

THE TROJAN

the 1990s, the number of people who have been employed in the public sector has increased in all countries. The increase has been particularly rapid in the United Kingdom, where the public sector has grown from 10.5% of the economy in 1980 to 17.5% in 1997 (see Figure 1).

There are a number of reasons for the increase in public sector employment. One reason is that the public sector has become a more important part of the economy. This is due to a number of factors, including the fact that the public sector has become a more important provider of social services, and that it has become a more important employer of people with disabilities. Another reason is that the public sector has become a more important part of the economy because of the increasing importance of social services.

High School Student Council

The 2000-2001 Student Council continued the tradition of providing a variety of opportunities for the student body. The main activities included organizing Homecoming, updating activity picture boards, and coordinating a blood drive.

Homecoming activities included the annual Powder Puff Football game, in which the Sophomore and Senior girls took the field against the Freshmen and Junior girls. This was followed by Super Class Night, which was narrowly won by the Seniors. Other Homecoming events included hallway decoration, dress-up days, the outdoor dance, super spirit class competition, and the parade.

The major community service activity was the blood drive. The fourth year in a row, we exceeded our goal collecting 73 units of blood. As usual this number included many first time donors.

Officers for this year's Council included Jay Henrich (President), Kara Gunderson (Vice President), Emily Hogue (Secretary), Molly Heidenreich (Treasurer).

Middle School Student Council

The OAMS Student Council kept very busy this year. They were under the guidance of Mr. Walsh. They planned Homecoming Activities this fall, in addition to Quarter Holiday. Three exciting events were going to the movie theater, Skate Palace, and a sledding trip. All of these events took place in Ida Grove. Besides this, the Student Council also planned a Halloween Contest between the families in October.

The OAMS Student Council showed great leadership and planned many fun activities.

The 2000-01 yearbook staff again had another busy year. We used the money generated through our candy sales to purchase new technology—a digital camera. This camera gives the staff the benefit of instant pictures as well as the flexibility to upload them to the computer for other uses.

Our staff was led by a team of great seniors: Kara Gunderson, Jamie Youngquist, Sarah Miller, and Abby Schroeder. Junior staffers included Emily Hogue, April Pudenz, Holly McDonough, and Molly Heidenreich. We also inducted four sophomores this year: Tisha Schofield, Alison Neumann, Tyler Schnuckel, and Mark Currie.

TROJAN TRIUMPH

The Trojan Triumph was led by seniors Kara Gunderson, Sarah Miller, Nick Lahr, and Jordan Youngren. They spent their year gathering information about projects and various classes and then organized, edited, and typed the articles. The seniors were also in charge of preparing the Senior Scope that made its weekly appearance in the paper.

This year's officers were President—Kara Gunderson; Vice President—Jordan Younggren; Secretary—Jamie Youngquist; and Treasurer—Eric Siebrecht. The NHS was under the advisement of Linda Johnson.

Due to inclement weather, the JETS team was unable to compete in this year's competition.

The 2000-2001 Quiz Bowl Team enjoyed a successful year while participating in three bowls. The varsity team consisted of Matthew Hedden, Nathan Knop, Nick Barker, and Brandon Daiker.

On November 4, 2000, both the junior varsity and varsity teams competed in the Lawton Bronson Invitational. The junior varsity finished 1-3, and the varsity ended with a fourth place finish going 3-2 on the day. On December 2, 2000, both teams again participated. The junior varsity finished 2-3 and the varsity finished third going 3-2. To finish off the year, the varsity competed in the KTIV Quiz Bowl preliminary tournament at WIT on January 6, 2001. Though the team did not advance to further rounds, the team finished with a winning season of 8 wins and 7 losses.
