Summer vacation was a time filled with adventure and excitement for many OABCIG students. Whether taking family vacations or simply staying home with friends, each day was filled with something new. A few students even went to other countries on vacation! Students got to spend time at summer camp, either as campers or counselors, go on mission trips, hang out at water parks, go camping, and so much more. No one wanted the summer fun to end, but couldn't wait to see old friends when school started up again.

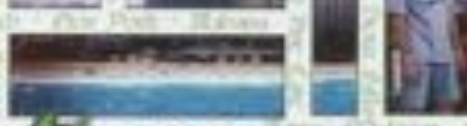

Laurel Ringford, Stasia Wenschel, and Callie Carver spent part of their summer on a mission trip in West Virginia.

Arielle Williams, Cassidy Dotson, Tyler Wicker, and Paige Whitney are having a little fun after a 4th Intra Youth Conference in Ames.

Karleigh Goodson took a trip to Europe this summer. She visited many places in Italy including Rome, Venice, Milan and Florence. She also spent time in Athens and Pisa, Greece, as well as Ephesus, Turkey.

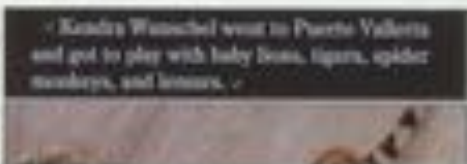

Natalie Rendo went to Cancun, Mexico. She got to go parasailing with her mom.

A group of high schoolers from the Lutheran Church in Ida Grove traveled to New Orleans this summer for the National Youth Gathering. They went to the Lower 9th Ward and helped to clear tall grasses and debris from where houses once stood. Students who went were: Nathan Elrig, Derek Cooney, Clay Christensen, Erik Miller, Jake Coover, Nick Peterson, Alex Quill, Adam Beckerman, Kendall Kruger, Malory Cates, Ashley Zobel, Erin Rasmussen, Lisa Byrnes, and Mariah Cates.

Vacations

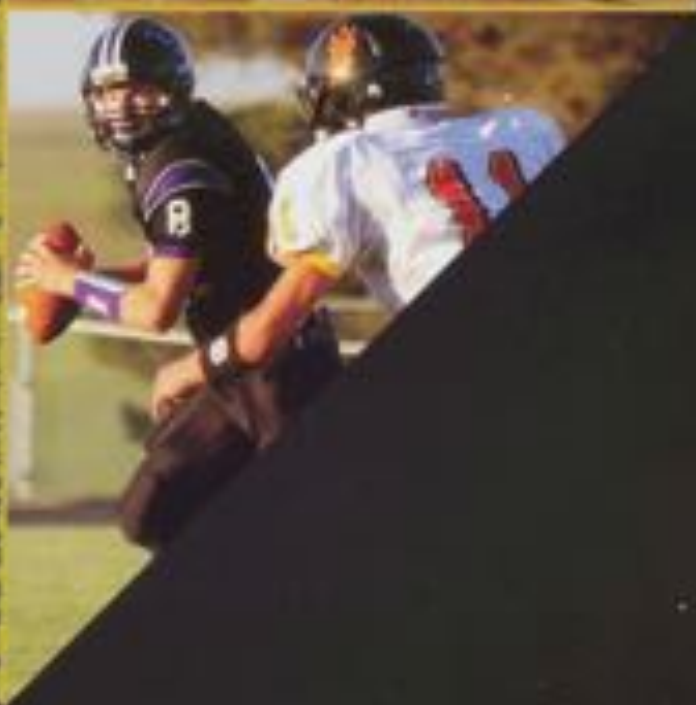

Kendra Wenschel went to Puerto Vallarta and got to play with baby lions, tigers, spider monkeys, and lemons.

Student Council consists of 37 members that are all very active in school and their communities. Some of our activities this year have been: deciding the homecoming theme and days, holding monthly class competitions such as dress up days, collecting box tops, soap labels, and pop tabs.

We went trick or treating for canned goods to donate to Mid-South, attended a leadership conference, sponsored 20 angel tree tags for students to give gifts to Ida County residents, played tags for Veterans Day, hosted the staff appreciation breakfast and helped at Kids Fest.

Student Council also sold candy canes to students during lunch to raise money for the Toys for Tots program totaling \$200. Penny wars took place in the library for three weeks raising \$250 for the Leukemia and Lymphoma Society—the Pennies for Patients Program.

The mathematics department at OABCIG offers a wide variety of math classes which focus on many different things like equations, shapes, lines, and graphs. The classes start from basic math and work their way up to the harder classes like calculus and statistics. Mr. Blum, Mrs. O'Toole, and Mrs. Masss are the teachers in the math department.

Schae Cronson and Morgan Veascher have questions about their Algebra II assignment.

Caushy Markert is focused on her math work in Mrs. O'Toole's class.

The art room is one of the few rooms in the high school where you can make your own rules. Your mind is allowed to roam from idea to idea, which is exactly what Mr. Hesse is looking for his students. From photographs of wild animals of the open ocean, to paintings of Marilyn Manson, variety is what the students are best at finding, and is what makes these art classes so unique.

The only rule in art is what works.

Yearbook class is a fun, relaxing way for the members to let their creativity flow and design pages for the annual yearbook. Six new members were welcomed to the staff this year, which was a success. The year started off with choosing the board of staff, going out to the communities and filling advertising space and collecting speciality, setting the layout for the book, and starting to take pictures for assigned pages.

Homecoming week was full of spirit, class competitions, and excitement. On Thursday night, the parade pumped up the community and the student body by letting everyone have a chance to be involved. Next, Coronation took place at the high school and the crowning of the homecoming king and queen was announced. Then Super Class Night followed, which is a class competition full of activities where all the classes match in color and fight to be the winner. This year the seniors, class of 2011, won the title as the champions. Friday was loaded with pep rallies and the school colors of black and purple. Powder Puff took place Friday afternoon out on the football field. The seniors crushed the freshmen and the juniors won a close battle against the the sophomores. The Friday night football game ended the spirit week with a great defeat over the MVAO Rams.

Both Whicker and Collins thought they had lost but they stayed together, making sure they didn't fall during On Track's Tube Race.

The Senior's ice cream eating team are showing off their fantastic victory over the younger classes at Super Class Night.

The cast and crew all "cut loose" for this year's O-V-B-C-I-G fall musical. The music and drama departments dedicated their time and hard work to produce the very popular Broadway Musical *Footloose*. Ann Holst was the director, and had help from Eric and April Wells with the music. Ren McCormack (Logan Lanzink) and his mother Ethel (Erin Brown) are forced to pack up and move since Ren's father has walked out. They leave the big city of Chicago and move to a small town no one has heard of—Beaumont. Ren soon learns that fancy business is not allowed in Beaumont, which means no dancing, or, in other words, no fun. Local minister Reverend Moore (Colin Liernier) has convinced the town council to ban dancing due to a car accident that killed five Beaumont teenagers. Rev. Moore's daughter Ariel (Bridgett Konrad) strongly disagrees with her father and will do anything to rebel. Ren and Ariel meet and form a bond, and push for the town to open their eyes and allow the young people of Beaumont to dance freely. Finally, with Rev. Moore's approval, the kids throw a dance and kick off their Sunday shoes!

From the Director...

"Selecting *Footloose* for this fall's show was a great choice. Everyone loved the uptempo music, and we were fortunate to have talented kids to fill all the parts and then some! I think everyone came away humming the tunes—and maybe left with their "Sunday shoes" kicked off too!"

Football Cheerleading

The Falcon Cheerleaders had yet another busy year cheering on the football boys to many great victories. The squad was full with sixteen cheerleaders and loaded with energy. Every year, the team gets stronger and closer creating an unbreakable bond. These cheerleaders not only act as a team but as a family who respect and support each other. Homecoming is the busiest time for these ladies. The cheerleaders take much of their own time to prepare for the busy week. Pep rallies, decorating posters and locker rooms, and cheering the boys on at the Friday night game are just some of the responsibilities that cram their week of homecoming. It may seem like a lot, but they all agree that it's more exciting to be involved during homecoming. As the season began to come to an end, the games grew colder and colder. However, the cheerleaders did a great job keeping the crowd's spirit up and the football boys pumped. All together the football season was a complete success and each year keeps getting better.

The OABCIG cross country team has done a fantastic job in the running season of 2010. The team had many new faces that contributed to the improvements of the teams throughout the year. The girls had a good building year with some freshmen girls running amazing at the varsity level. The girls varsity team got 3rd at the Western Valley Conference meet. The boys had an outstanding season. They got 1st at our OABCIG Invite and they also got 1st at the Western Valley Conference meet. Mick Hofmann was the Conference Champ for 2010. The boys once again pulled through and qualified for State by getting 3rd at Districts. This was the third time in a row that our boys varsity cross country team qualified for State.

The OABCIG choir performs many times throughout the school year. We had three participants make it to the All-State Choir Festival which is held in Ames: **Laurel Bengford, Nick Wunschel, and Sam Miller.** Choir members are also selected to sing at honor choirs such as Men and Women In Song and the Western Valley Vocal Music Festival. The choir as a whole also sings at graduation and large and small group contest.

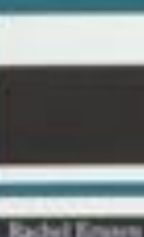

The band has had a busy year. There were 70 students in the band this year. The students started off with the marching band season. Soon after that they got to work on their concert, concert, pep and jazz band music.

This year was a successful year for both girls and boys bowling. They started out the season with 39 students involved. The boys ended their season 1/17 and the girls ended their season 1/17. At districts, both teams placed third. The girls team broke all but one of the school's previous records, while the boys broke many as well. **Cory Lake** was selected for the All-District Team. Practices were filled with friendly competition along with hard work to perfect their throws. At the end of the season the team had a fun day where the disco lights were turned on and some new and unusual techniques were tried out.

The wrestling cheerleaders of the 2010-11 season deserve a round of applause for their immense amount of hard work that they put into each meet. These girls dedicate many of their Saturday mornings and other weekday evenings to cheer on all of the boys. They pound, clap, and yell each wrestler to victory. The boys appreciate them very much, and know they couldn't achieve greatness without them.

The girl's basketball team had a very successful start to their season to say the least. By starting their pre-season with a #1 ranking, the Falcons managed to keep that throughout the entire season. With 10 returning letterwinners, the Falcons completed their regular season with an undefeated 15-0 record. Ashley Zobel and Jessie Pauley both scored their 1000th career point within two weeks of each other. By the end of the Western Valley Conference Tournament they were Conference champions and bettered their record to 19-0 heading into Regional play. They successfully beat Cherokee, Ridge View, Sioux Central, and Hill Western Christian to earn another trip to the State Tournament. They defeated IKM-M in the first round, Monticello in the semifinals, and made their dreams come true by defeating Eatherville Lincoln Central in the 2A State Championship game to rightfully earn the title....STATE CHAMPIONS!

Spirit

The Falcon basketball cheerleaders had yet another year of a full team. Eight girls took on the responsibility of cheering on their teams to new and better heights. Cheerleading is not just about stunts and how loud you can yell, it's about spirit, integrity, passion, teamwork, trust, and most of all, heart. This year, new stunts and cheers were learned, practiced, and performed in front of the community. Each week, these girls traveled with the basketball teams to help keep the falcon spirit alive with energy in the crowd of OABCIG.

Art Clubs

Chicago was their destination! Art Club spent 3 days in the Windy City visiting the Shedd Aquarium, the Art Institute of Chicago, the Field Museum, and many other famous landmarks in Chicago (not forgetting the city's oldest and best pizza joint, Uno's Pizzeria). The members experienced so many inspiring forms of art, from the paintings in the Art Institute, to the people creating instrumental art on the streets. The kids didn't let the rain and mud take away from the beauty of the city while making it downtown Chicago. There were so many varieties of people and cultures to look at, though members were a bit bored. It was a trip they will never forget, and a trip that will inspire them in their art classes.

It was a big year for OABCIG's Art Club this year. They fundraised by creating and selling Falcon t-shirts. They collected enough money to meet their goal and make the trip. The Art Club also volunteered to paint faces at Las Vegas Night. They enjoyed painting many flowers, rainbows, mustaches, and flames!

The advisor, Mr. Horne, shows an example of the Falcon t-shirt that Art Club created at an early morning meeting.

Spanish

This year's Spanish classes have learned a lot. Ms. Meisner's Spanish I classes covered vocabulary and grammar and the students spent time reading, writing, listening, and speaking. The new textbooks were a great addition to the curriculum, and Ms. Meisner was very excited to be able to share relevant cultural information with the included DVDs. The ActiBoards were very helpful viewing videos and presentations, as well as playing review games.

In Spanish II, III, and IV, students were able to learn through a variety of different methods. Individual student whiteboards were used for more practice with the Spanish language and students were able to work with many different hands-on activities. Activities and pictures were used often. Students were able to utilize the Spanish language daily with oral questions and partner activities. Mrs. Maynard hoped that the students in Spanish would be able to speak, read and write at a more proficient level by the end of the 2010-2011 school year.

In Spanish II, Mrs. Maynard checks to see if Derek Connor, Forrest Dyer, and Jeff Gustafson can match vocabulary words with the pictures.

National Honor Society is an organization that deals with many character traits and volunteerism. Its main goal is to encourage and recognize academic achievement throughout the student body of our school. Students in NHS are required to keep a cumulative GPA of at least 3.25, partake in 15 hours of community service during the school year, and follow other various rules. During the year NHS does many fundraisers and projects. Toys for Tots, selling hearts and bags for cystic fibrosis, selling ice cream after school, and cleaning car eggs for the Scholarship Foundation are the main fundraisers throughout the year. New members are inducted in the spring each year, as they take the place of the graduating seniors.

"I pledge myself to uphold the high purpose of the National Honor Society to which I have been elected. I will be true to the principles for which it stands, I will be loyal to my school, and will maintain and encourage high standards in my school, and will maintain and encourage high standards of scholarship, service, leadership, and character."

Smoking can make others sick

Bridgett Kowal - Treasurer, Courtney Bottom - Treasurer, Ryan Frankbank - President

JEL also known as 'Just Eliminate Lies', is an anti-tobacco program for students across Iowa. It teaches kids the truth about smoking and chewing tobacco, how to say 'NO' to peer pressure, the nasty habits, and the life long effects. JEL is a way for these students to learn and go out and spread the word to others before it's too late. The members of JEL don't expect to break everyone's nasty habits, but it's their job to go out and warn not only users about the effects.

> Over 400,000 people die every year from smoking and spit tobacco. Which is about one death every 90 seconds.

JEL Members: **2011-2012:** Corey Buehig, Callie Carstensen, Laurel Bengtson, Ryan Brookbank, Taylor Dugan, Cary Evers, Shelby Newbauer, Nick Petersen, Rachel Wenzel, Corey Evers, Casey Johnson, Mariah Cates, Hannah Gustafson, Megan Schaeffer, Taylor Johnson, and Christine Bennett. **Second Row:** Jillian Bennett, Alyssa Hindson, Kayla Green, Marissa Nielsen, Morgan Russo, Lauren Kretschmer, Cherylene Wicks, Morgan Russo, Sage Schmidt, Kassandra Welling, Justin Sadler, Haley Westphal, and Holly Bengtson. **Third Row:** Kara Gavitts, Natalie Buehig, Aricelle Wuberman, Kara Cowham, Erin Green, Ciara Doudler, James Heger, Paige Whitney, Shelby Flemming, Kestie Weber, Austin Sadler, and Jordan Buhh. **Fourth Row:** Justin Fundermann, Zachary Boshes, Katelyn Kruger, Kordina Kruger, Bridgett Kowal, Jessie Pasley, Courtney Bottom, and Corey Clauser. **Missing from Photo:** Samantha Besser, Emilee Berry, Zachary Collins, Joshua Duder, Allison Goutz, Mandi Hare, Trida Hayward, Halle Kim, Kayla Kilian, Miranda Kowal, Thomas Kolbren, Ariana Ladwig, Courtney McCullough, McTrass Phillips, Samantha Sholly, Dorian Tischer, Angela Veil, and Seth Wheeler.

The OGDEN FFA has been all year long with many events, competitions, and numerous service opportunities available to members. Starting in June, the horse judging was completed at Kirkwood Community College and earned a silver medal. During OGDEN County Days, the FFA provided numerous services by helping with the set up and tear-down of booths. Members participated in the IA County and Clay County Fair livestock judging contests and placed first in Clay County. In September, members participated in Sub-District Swine, and also in the Midwest NW Webinar trip along, where they placed fourth overall. In October, seven members got the chance to travel to Indianapolis, IN to the National FFA Leadership Conference where they visited various tourist attractions and were given Early Admission to concerts. The FFA had two more fundraisers which included fruit sales, which made a profit of over \$1,000, and the yearly swap which made almost \$800. In February, Amy Stangl participated in Ag Breakfasting at the Sub-District FFA contest, placing silver. In March, members attended the District FFA Convention in Alton. During FFA week, members grilled for the high school and at Ag 5000 Day, and gave their services to the 4-H. The members also participated in the 4-H Leadership Conference, and in May, members attended the members' assembly, where the FFA will present...

OABCIG has a very successful mentoring program. The mentors and mentees get together on a regular basis and do things such as play games, work on homework and work on projects. All of these skills help us to reach our greater goal of helping a child to feel more confident, have greater self esteem and have great friendship. This year we had 38 matches within the entire district.

Dance Night

We Are... DANCERS

The 2010-2011 OABCIG Dance Night had yet another successful year. These girls used hard work and creativity to make this night come together and be perfect. The dance girls performed their state routines (hoop, prop, and pom) along with numerous other dances they choreographed. The seniors put their heads together and came up with the themed coed dance. Carly Erosias took the parent dance to another level this year and made it a great performance. A dance clinic was held in the morning and each group of the dance girls choreographed routines for each elementary grade. The Ridge View High School dance team along with the junior high dance team made an appearance at the performance that night. Dance Night is the one opportunity for these girls to show the community their routines and put an end to a successful year. They did a great job like always!

Prom 2011

Pages by Brittanie Kogly

**ONE
WILD
Night**
2011 Prom
OABCIG

Prom started off as it did any other year; however, it ended up being "One Wild Night". The evening began with the Grand March being held at the Life Grove Community Hall. Students then went to The Skate Palace for sparkling cider and appetizers prior to dinner. Dinner consisted of steak medallions and cheesy potatoes. During supper, was when the night "got wild". The tornado sirens went off and the students had to seek shelter for a while in the bathrooms of the Skate Palace. The DJ that was planned to play at prom was delayed due to the weather so the students were moved to the high school for safety reasons and to finish out the night. When the students got to the school, they could relax after all of the excitement of the storm. The senior video was shown and the DJ arrived. After dancing, students went into the gym and the After-Prom activities began. Despite a disruption in the planned activities at the start of the night, all students had a memorable prom.

Prom Servers

4. Courtney Schmeckel trying for a football.

1. Courtney Bottles and Emilee Beery getting pumped for After Prom.
2. Hannah Gustafson, Mariah Cates, and Mackenzie Teat watching the activities.
3. Jessie Patsley, Erin Kasmussen, and Morgan Rowie getting comfortable and ready for the long night.
4. Callie Carstensen taking a break while waiting for the entertainment to start.

1. Dani Carstensen, Jeff Laft, and Colin Prewer finishing the tractor tire race.
2. Cobus Henner attempting the scooter race.
3. Clay Christensen finishing the obstacle course.
4. Ryan Gaskins trying to complete the obstacle course in record time.

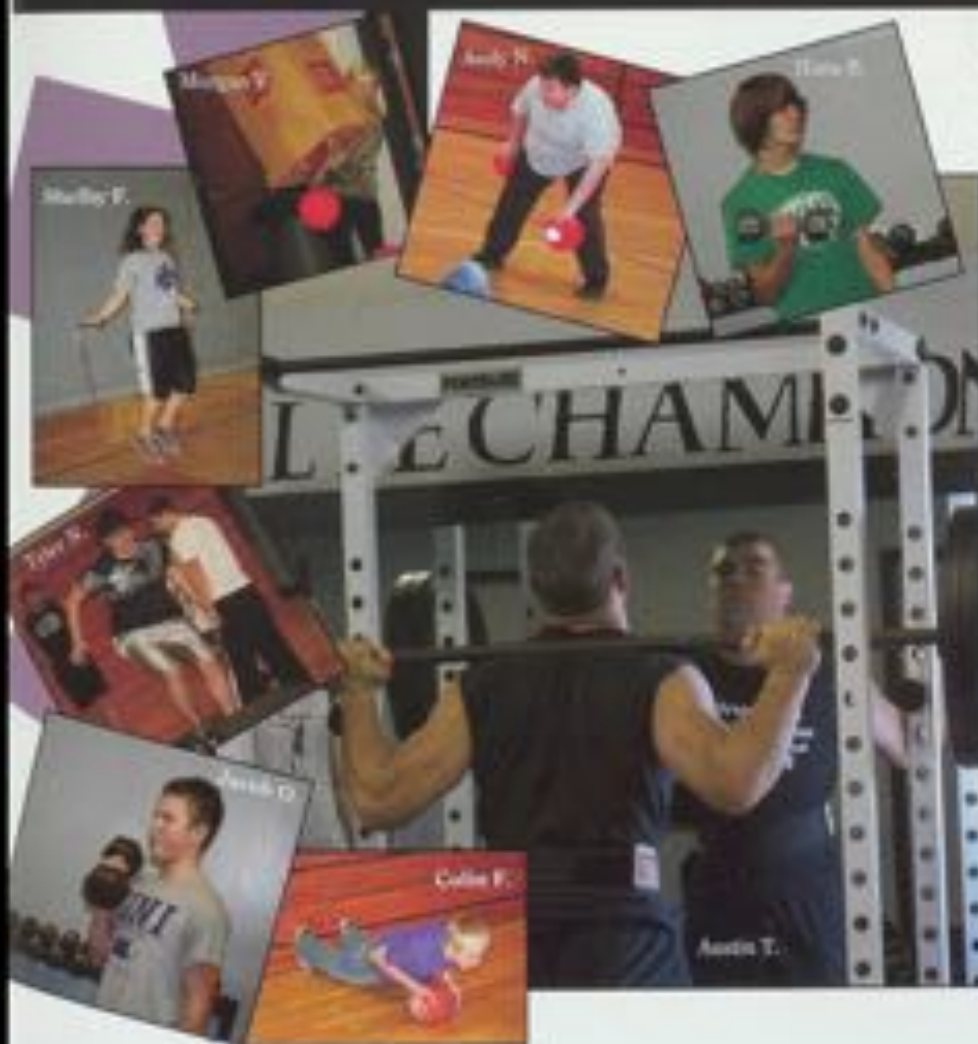

1. Shelby Neuhauer carrying to finish the obstacle course.
2. Becca Greer and Wayne Rosenmyer finish their relay.
3. After Prom teams finishing their pyramid.
4. Zach Serben sliding to win the obstacle course.

At this year's After Prom, students were divided up into three different teams and competed against one another in events such as the tractor tire tube race, blind football toss, scooter races, and pyramid building. In addition, there was an inflatable obstacle course, cash box, lots of food, and the night ended with a hypnotist.

P.E. & Weights

P.E. & weights has been a good opportunity this year for students to exercise, stay in shape, and get stronger for various sports and activities they are involved in. State laws require all students to have a minimum of 120 minutes of physical activity per week. At OABCSG, we meet that requirement by having all P.E. and weights classes meet three times a week. Weights activities: power cleans, agility ladders, dot drills, bench press, and parallel squats. P.E. activities: dodgeball, bowling, and volleyball.

The 2011 track team was nothing but successful. The girls have had to make every minute count, while still being at each other's beckon. These tough workouts truly paid off when the girls were so successful at each and every meet. The girls team placed 1st, 2nd, and 3rd at many events. Events that placed 1st at the WVC Meet were the shuttle hurdles with Kary Kruger, Hannah Carter, Carly Brostus, and Morgan VanDerSloot. Katie Kallin placed 1st at the outdoor meet in her 400 hurdles. Kate also qualified for the Drake Relays in her 100 hurdles. Many events were broken enough to qualify for State Track and they were treated like royalty at the Blue Drake Stadium. The 4x100 relayed against track along with women and placed 20th. Shuttle Hurdle placed 9th, but timing disqualification for finish. In the high jump, Jessica Penney placed 17th. In Katie Kallin's 100 M hurdles, she qualified for State and placed 3th overall. In her 400 hurdles, she placed 9th. The weekend down at State was very successful for everyone.

Weather certainly gave this year's golf season a rough start, but that didn't stop the OVB-CIG boy's teams from doing well. The coach for this year's team was Kurt Hofmeister. The Falcons won the North Division of the conference, and placed 2nd at the Conference Championship in Demoson, and at the OVB-CIG tournament in Odebohl. Many players took home medalist or runner-up honors at meets. These include Dakota Miller, Nick Petersen, Derek Conover, and Adam Beckermann. All six varsity players made all-conference teams. 1st Team All-Conference golfers were Dakota Miller, Nick Petersen, and Adam Beckermann. 2nd Team All-Conference golfers include Derek Conover, Tayton Reese, and Cory Luke. This year's districts were played at Hubstein, and as a team the Falcons placed 4th, ending their season. Dakota Miller advanced as an individual to the regional meet placing 4th with a 79. At regionals, Dakota shot an 80 which ended his season.

The girls golf team set many high goals this season, and proved to be one of the top teams in the state. Coached by Byron Hartwig, the varsity team was ranked in the top 10 all season. Returning letterwinners from last season included Karleigh Gunderson, Ashley Zobel, Jessie Pauley, and Erin Rasmussen. These four girls also made 1st Team All-Conference, and often received medalist or runner-up honors at many meets. Halle Kies, Bridgett Konradi, and Brandi Snyder also contributed to the varsity team. The Falcons won the North Division of the conference and placed 2nd at the Conference Championship in Denison, and at the OABCIS tournament in Ida Grove. Districts were held in Holstein this season, and the team placed 3rd, ending the season. Erin Rasmussen qualified for regionals as an individual placing 3rd with a 94. At regionals, Erin shot a 95 ending her season.

For this year's spring play "Anchors Aweigh", the entire crew got on board and went straight to work. Whitney Simonson worked hard as the play's director. Captain Greg has great apprehension about his next cruise on the S.S. Flounder. The owners are aboard the boat and are going to decide its fate. Passengers arrive for a single's cruise, including a famous romance author and her secretary, a big-time hood, and a prince posing as a gangster. Also on board are a pair of tired old ladies and a mother trying to make her socially deprived sons more sociable.

Senior Service Day

For this year's Senior service day the students went to Mapleton to help the community clean up after a F3 tornado destroyed about 150 homes and businesses. The senior students that were in FFA went to the farm of Dale and Sandy Ulrich to help clean up after another tornado struck their farm, on the same night it hit Mapleton.

Coming together is a **challenge**, staying together is **cooperation**, working together is **success**. - Henry Ford

Together
We've Come.

From Large Group Speech, to the Girl's State Basketball Championship, to one wild and tornado-filled night at prom, you could say this year was anything but ordinary. The year started out with excitement as students piled back into the school. New teachers, new classes, and many new friends. Last year was filled

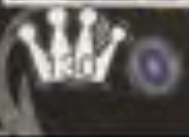

with nerves and intimidation as Odeboit Arthur and Battle Creek-Ilda Grove came together for the first time, but this year it was all about continuing friendships, working together, and carrying on new traditions. Coming together to be strong and successful led many students to state sporting events, as well as honor-filled nights in drama, music, and art. We also had several students involved in programs such as speech, mentoring, FFA, and quiz bowl. But it's all the other things we do as a student body that make our school who we are. As a school, we worked as one

to fight against cystic fibrosis, tobacco use, bullying, and breast cancer. We made cards for Mighty Max Low, volunteered hours at Kid's Against Hunger, and helped clean up Mapleton after the tornado. At OABCIG, we students define ourselves by our actions, have fun, and are proud to show our newly joined colors.

To Rule
This Kingdom.
