can experiment with different offenses and new techniques. Four seniors leave the Varsity with much skill and effort handed down to the four returning letterwinners who must combine their experience with some up and coming players from the JV squad.

An enthusiastic and determined group of young Trojans was the key to a successful grappling season for DAMS. The Men of the Mar had a busy schedule, encountering foes from Ida Grove, Galva-Holstein, Maple Valley, Schaller, Carroll Public, and Carroll Krumper. The team consisted of 20 grapplers and 6 mat maids. Our young grapplers showed consistent improvement as the season progressed.

## ***THE DREAMS OF '83***

*To achieve all that is possible  
we must attempt the impossible.  
To be as much as we can be  
we must dream of being more.  
So, gather moments while you may,  
and collect the dreams you dream today.  
And, as you travel your separate ways,  
remember your friends and the memories  
you've made.  
For true friendship will remain long after  
we depart,  
And the memories we've shared will lie deep  
within our hearts.  
May you always follow  
your cherished dreams,  
May you reach for the highest star  
May you make the most  
of every day  
And find joy wherever you are.*
